

## Synopsis: Sakar Murli November 05, 2014

1. The Father is the Father, the Teacher and the Satguru. Remember Him in all three forms and you will receive all three inheritances.
2. The Father's duty is to put His children on his head (to make His children even higher than Himself). The Father has come here to decorate you children with purity and also give you limitless wealth. He gives you wealth for the new world. Your study is for the new world, for the land of immortality.
3. You have to give the Father's introduction. He is the unlimited Father, the Supreme. Only one is the Supreme and He is called God. He is knowledge-full, and so He teaches you knowledge. This Godly knowledge is your source of income. Knowledge too is of an elevated level, a middle level or a low level. The Father is the Highest on High and so the study is also the highest on high. The status is also high.
4. In the supreme region, there is just the Father and brothers; there is no other relationship. Here, there is the father, brothers and sisters. At this confluence age, you belong to Prajapita Brahma and so you are brothers and sisters. When you remember Shiv Baba, you are brothers.
5. Baba has said that the subtle region is just for visions, whereas the whole history and geography is of here. History is of those who lived and geography is of non-living things. The soul is living and the body is non-living.
6. Those with faith will definitely experience a lot of happiness. Since all of you have faith, you should also all have divine virtues. To have faith in the intellect means to be threaded in the rosary of victory, and that also means to become an emperor.

Slogan: Every task is possible (sambhav) for those who have the power of determination (driddhta ki shakti) in their thoughts.

Points to churn from the slogan:

With the power of determination, we, the souls, the master almighty authorities, make the impossible possible... we are the children of the Bestower who share and donate the infinite treasures received from the Father to our relations and connections every day, and use them in a worthwhile way...we are the samples and examples, the most elevated servers respectful to all, who do service through our words, through our connections, through different facilities and instruments, and who donate every virtue and make others virtuous, and colour others with our company... we are the great donors, the bestowers of blessings, the great renunciates, the world servers, the world transformers, the world benefactors, the world emperors, the great gyanis, the great yogis, the great co-operative souls, who do service through our body-mind-wealth, thoughts-words-actions, breath-time-thoughts, dreams-relationships-connections, our stage-attitude-vision and activities-behaviour-faces...

A faithful intellect is victorious...with the special blessing of the confluence age, we make the impossible possible...instead of thinking “how (kaise) will it happen?” we think that “it will happen like this (aise)!” ... with faith and a determined thought that it is already accomplished and we have to put it in a practical form and repeat it, we attain success easily...we are the karanhars (ones who perform) who finish the consciousness and the ego of the body with the awareness of the Karankaravanhar (the One who inspires) ...we are the masters of the world of the golden age with ignited lamps, where there is constant happiness and celebration of diwali...

Whatever actions others see us perform, they will do the same... By being generous hearted in service, by using the right methods to attain success, we, the big hearted souls, are the samples and examples of making the impossible tasks possible... by belonging to God, by following the Godly directions, and by making effort, we attain a high status...with determination, we are free of anger, free of attachment and free of greed, and interact with each other like milk and sugar ...we do service without being told, with a true heart, cool mind and an easy nature...we follow orders, are obedient, faithful, trustworthy, and very interested and enthusiastic about doing service...
