

Synopsis: Sakar Murli December 24, 2014

1. The Father is the **Seed** of the human world tree. The Seed has the knowledge of how our tree grows and how it is then destroyed. You are now sitting here in order to plant the sapling of the new world, that is, to plant the sapling of the original, eternal, deity religion.
2. The Father is remembered as the **Bestower of Salvation for All**, the One who gives happiness to everyone. You see both souls: Bap and Dada. You now have the knowledge of who is called BapDada. Once you receive knowledge, your veils are removed.
3. It is remembered that souls remained separated from the Supreme Soul for a long time. The Father, who was above, has also now come down in order to charge everyone's battery. You should not sit here with your eyes closed but continue to look at the Teacher in front of you. You must not yawn. Yawning is a sign of sorrow.
4. The Father says: I have come to teach you Raja Yoga. You are bodily beings whereas I am a bodiless One who resides up above. You say: Baba, come and purify us! This means that you must be impure.
5. Yoga means to remember the one who is teaching you. That One is the Father, Teacher and the Satguru. You have to remember Him accurately in all three forms. The Father is the **Almighty Authority**. It is from the Father that you receive power. To remember the Father is also a study. Through this study, you will become the masters of the Temple of Shiva. **This is your aim and objective.**
6. It is said: Consider whatever has passed to be the past. Whatever happens is predestined. This play is in your intellects and you are all actors in this play. The parts of our 84 births are accurate and imperishable. These words are also mentioned in the Gita. When the original, eternal, deity religion was being established, the Father said: Renounce all your bodily religions and consider yourself to be a soul and remember the Father. The Father has very clearly explained the meaning of "manmanabhav". This is the language He uses. After this knowledge, destruction will take place. Destruction does not take place when the other founders of religions come.

Blessing: May you be co-operative with all by being a practical and visible sample who puts the practical qualifications for your aim of becoming equal to Father Brahma.

Father Brahma made himself an example of an instrument and constantly put into himself the qualifications for his aim; one who takes the initiative is Arjuna. He became number one through that; so, follow the father in the same way. Through action, constantly be an image of virtues in your life, become a practical sample and give others the co-operation of easily imbibing virtues: this is known as the donation of virtues. The meaning of donation is to give co-operation. Instead of listening to things, all souls now want to see the practical proof. So, first of all, make yourself an embodiment of virtues.

Points to churn from the blessing:

We, the Brahmin souls, are the most elevated fortunate souls, who attain auspicious blessings from every soul and remain stable in the stage of unlimited good wishes and pure feelings...we constantly have faith and intoxication, which shows on our face, mannerism and behavior...by observing scenes in our subtle forms, we are loving and detached...we are the number one show pieces in the show case of the world...we are samples and examples...we are beyond influence and remain safe...we are unwavering, immovable and unshakable by being economical and taking the name of only the One...

By remaining simple and becoming a sample and an example while doing service, we, the special deities, the eight-armed deities the most elevated and great deities, pass in the final exam with honours...we are obedient, faithful and trustworthy... we make our powers function according to our orders, and with the authority of being a master almighty authority we become the master creators having all powers come in front of us in the form of a creation... we are the embodiments of power who have our powers say “present my lord or yes, master lord” and put them in practical use as per to our orders...
