

## Synopsis: Sakar Murli October 31, 2014

1. The Father is the **Seed** of the kalpa tree. This is the corporeal tree and up above is the incorporeal tree. Its foundation is the deity religion and then three main tubes (religions) emerge. The whole tree is now standing, but the foundation no longer exists. The example of the banyan tree is absolutely accurate. This is the only wonderful tree.
2. **Spiritual Shiv Baba** explains to His spiritual children about the third eye. His vision is drawn to the souls of the whole world because He has to take the whole world beyond. Everyone else will receive liberation but you will receive liberation-in-life.
3. There is knowledge in the Father's intellect. He gives you all the knowledge and makes you equal to Himself. This is an unlimited, huge drama. All the actors will continue to be here until the play is over and for as long as the Father is here. Then, when that place (soul world) is completely empty, the procession of Shiv Baba will return home. No one will go and sit there before that.
4. He is the Father, the Teacher and the Satguru. Remember Him in all three forms. This is Raja Yoga. We are establishing a world of limitless happiness with the power of yoga. The Father Himself says: I make you into kings of kings and so you should remember the Teacher who makes you become that. Souls have to have yoga with the Father, the Supreme Soul, the One from whom you have been separated for a long time. The Father shows you many methods to remember Him.
5. You know there are four ages and this is the leap age. This is called a midget. Krishna has also been shown as a midget. At the time of going to sleep at night, churn these things and there will be great happiness that this is what you are becoming. Examine yourself to see if you performed any devilish acts throughout the day.

**Slogan: Only those who show the Father's character (seerat) through their own faces (surat) are loving to God. (Parmaatm snehi)**

Points to churn from the slogan:

I belong to the One Father and none other...say Mera Baba with all your love and all your heart... by constantly remaining combined with the Father, and saying "My Baba" with love, we, the souls, attain all Godly rights... we are the loving and co-operative children who fill our hearts fully and imbibe the number one love of Baba's heart, God's powers, God's love and Godly knowledge... by belonging to the Supreme Soul, by being lost in the love of the Supreme Soul, by being intoxicated in the love of the Supreme Soul, by being absorbed in the love of the Supreme Soul, we forget the world of sorrow, and get all desires fulfilled... we remember Alpha with a lot of love, and surrender to the Flame...

By remaining beyond all limits, detached from the body, gross feelings, attachments, inclinations, influences and intentions, we become the fragrant spiritual roses in full bloom, who experience an avyakt stage, unlimited and unshakable love of the Father, and the love of the Brahmin family...

With our face and personality like those of the Father, we are constantly spiritual, and all the powers attained from the Father are visible... with our every look, we take souls beyond with a glance through spirituality...in the incorporeal stage we are seated on the immortal throne and become the image of immortality...in the corporeal karma yogi stage we are a trikaldarshi image seated on the Father's heart throne...before putting thoughts in a practical form, we stabilize in the incorporeal and the corporeal form, become an embodiment of power, and experience health, wealth and happiness at every moment...we are detached observers who take the nourishing medicine of happiness by being happy due to being free from the suffering of karma for birth after birth in the future...we are carefree emperors of the land free from sorrow who, like the Father, are the removers of sorrow and the bestowers of happiness for all souls...
