August 04, 2013

हम श्रेष्ठ भाग्यशाली आत्माएँ, सत्कार देकर विश्व द्वारा सत्कारी बननेवाले, निर्मानता द्वारा नमन योग्य बननेवाले, विश्व अधिकारी हैं...

By being humble and giving respect to others, we, the very fortunate souls with a right to the world, become worthy of being saluted and respected by the world...

Hum shreshth bhaagyshaali atmaayen, satkaar dekar vishv dwara satkaari ban newale, nirmaanta dwara naman yogy ban newale, vishv adhikaari hain...

Points to Churn from the Murli of August 04, 2013 (Revised 5-2-1977)

### ***Praise of Baba:***

The Ocean of Knowledge, the Incorporeal Purifier, the Supreme Father, and the Supreme Soul Shiv Baba is.... My Baba...Sweet Baba...Lovely Baba...Kind-hearted Baba...Compassionate Baba...the True Father...the True Teacher...the Unlimited Father... the Almighty Authority...the Truth, the Living Being, the Blissful One and the Seed... the Bestower of Salvation... Knowledge-full...

## *Points of Self-Respect and Soul Study:*

1. We, the elevated souls, are equal to the Father....we are filled with the special dharna of royal sanskars of someone with a right and who is respectful, incorporeal and egoless(adhikaari, satkaari, niraakaari, nirhankaari)...we keep a balance between all four aspects, have a special seat of royal status, and are enabled to claim the throne...we clear our accounts, become refined and go with the Father without paying a fine... after realisation we have the final result of liberation, that is, we are liberated from everything... we are respected by the world because of giving respect to others, and are worthy of being saluted because of our humility... we finish the past and become full of all virtues...we are always equal companions who are very fortunate, and who have a right to the world...
2. We, the souls, who consider rest to be improper, are those who are loved by God and loved by the world (Baap pasand, vishv pasand)...instead of making corrections, we forge a connection with the Father and give and take blessings of virtues and powers...we constantly make the spiritual endeavour of remembrance (saadhna), without the support of temporary facilities (saadhan), and become those who are liberated in life, (jeewan mukt) instead of those who are tied in bondage (bandhan yukt)...
3. We, the elevated souls with the lines of elevated fortune, who reveal our complete form and our worthy of worship form in a practical way, are sparkling stars in front of the world... we put a full-stop to the weaknesses of the past, and grant a vision of our complete form... we have the determination to finish all the old sanskars and nature in the final sacrifice...we destroy the intellect that imbibes defects and develop the satopradhan intellect that imbibes divine virtues... we maintain an accurate balance between one who has a right and is respectful (adhikaari and satkaari)... by making the greatest renunciation of the desire for prestige, regard and facilities, we become ones who are greatly fortunate...by doing the course for the final force, we have liberation from everything...

In the daily murlis, Bapdada gives vardaana to the entire Brahmin family spread all over the world. Baba also remarked in the murli, dated 7-1-2012 that serviceable children will make cartoons after listening to the murli. Visualization makes remembrance of the blessing throughout the day easier and thus makes it more fruitful.

(Become full of all specialities)

04-08-2013:

Liberation through realisation.

**Blessing:** May you become full of all specialities by knowing all the specialities of Brahmin life and using them.

According to the law of the drama, every Brahmin soul has definitely received one speciality or another at the confluence age. Even if a soul is the last bead of the rosary, he still has one or another speciality. Recognise the speciality of the fortune of your Brahmin birth and use it practically. By using one speciality, you will automatically develop other specialities. By continuing to put zeros with one, you will become full of all specialities.

**Slogan:** Constantly have the awareness of the mantra of manmanabhav and the wandering of the mind will then stop.
