“Determined thoughts the Father made you have for the New Year”

It is said that the world was created through the thought of Brahma.

Brahma’s Thought: When are the gates of liberation going to open? Unless Brahma opens the gates of liberation, the other souls can’t go to the land of liberation. Should I unlock them now?

The Father asked: Is the rosary of the elevated victorious jewels - those who are Brahma Baba’s companions, who play their parts with Brahma Baba in different forms and relationships ready? Why did Brahma have this thought? Do you know this secret?

The hand (of the clock) is Brahma Baba. Know what time it is from his thought. On the unlimited clock, when establishment is completed, the “hand” automatically shows that it is time for the bell of destruction to chime. Be ever ready for this completion.

Effort to become ever ready:

1. In order for you elevated victorious jewels to fulfil this thought of the Father’s, you have to speed up the machinery of liberating souls in a second with your special form of master almighty authorities.
2. Together with making your own form powerful, bring about a powerful form of service.
3. Liberate souls for birth after birth in one second from the bondage of Maya, and from the many types of sorrow they experience because of Maya.
4. The last effort-making souls, extremely weak souls, wandering around the whole world don’t have the courage to make any more

effort. Give them legs to walk, that is, you have to give them courage. Give those souls the blessing of peace and happiness for all time, thus enabling them to reach their destination.

5. Finish your own queue. Change the language of “Why?” and “What?” There should be just one language. Your language of thoughts and words should be just of giving blessings; **the part of being an image that grants blessings is needed even more than the part of giving knowledge.**
6. Be an image that grants blessings and give a lecture showering blessings on everyone. **The experience of whoever hears you should not be of hearing a lecture, but of being showered with flowers of blessings.**
7. To have all relationships fulfilled by One is your destination. Constantly keep your final angelic form in your awareness; become detached and free from bondages from all sides. As is your awareness, so will be your stage.
8. Remember, “Wah dramal Wah!”, and remain constantly happy about your efforts. Others will then automatically be served through you.
9. Constantly to have the awareness of “BapDada, BapDada” like a rosary on your lips and in your thoughts and transform the land by dropping the Godly bomb.
10. Use your own powers to enable souls to become powerful and attain something. Remain constantly immortal by becoming an embodiment of the blessing of becoming immortal, and make others immortal. Constantly keep the urn of nectar of knowledge with you and quench the thirst of those who are thirsty, and make them immortal. Only then will you be able to inaugurate the gates of liberation with Father Brahma.
