

## Synopsis: Sakar Murli October 22, 2014

1. The Father is the **Highest on High** and so His task is also very high. He is **Karankaravanhar** (the One who does and inspires others to do). He is the **Father** and also the **Mother and Father**.
2. The Father is **perfect** and so He also makes you perfect. You become pure and beautiful with the power of yoga. That **Traveller** who comes and makes you beautiful from ugly is ever beautiful.
3. The first and main thing is to become completely viceless, and the main aspect is purity. Without purity, you cannot receive peace or prosperity. The behaviour of people is reformed through purity. The Father says: Lust is the greatest enemy. Conquer it. Only by conquering it will you become pure.
4. When people are pure they are called deities. Deities are always happy. Deities are pure and this is why impure human beings bow down to them. No one else, apart from the deities can be mahatmas (great souls).
5. The greatness is of the One who teaches you. That **flower** has now come and is making you into flowers, that is, He is making you into the beads of His rosary. A rosary is of the Brahmins whom the Father sits and teaches. It is of you, who study with the Father, who make effort and become deities from Brahmins.
6. There is praise of only you. You Brahmins sit here and make others into Brahmins, like yourselves, and then make them into deities, residents of heaven.

Blessing: May you be an elevated soul who celebrates the memorial of both the incorporeal and the corporeal accurately with the right method.

Deepmala is the memorial of the many imperishable ignited deepaks (lamps). You sparkling souls are shown as the flames of the deepaks and this is why the memorial of the sparkling souls, the divine lights, has been shown as lights of physical deepaks. On the one side, it is a memorial of the form of the incorporeal soul, and on the other side, it is a memorial of your future divine corporeal form of Lakshmi. This Deepmala enables you to attain a deity status. So, you elevated souls are celebrating the memorial of your own selves.
