

## Synopsis: Sakar Murli October 14, 2014:

1. The Father is the **Highest on High**. He gives you the sovereignty of the world, and so you should have so much regard for Him. The main thing is the **God of the Gita**. This is the only scripture of the sun-dynasty deities. There aren't different ones; nor is there a different one for Brahmins. The greatest Guru of the world is the one Father. A guru is greater than a father and teacher. Only the one unlimited Father is the **Satguru**. He is the One who grants salvation to everyone.
2. Devotes have faith in just the one Shiva; wherever you go, there will definitely be a Shiva Temple there. At Amarnath, they have a Shiva Temple. Baba praises Abu a lot. Of all the pilgrimages, this is the greatest pilgrimage.
3. The **spiritual Father** speaks knowledge of the past, present and future. What happened from the golden age to the end of the silver age is the main thing. Otherwise, there is a lot of history and geography of what happened and who came etc. in the copper and iron ages. There is no history or geography of what happened in the golden and silver ages, but there is the history and geography of everything else.
4. Baba explains a great deal, but it should also sit in the intellects of the especially beloved children. At present, there is a lot of body consciousness. A lot of knowledge is needed. There has to be a lot of refinement. Gyan vigyan is of a second; the land of peace and the land of happiness.
5. The jaggery knows and the bag containing the jaggery knows (**gud jaane, gud ki gothri jaane**). Shiv Baba is called the **Jaggery** (contents). He knows everyone's stage. He can understand from each one's study how much they study and how much service they do, and to what extent each of you is making your life worthwhile in Baba's service.
6. This is the Court of Indra. Shiv Baba is raining the rain of knowledge. Baba writes to everyone: Be cautious before bringing someone with you.

Slogan: Experienced souls can never be influenced by the atmosphere or the colour of the company (sang ka rang).

Points to churn from the slogan:

With the power of determination, we, the souls, the master almighty authorities, make the impossible possible... we are the children of the Bestower who share and donate the infinite treasures received from the Father to our relations and connections every day, and use them in a worthwhile way...we are the samples and examples, the most elevated servers respectful to all, who do service through our words, through our connections, through different facilities and instruments, and who donate every virtue and make others virtuous, and colour others with our company...

By remaining beyond all limits, detached from the body, gross feelings, attachments, inclinations, influences and intentions, we become the fragrant spiritual roses in full bloom, who experience an avyakt stage, unlimited and unshakable love of the Father, and the love of the Brahmin family...

We are free from the consciousness of the body, free from the attractions of its connections and relationships, material possessions, material comfort, facilities and wealth...we are the loving and co-operative children who fill our hearts fully and imbibe the number one love of Baba's heart, God's powers, God's love and Godly knowledge...by being the children of the Almighty Authority Father, we are the master almighty authorities, who are maya proof and free from attachment, inclination and influence...

We are the perfect angels flying in the flying stage, with no connection to the old world...we break all the gold and silver, small and big, subtle and gross strings of attachment to the attraction of our likes and desires, and are beyond their influence and inclination... by donating powers with our mind, knowledge with our words and virtues through our actions, we become great donors... we are the bestowers of blessings who give blessings and become blissful... we are experienced souls are never influenced by the atmosphere or the colour of the company...
