July 01, 2013

हम आत्माएँ, संकल्प के मधुर साज से और मीठे-मीठे मोती के हृदय का हार बन, यादों की मालाएँ बन, बापदादा के गले का हार हैं...

With garlands of remembrances, with the sweet music of thoughts, with the sweet pearls of love, we, the souls, become the garland around the Father's neck...

Hum atmaayen, sankalp ke madhur saaj se aur meethe-meethe moti ke hriday ka haar ban, yaadon ki malaayen ban, baap dada ke gale ka haar hain...

Om Shanti Divine Angels!!!

In the daily murlis, Bapdada gives vardaana to the entire Brahmin family spread all over the world. *Baba also remarked in the murli, dated 7-1-2012 that serviceable children will make cartoons after listening to the murli.* Visualization makes remembrance of the blessing throughout the day easier and thus makes it more fruitful.

Essence: Sweet children, continue to say "Baba, Baba" from your heart and there will be unlimited happiness. This is not just something to say, but let

there be this continual remembrance internally and all your sorrow and suffering will be removed.

Question: When some children say, "Baba, my mind is confused and I have problems", what teaching does Baba give to show them how to stay in happiness?

Answer: Baba says: Children, these words that you say are wrong. It is wrong to say, "My mind is confused." When the intellect's yoga with the Father breaks, the intellect wanders and there is unhappiness. This is why Baba shows you a method: Keep your chart. Continue to say "Baba, Baba" internally. Take shrimat at every step and your confusion will finish.

Song: Banwaari re jeen ka sahaara tera naam re...Dweller of the Forest, your name is the support of my life!

Essence for dharna:

1. Sacrifice your body, mind and wealth in serving Bharat to make it into heaven. Become a full helper of the Father.
2. Remain cheerful here. Don't wilt in any situation. End all your sorrow and suffering through having remembrance of the Father.

Blessing: May you be a conqueror of sinful actions by being a knower of the deep philosophy of karma and thereby save yourself from punishment in the land of Dharamraj.

The experience of punishment is said to be the land of Dharamraj: it isn't that the land of Dharamraj is a different place. At the end, the sins that you have committed will come in front of you in a fearful form as the demons of death. That is the moment of repentance and disinterest. Even small sins seem like evil spirits. There is great distress in repentance, therefore, in order to save yourself from that feeling of punishment, become a knower of the deep philosophy of karma and perform elevated actions and become a conqueror of sinful actions.

Slogan: Those who completely surrender themselves to the Father with their bodies, minds and wealth are the ones who become the garland around His neck.
