

## Synopsis: Sakar Murli October 10, 2014

1. God is the **Highest on High**. He is the **Incorporeal One**. Shiv Baba is neither a human being nor a deity. He is called the **Supreme Soul**. He doesn't become impure or pure.
2. No human being can be the Guru of the world. Only the One is called the **Ocean of Knowledge, the Guru of the World**.
3. God alone is called the **Purifier**. He has to come at the most auspicious confluence age. To make everyone pure is the task of God alone. He also purifies the elements; such is His part in the drama.
4. The Father becomes the **Instrument**. He is the **Bestower of Salvation** for All. When an inauguration takes place, a telegram is sent to people: Before the forthcoming destruction, come and know the unlimited Father and claim your inheritance from Him.
5. Only the directions of God are said to be legal directions. Human directions are said to be illegal directions. You become elevated through legal directions. The most illegal work is the evil spirit of lust. There is the evil spirit of body consciousness in everyone anyway. Those who defame the **Satguru** cannot attain a high status.
6. A blessing is not something to be asked for; it is something for which you make effort. The more remembrance you have, the more blessings you receive, that is, you receive a higher status.
7. The Father is bodiless, without an image. Therefore, children too are without images. We souls are without images, and then we enter images (bodies) here. The Father says once again: Become without an image. Stabilize yourself in your original religion. Do not stabilize yourself in the religion of your image. Stabilize yourself in the religion of being without an image. Do not become body conscious.
8. Salutations to the Supreme Soul Shiva. So, God is the greatest. All flowers including uck flowers are offered to Him. Some of the Father's children become flowers and others become uck flowers. There are those who pass and those who fail. "Salutations to the Supreme Soul" when referring to human beings is total ignorance.

**Blessing: May you be constantly victorious on the basis of your determined faith (dridh nishchay) and remain loving to Father Brahma.**

Victory for those who have firm faith cannot be prevented because of their faith. No matter how much the five elements or souls oppose you and they will oppose you, on the basis of your unshakeable faith, you will be able to merge that opposition with your power to accommodate. There can never be fluctuation (halchal) in your faith. Only those victorious children who remain unshakeable are loving to the Father. Loving children remain constantly merged in the arms of Father Brahma.

Today, from the blessing we can also infer:

Determination is the key to success. Success is not guaranteed for the undecided and weak. Success is for those who have the dogged determination and stamina and tenacity in pursuing their object, and not giving up on it for any reason whatsoever.

“The souls and the Supreme Soul remained apart for a very long time... a beautiful mela was created when the Satguru met with the dalal (broker, Brahma Baba)”. Have faith in Baba, in the self, in the drama, in the Brahmin family, in the knowledge, in the four subjects, in every word spoken by Baba, and in your future status. By having full faith in the intellect, you will experience the greatness of life, a guaranteed victory and a carefree stage.

You are Brahmins, the mouth-born creations of Brahma. You are the rivers that emerge from the Brahmaputra River (Brahma) at the diamond like confluence, and meet the Father, the Ocean of Knowledge. You sit personally in front of the Father and listen to the essence of the Vedas and the scriptures from the mouth of Brahma, and become master oceans of knowledge, like the Father. With faith in the True Father, in the teachings of Raj yoga, in the time of the confluence age, in going to the land of peace with the Father and then going to the land of happiness, you remain constantly merged in the arms of Father Brahma and become the beads of the rosary of victory of Vishnu.

**Slogan: In order to attain the key to all treasures (sarv khajaanon ki chaabi), become experienced in God's love.**

Points to churn from the slogan:

God Himself has chosen us... we, the souls, having found the Unlimited Father, and by keeping the diamond key of the word "Baba" with us, attain unlimited fortune of the kingdom, and unlimited treasures...with unlimited spiritual intoxication, we experience and give others the experience of super sensuous joy ... with our name mentioned in God's dictionary of "Who's who", we are prosperous, have the fortune of happiness and good kismet that radiates on our face...

We are the number one moths (**parvaane**), the light houses and might houses equal to the Flame (**shama**)...we adopt the form and powers that are equal to the Father's, merge all the Father's treasures within ourselves, that is, we merge in the Father and totally die alive...we do not have concern for ourselves, that is, we have no concern of body consciousness, of day or night, of hunger or thirst, of our own physical comforts, of rest or of anything else...we are the form of light and might, ignorant of the knowledge of desire, who die alive and are constantly merged in the love for the Flame...

By saying "Baba" from the heart, we attain instant happiness and powers...we are the unlimited great master bestowers full of all attainments, who, by saying "Yes, indeed, my Lord," make the Lord present, and by constantly saying "Yes, indeed" for service, give the real proof of love...by constantly remaining full of the treasures of powers, virtues, knowledge and happiness, and with the intoxication of being full, we become the incarnation of powers (**shakti avtar**) , take the contract to straighten the crooked and make the crooked path straight...
