3. We give blessings of peace, power and freedom from disease from a distance to souls who have not attained anything, and who are peace less, unhappy and diseased... we do spiritual service in the world of spirits at a fast speed... we are conquerors of obstacles...we make those in whom we still have hope experience spiritual power, make them experience love and spirituality through our form, and give an experience of comfort...we are the embodiments of peace giving the

experience of shanti kund (an area of peace) in the midst of
peacelessness and upheaval...

4. We are the knowledge-full serviceable souls who attract many souls from a distance with the power of concentration...by taking a vow of maintaining our spirituality, we stay beyond the upheaval of wasteful thoughts, wasteful words and wasteful deeds, maintain our concentration, and show other souls the miracles of the Sun of Knowledge...

5. We, the souls, with the personality of purity, attain imperishable property from the Father and become complete...we perform every action in our stage of being a master almighty authority...we are masters of the unlimited with the unlimited treasure of happiness...we are the few of the multimillions, and the few of the few who finish worries of the self and everyone else and have pure and positive thoughts of all... we constantly sing praise of our fortune, go beyond all questions and remain content within our heart... by taking a vow of purity, by imbibing purity in our thoughts, words and deeds, we see our crown of light very clearly, and wear a crown, sit on the throne and get anointed with a tilak...

6. With feelings of mercy and good wishes in our hearts, by being in a stage of being completely ignorant of desires, by having an extremely powerful seed stage, we fulfill all the desires of devotees and enable them to attain everything... by being the children of the Bestower of Fortune, we become the bestowers of fortune...we are images that grant visions same as the Father, stabilized in the highest authority... we are great deities and bestowers of blessings full of blessings who constantly give... we are great donors who constantly donate as bestowers and fulfill desires of all souls...

आज का वरदान (TODAY'S BLESSING)

अशान्ति व हंगामों के बीच शान्ति कुण्ड की अनुभूति कराने वाले शान्ति स्वरूप भव।
May you be an embodiment of peace who gives the experience of a shanti-kund
(an area of peace) in the midst of peacelessness and upheaval.

शान्ति स्वरूप भव
(Be an embodiment of peace)

July 07, 2013 (Revised January 26 & 31, 1977)

Experience the divine activities of subtle power through introversion.
The way to enable your devotees to attain everything
is to have a stage of being ignorant of the knowledge of desires.

Blessing: May you be an embodiment of peace who gives the experience of a shanti-kund (an area of peace) in the midst of peacelessness and upheaval.

When there is upheaval in any place, then, at that time of quarrelling, show the wonder of the power of peace. It should enter everyone's intellect that it is a shanti-kund here. Be a shanti-kund and spread the power of peace. Be an embodiment of peace and give the experience of a shanti-kund. At that time, you won't be able to serve through words, but with the power of the mind, you will be able to reveal a shanti-kund. Everyone should receive the vibrations that they will receive peace only there. So, create such an atmosphere.

Slogan: To finish all worries of the self and everyone else is to be one who has pure and positive thoughts for everyone.
