July 02, 2013

हम विचित्र आत्माएँ, चित्र लेकर सृष्टि मंच पर पार्ट बजानेवाले, विचित्र बाप के चित्र और चरित्र को याद करनेवाले, चरित्रवान् हैं...

We, the souls without an image (vichitra), are those with character (charitrvaan)...we take an image (chitra), play our part on the world stage, and remember the image (chitr) and the character (charitr) of the Father without an image (Vichitr)...

Hum vichitr atmaayen, chitr lekar srishti manch par paart bajaanewale, vichitr baap ke chitr aur charitr ko yaad karnewale charitrvaan hain...

Om Shanti Divine Angels!!!

In the daily murli, Bapdada gives vardaana to the entire Brahmin family spread all over the world. Baba also remarked in the murli, dated 7-1-2012 that serviceable children will make cartoons after listening to the murli. Visualization makes remembrance of the blessing throughout the day easier and thus makes it more fruitful.

**Essence:** Sweet children, keep a picture of Shiv Baba in a little room. Go there again and again and sit in front of it and talk to Baba and your remembrance will then remain throughout the whole day.

**Question:** What new and unique type of love can only be experienced at the confluence age?

**Answer:** To love the Father who has no image is a new type of love. You understand that incorporeal Baba, the One without an image, has come into the corporeal one. You are sitting in front of Him. At the confluence age, you receive love directly from God. This love is new and unique. You have loved bodily beings throughout the whole cycle. Now love the bodiless Father. Such love can only exist at the confluence age.

**Song:** Kaun aaya mere man ke dware कौन

आया मेरे मन के द्वारे.. Who came to the door of  
my mind with the sound of ankle bells?

### **Essence for dharna:**

1. Stop remembering everyone. Disconnect your intellect's yoga from everyone and stay in remembrance of the one Father. Make a little room for Shiv Baba and sit in unadulterated remembrance of Him.
2. Tell yourself these sweet things: Previously, we were so beautiful. We have now completed 84 births and are going to return home in happiness. Talk to yourself in this way and spin the discus of self-realisation.

**Blessing:** May you be flawless and experience a life as precious as a diamond by having pure and positive thoughts for the self (swa chintan) and by having self-realisation (swa darshan).

In order to experience a life as precious as a diamond, constantly have pure and positive thoughts for the self and become a spinner of the discus of self-realisation because there are only two things that make a diamond full of flaws. One is looking at others (par darshan) and the other is thinking about others (par chintan). Being coloured by the company of these two things a clean diamond is made full of flaws. Therefore, finish these main seeds and have pure and positive thoughts for the self and spin the discus of self-realisation and there then cannot be any dust or flaws on you. You will then become a constantly flawless and true diamond, a sparkling and precious diamond.

**Slogan:** Only those who remember the image (chitra) and the character (charitra) of the Father without an image (Vichitra) are said to be those with a character (charitravan).
