Praise of Baba:

The Ocean of Knowledge, the Incorporeal Purifier, the Supreme Father, and the Supreme Soul Shiv Baba is.... My Baba...Sweet Baba...Lovely Baba...Kind-hearted Baba...Compassionate Baba...the True Father...the True Teacher...the Unlimited Father... the Almighty Authority...the Truth, the Living Being, the Blissful One and the Seed... the Bestower of Salvation... Knowledge-full...

Points of Self-Respect and Soul Study:

Easy Yogi:

We, the souls, the very subtle points, understand that the essence of all the points, is to become a point...we stabilize our intellects in one second in a stage of a point in our thoughts, and by having the awareness of the slogans "nothing new" and "everything that happens is beneficial", "whatever happened, whatever is happening, and whatever is to happen will be good", with our words and actions, we let the by-gones be by-gone...by understanding the reasons for our shortcomings and weaknesses we resolve them... we end the queue of questions of "why, what, when, where, how" and become powerful...we apply a powerful brake to waste thoughts, and finish the force of their flow by putting a full-stop... we finish all complaints with the experimentation of yoga, merge with love easily in remembrance and become easy yogis...

In Brahmin life filled with speciality, we become co-operative in service and become easy yogis... by claiming the first blessing of being an easy yogi, by constantly keeping this blessing in our intellect and awareness, and by constantly using this blessing to serve all souls, we become full of specialities...

We are the easy yogis who, with the remembrance of One, experience all relationships with Bapdada... in the relationship of a Teacher, we become the embodiments of knowledge, in the relationship of a Mother, we become the embodiments of peace, in the relationship of a Bridegroom(sajan), we become the embodiments of love, in the relationship of a Companion, we become the embodiments of happiness, in the relationship of a Satguru, we become the embodiments of purity, in the relationship of a Father we become the embodiments of all powers, and in the relationship of a Child, we become the embodiments of bliss...

We are the powerful karmayogis and easy yogis who use all powers as weapons, and who sacrifice and offer the great sacrifice of all weaknesses in a second...

Rather than waiting (intezaar), we make preparations (intejaam)... we emerge the powers, the knowledge and virtues, happiness, peace, bliss and love, and all the different attainments received from God in our intellects, and experience happiness... we maintain a balance between the seriousness of deep yoga and the entertainment of churning the ocean of knowledge... while constantly moving along on the basis of the finger of shrimat, we become co-operative (sahyogi) instead of being separated in yoga (viyogi), and thus become easy yogis (sahaj yogi)...

Instead of being warriors (yoddha) we make others worthy (yogyia)... by closing all the gates of Maya, we become the true yogis, the constant yogis, the simple yogis, the easy yogis, the natural yogis with a constant stage... we are yogis who experiment (prayogi), bring greater glorification through less expense and receive attainments (prapti) by making progress (pragati)...

We are the conquerors of matter, easy yogis and co-operative... by being co-operative in making the atmosphere spiritual with our good wishes through our mind, through words, or through our relationships and connections, we become master bestowers...

ॐ शान्ति दिव्य फरिश्ते !!!

13-07-2013:

Essence: Sweet children, when you die, the world is dead for you. To belong to the Father means to break the consciousness of the body. No one except the one Father should be remembered.

Question: What slogan should you always remember as you see the final moments coming closer?

Answer: The wealth of some will remain buried, kings will take the wealth of some and the wealth of others will be looted. Always remember this slogan because mountains of sorrow are now about to fall and everyone will die. You children now sacrifice yourselves completely to the Father. Everything of yours is being used in a worthwhile way. You sacrifice yourselves for one birth and the Father sacrifices Himself to you for 21 births. For 21 births you will not need any inheritance from your physical mothers and fathers. Then, from the copper age onwards, you receive a reward according to your actions.

Song: I am just a small child and You are the Almighty.

Essence for dharna:

1. In order to claim self-sovereignty, sacrifice yourself to the Father. Constantly keep your aim and objective in front of you. Make effort to become part of the sun dynasty.
2. Constantly keep open your third eye of knowledge which you have received from the Father. Pay total attention so that Maya doesn't enter you. Become a conqueror of sinful actions with the fire of yoga.

Blessing: May you be a master almighty authority and overcome all adverse situations by considering them to be side-scenes and thereby move forward. Constantly maintain the awareness of your form of a master almighty authority and all adverse situations will be experienced to be side-scenes. By considering it to be an adverse situation you become afraid, but, by considering it to be a side-scene, that is, a scene on the path, you will easily be able to overcome it because when you see scenes you experience happiness and don't become afraid. The obstacle is not an obstacle but a means to move forward. By taking an exam, you move ahead in your class. Therefore, whenever any situation arises, do not stop. With the constant awareness of being a master almighty authority continue to experience the flying stage.

Slogan: Become such easy yogis that others are able to have yoga as soon as they see you.

13-07-2013:

मुरली सार:- "मीठे बच्चे-आप मुझे मर गई दुनिया, बाप का बनना अर्थात् देह-अभिमान टूटना, एक बाप के सिवाए और कुछ भी याद न आये"

प्रश्न:- अन्त का समय समीप देखते हुए कौन-सा स्लोगन सदा याद रखना है?

उत्तर:-"किनकी दबी रहेगी धूल में, किनकी राजा खाए....."- यह स्लोगन सदा याद रखो क्योंकि अभी दुःख के पहाड़ गिरने हैं, सबका मौत होना है। तुम बच्चे तो अभी बाप पर पूरा बलि चढ़ते हो, तुम्हारा सब-कुछ सफल हो रहा है। तुम एक जन्म बलि चढ़ते, बाप 21 जन्मों के लिए बलिहार जाता है। 21 जन्म तुम्हें लौकिक माँ-बाप के वर्से की दरकार नहीं। द्वापर से फिर जैसा कर्म वैसा फल मिलता है।

गीत:-मैं एक नन्हा सा बच्चा हूँ.....

धारणा के लिए मुख्य सार:-

- 1) स्वराज्य के लिए बाप पर बलि चढ़ना है। एम-ऑब्जेक्ट सदा सामने रखनी है। पुरुषार्थ कर सूर्यवंशी बनना है।
- 2) बाप से जो ज्ञान का तीसरा नेत्र मिला है, वह सदा खुला रहे। माया की प्रवेशता न हो जाए इसका पूरा ध्यान रखना है। योग अग्नि से विकर्माजीत बनना है।

वरदान:-परिस्थितियों को साइडसीन समझ पार कर आगे बढ़ने वाले मास्टर सर्वशक्तिमान भव

सदा अपने मास्टर सर्वशक्तिमान स्वरूप की स्मृति में रहो तो हर परिस्थिति ऐसे अनुभव होगी जैसे एक साइडसीन है। परिस्थिति समझने से घबरा जाते लेकिन साइड सीन अर्थात् रास्ते के नजारे समझेंगे तो सहज पार कर लेंगे क्योंकि नजारों को देख खुशी होती है, घबराते नहीं, विघ्न-विघ्न नहीं है लेकिन आगे बढ़ने का साधन है। परीक्षा से क्लास आगे बढ़ता है, इसलिए कभी कोई बात में रुको नहीं, सदा मास्टर सर्वशक्तिमान हूँ - इस स्मृति से उड़ती कला का अनुभव करते रहो।

स्लोगन:-ऐसे सहजयोगी बनो जो आपको देखने से ही दूसरों का योग लग जाए।
