

Synopsis: Sakar Murli October 18, 2014

1. Baba is the **Highest on High**. He is our Teacher; He sits in the body of Brahma. He is the Father and also the **Boatman** who takes the boat across. He is also called the **Guru**. He is removes us from this ocean of poison and takes us to the ocean of milk.
2. Only the Father comes and gives this knowledge because He is **knowledge-full**. He is the living **Seed** of the human world tree. There is no mention of hatha yoga in the Gita. Only Raja Yoga is mentioned in it. You come here to claim a kingdom. Baba is purifying us with the power of yoga and making us into the masters of the world.
3. The Father says: I am also **Janijananhar** (The One who knows everything. People stumble from so far away to drink the nectar from the Gaumukh. The Father says: Remember Me. This is called the fire of yoga. This is Raja Yoga. You are Raj Rishis. Pure ones are called Rishis. You become pure in order to attain a kingdom. Only the Father tells you the whole truth.
4. This is a play. All the actors definitely have to be here. The incorporeal world is the home of souls. The subtle region is a matter of divine visions. The golden, silver, copper and iron ages only exist here and it is here that you play your parts.
5. You should have today and tomorrow in your intellects very clearly. Yesterday, we were in the golden age, and, having taken 84 births, we have come into hell today. You were ornaments of real gold and that, after alloy was mixed into you, you became false. How can that falsehood be removed? In the furnace of the pilgrimage of remembrance. It becomes real gold in the fire.
6. After experiencing sorrow, everyone has reached the end. The whole tree has reached a state of total decay. Make yourself light. All bondages will then break. Then the Father will take everyone back. This is God's bridal procession.

Slogan: With your pure and elevated (shubh va shreshth) vibrations, change a negative scene into a positive one.

Points to churn from the slogan:

By considering God to be our Father, by considering ourselves to be souls, and by being in the stage of Manmanabhav, we, the souls, do a lot of subtle checking...we renounce the consciousness of "mine", remove all internal vices, old sanskars, defects, weaknesses, rubbish, become full of all divine virtues, and become the masters of heaven through the world father and world mother...we spread the unadulterated vibrations of pure feelings and good wishes in the atmosphere and environment, finish waste and the burden of sins through the power of yoga, find solutions for reasons and excuses, and in the flying stage, stay close with the Father, sit personally in front of the Father, and become complete, perfect, powerful, and equal to the Father...

We, the souls, are world servers... we do service through our body-mind-wealth, thoughts-words-actions, breath-time-thoughts, dreams-relationships-connections, our stage-attitude-vision and activities-behaviour-face...with pure thinking, pure words, pure actions, pure thoughts, pure feelings and pure wishes for all, we spread pure vibrations in the atmosphere and the environment...we are the great donors, great bestowers of blessings, world transformers, and so the world benefactors...

We, the imperishable, indestructible immortal souls, are the Parvatis who listen to the story of immortality from the Lord of Immortality and become the masters of the land of immortality...we are the angels of knowledge who spread pure vibrations in the Court of Indra...we are the gopis of Gopi Vallabh, madly in love with the murli ...we are the Sitas of the One Ram...we are the elevated Shiv Shakti Pandav army who, by following the directions of Rama, go to the kingdom of Rama...
