

Synopsis: Sakar Murli October 25, 2014

1. It is remembered that when the **Sun of Knowledge** rises, the darkness of ignorance is dispelled. "Father shows son". That One is called the **Satguru, the Image of Immortality**. Death doesn't come to Him. The Satguru is the Death of all deaths. The Father says: I am the **Lord of the Poor**. Only the poor come here. This is the study of Raja Yoga. The study is very easy: Remember the Father and remember your kingdom. Recognize the unlimited Father and claim the kingdom. Forget this world. You are unlimited sannyasis.
2. This is the spiritual army of the spiritual Father. He inspires you to make easy effort to have yoga with the Father and to gain victory over Ravan. You are called incognito warriors, incognito mahavirs. You gain victory over the five vices, the first one of which is body consciousness. By gaining victory over lust, you become conquerors of the world for 21 births.
3. Look how you are establishing your own kingdom! You don't use your hands or feet in this. Here, you have to break body consciousness. When living at home, first of all, remember this: I am a soul, not a body. This is called the leap age, the most auspicious confluence age. The topknot is small (**choti hai chhoti**). The topknot of Brahmins is very well known.
4. Whilst sitting at home, you become the masters of the world with the power of yoga. You are establishing peace with the power of yoga and they will destroy the whole world with the power of science. They are your servants. They are serving you; they finish the old world. All the natural calamities etc. become your slaves. All of nature becomes your slave. You simply have yoga with the Father. This is why the Father now says: Remember Me and your sins will be burnt away. O children, become beautiful flowers! Do not defame (**kalank**) the divine clan (**kul**).
