

SAAL MUBARAK!!! Vikram Samvat 2070

Nutan Varshabhinandan (HAPPY NEW YEAR) !!!

Gujarati New Year, also known as **Bestu Varas**, is celebrated the day after the Diwali. **Saal Mubarak** is a traditional Hindu Gujarati greeting reserved for use on Diwali and Gujarati New Year, the Hindu festival of lights and the triumph of good over evil, as well as light over darkness.

"Nutan Varsha Abhinandan" i.e. Happy New Year or with "Saal Mubaarak" which is an Urdu saying but is said commonly by Gujarati people. The day starts with the heavy fire works, to welcome New Year, in the early morning as Hindus believe morning starts at 4 am. The local young boys sell raw salt (collected from Salt evaporation pond) calling it "sabaras" means all taste. Houses are decorated with the aaso palav & marigolds (galgota) toran (Door hangings) and rangoli beside front door with different designs. The people get dressed with new clothes and visit their neighbours and relatives to greet them. Home made snacks like "Farsaan" and sweets are offered to the guests and neighbours who come to wish the New Year.

The Gujarati community all over the world celebrates the New Year to mark the beginning of a new fiscal year and people put their worries behind them and prepare to welcome a new beginning. Revellers will visit family and friends to exchange gifts of money and home made sweets and wish health and prosperity for the New Year. People will also visit mandirs to offer puja to the gods.

Points to Churn: November 04, 2013

Praise of the Father: the Mother and Father...the unlimited Father...the Bestower of Peace...the Bestower of Happiness... Heavenly God, *the* Father... *the* Liberator... the Guide... the Knowledge-full... Blissful... the Ocean of Knowledge...Merciful... the Highest on high Father...the Incorporeal Supreme Father the Supreme Soul, the Purifier...the Lord of Maya...

Knowledge: These are the versions of Shri Shri God Shiva. Until human beings receive the recognition of God, they will continue to perform devotion. When faith becomes firm, devotion is automatically renounced. Devotion is buttermilk whereas knowledge is the butter through which you receive liberation and liberation-in-life. Your Diwali is in the golden age when you become pure.

You are claiming your inheritance of the kingdom of heaven. No one can ever burn that; no one can snatch that away from us; no one can win that inheritance from us. Souls receive an inheritance from the Father and such a Father is truly called the Mother and Father.

Yoga: None but One... Your main duty is to stay in remembrance of the one Father and to connect the intellect's yoga of everyone to the one Father. Don't remember anyone except the one Father. Remain constantly seated on the seat of a constant and stable stage and you will remain unshakeable and immovable.

It says in the Gita: Renounce your body and all bodily relations, consider yourself to be a soul and remember the Father. Then, only by imbibing knowledge will you receive a kingdom. Only by having remembrance of the Father will you become ever-healthy, and through knowledge become ever wealthy.

Dharna: You have to remain constantly engaged in the task of changing human beings into deities. One has to study regularly here. Only by having this knowledge will you progress and this is why you have to study regularly.

Since God Himself has come onto this earth, we have to give our hands to Him fully, but only those who are the true and strong children of Baba will give Baba their hands. Never let go of that Father's hand. If you let go,

where would you go after becoming an orphan? We have to remain firm in this faith in every breath and show Maya our strength.

Service: You have to liberate everyone from sorrow, become guides and show them the path to liberation and liberation-in- life. Become pure and make others pure like yourself. In order to receive blessings from many souls, open a spiritual hospital. Show everyone the path to liberation and salvation. Serve through both words and thoughts at the same time, and make atmosphere yogyukt and the environment powerful.

Points of Self Respect: .holy swans...the top-knot...the true and strong children...powerful... embodiments of success...

ॐ शान्ति दिव्य फरिश्ते !!!

विचार सागर मंथन: November 04, 2013

बाबा की महिमा : मात-पिता... बेहद के बाप... शान्तिदाता... सुखदाता... हेविनली गॉड फादर... लिबरेटर... गाइड... नॉलेजफुल... ब्लिसफुल... ज्ञान का सागर... रहमदिल... ऊँच ते ऊँच बाप... पतित-पावन निराकार परमपिता परमात्मा... मायापति...

ज्ञान : श्री शिव भगवानुवाच | जब तक मनुष्यों को बाप की पहचान नहीं मिली है तब तक भक्ति करते रहेंगे | जब निश्चय पक्का हो जायेगा तो फिर भक्ति आपेही छोड़ेंगे | भक्ति है छाँछ, ज्ञान है मक्खन | तुम्हारी दीवाली है सतयुग में, जबकि तुम पवित्र बन जाते हो |

हम स्वर्ग की राजाई का वर्सा पाते हैं | उसे कभी कोई जला न सके, कोई छीन न सके, वह वर्सा हमसे कोई जीत न सके | आत्मा को बाप से वर्सा मिलता है और ऐसे बाप को बरोबर मात-पिता भी कहते हैं |

योग : नन बट वन...हमारा मुख्य कर्तव्य है एक बाप की याद में रहना और सबका बुद्धियोग एक बाप के साथ जुड़ाना | एक बाप के सिवाए किसी को भी याद नहीं करना है | सदा एकरस स्थिति के आसन पर विराजमान होकर अचल-अडोल रहना है |

गीता में भी है – देह सहित देह के सभी सम्बन्ध छोड़ अपने को आत्मा समझ बाप को याद करो | फिर नॉलेज को धारण करने से ही राजाई मिलेगी | बाप की याद से ही एवरहेल्दी बनेंगे और नॉलेज से एवरवेल्दी बनेंगे |

धारणा : मनुष्य को देवता बनाने के कर्तव्य में सदा तत्पर रहना है | रेग्युलर पढ़ना है, इस नॉलेज को जानने से ही आगे बढ़ेंगे इसलिए रेग्युलर स्टडी करनी है |

जब परमात्मा खुद इस सृष्टि पर उतरा हुआ है, तो उस परमात्मा को हमें पक्का हाथ देना है लेकिन पक्का सच्चा बच्चा ही बाबा को हाथ दे सकता है | श्वांसो, श्वांस इस विश्वास में स्थित होना है, माया को अपनी बलवानी दिखलानी है |

सेवा : सबको दुःखों से लिबरेट कर, गाइड बन मुक्ति-जीवनमुक्ति का रास्ता बताना है | पवित्र बन आप समान पवित्र बनाना है | अनेक आत्माओं की आशीर्वाद लेने के लिए रूहानी हॉस्पिटल खोलनी है | सबको गति-सद्गति की राह बतानी है | वाणी और मन्सा दोनों से एक साथ सेवा कर वायुमण्डल योगयुक्त और वातावरण पॉवरफुल बनाना है |

स्वमान : होलीहंस... चोटी... पक्का सच्चा बच्चा... समर्थ... सफलतामूर्त...

04-11-2013:

Essence: Sweet children, your real Deepmala (festival of lights) will be in the new world. This is why you shouldn't have any desire to see the false festivals of this old world.

Question: You are holy swans. What is your duty?

Answer: Your main duty is to stay in remembrance of the one Father and to connect the intellect's yoga of everyone to the one Father. You become pure and make everyone pure. You have to remain constantly engaged in the task of changing human beings into deities. You have to liberate everyone from sorrow, become guides and show them the path to liberation and liberation-in-life.

Song: Having found You, we have found the whole world. The earth and sky all belong to us...

Essence for dharna:

1. Become pure and make others pure like yourself. Don't remember anyone except the one Father.
2. In order to receive blessings from many souls, open a spiritual hospital. Show everyone the path to liberation and salvation.

Blessing: May you be an embodiment of easy success by serving through both words and thoughts at the same time.

Together with serving through words, also serve with your power of thought at the same time. This is the powerful, final service. When there is the combined form of serving through thoughts and words, then there will easily be success and there will be double the result. There are very few who serve through words, but those who are looking after everything and who do other types of work should serve through thoughts, and by doing this the atmosphere will become yogyukt. Each one should think: I have to do service and then the atmosphere will be powerful and there will be double service.

Slogan: Remain constantly seated on the seat of a constant and stable stage and you will remain unshakeable and immovable.

मुरली सार:-"मीठे बच्चे - तुम्हारी सच्ची-सच्ची दीपावली तो नई दुनिया में होगी, इसलिए इस पुरानी दुनिया के झूठे उत्सव आदि देखने की दिल तुम्हें नहीं हो सकती"

प्रश्न:- तुम होलीहंस हो, तुम्हारा कर्तव्य क्या है?

उत्तर:-हमारा मुख्य कर्तव्य है एक बाप की याद में रहना और सबका बुद्धियोग एक बाप के साथ जुड़ना। हम पवित्र बनते और सबको बनाते हैं। हमें मनुष्य को देवता बनाने के कर्तव्य में सदा तत्पर रहना है। सबको दुःखों से लिबरेट कर, गाइड बन मुक्ति-जीवनमुक्ति का रास्ता बताना है।

गीत:-तुम्हें पाके हमने जहाँ पा लिया है.....

धारणा के लिए मुख्य सार:-

- 1) पवित्र बन आप समान पवित्र बनाना है। एक बाप के सिवाए किसी को भी याद नहीं करना है।
- 2) अनेक आत्माओं की आशीर्वाद लेने के लिए रुहानी हॉस्पिटल खोलनी है। सबको गति-सद्गति की राह बतानी है।

वरदान:-वाणी और मन्सा दोनों से एक साथ सेवा करने वाले सहज सफलतामूर्त भव

वाचा के साथ-साथ संकल्प शक्ति द्वारा सेवा करना - यही पावरफुल अन्तिम सेवा है। जब मन्सा सेवा और वाणी की सेवा दोनों का कम्बाइन्ड रूप होगा तब सहज सफलता होगी, इससे दुगुनी रिजल्ट निकलेगी। वाणी की सेवा करने वाले तो थोड़े होते हैं बाकी रेख देख करने वाले, दूसरे कार्यों में जो रहते हैं उन्हें मन्सा सेवा करनी चाहिए, इससे वायुमण्डल योगयुक्त बनता है। हर एक समझे मुझे सेवा करनी है तो वातावरण भी पावरफुल होगा और सेवा भी डबल हो जायेगी।

स्लोगन:-सदा एकरस स्थिति के आसन पर विराजमान रहो तो अचल-अडोल रहेंगे।
