

## Synopsis: Sakar Murli December 31, 2014

1. You have had a love marriage. That One is the **Husband of all husbands**. All of you say that you are betrothed to Shiv Baba. Internally, you should be thinking about how much Baba is adorning you. Shiv Baba adorns you through this one (Brahma).
2. The Father says: Whether you think the directions are good or bad, you should consider them to be the Father's directions; you have to follow them. **Even if there is a mistake in them, Baba will rectify that mistake because He has that power.**
3. Remember the **Seed** and remember the tree. The Father says: Remember Me whilst you are preparing food. No one else is able to receive food prepared in remembrance of Shiv Baba. The Brahma bhojan that is praised is of the present time.
4. You are not only sitting on the pilgrimage of remembrance, but you also have the spiritual intoxication (**fakhur**) that you are establishing your land of angels (**Paristhan**) by following shrimat. You should have so much happiness and enthusiasm. All useless things and rubbish should have been removed by now.
5. It is said: "If you want to know about supersensuous joy, ask the gopes and gopis." You have now found the Father, and so it is as though your boat has gone across. Those who clearly recognize and understand Baba would start to fly. Those who have moved away from **that** world are now enlightened with knowledge.
6. Baba says: Children, first of all, remove your own weaknesses. Check yourself: How many defects do I have? Maya makes even great maharathis into salt water. Here, you have to remain very introverted.
7. People speak of knowledge (**gyan**), devotion (**bhakti**) and distaste (**vairaagya**). These terms are first class. Knowledge is the day and devotion is the night. Your thoughts should be very royal. Baba explains: Children, you must not have any wrong type of intoxication. Each of you should examine yourself to see what qualifications you have and how much you are studying and helping. You have to put into practice what you talk about. You should not just tell tall stories.

Slogan: Only those who have true love for one God become victorious jewels.

Points to churn from the slogan:

By subtly checking our thoughts, words and deeds in all four subjects, we, the souls, the victorious jewels, become the embodiments of success, same as the Father...by being beyond prestige and the influence of distress, and by stabilizing ourselves in an elevated stage, and by observing the play of everyone down below as detached observers in a soul conscious state, we become the embodiments of solutions...we remain unshakable in spite of upheavals in the environment, from other people, through relationships, and through lack of essential facilities

We, are the world servers, world transformers, and world benefactors...we make effort for the self with a big heart and also inspire others ...we challenge maya and become the conquerors of the mind, the conquerors of maya, the conquerors of the five elements, and the conquerors of the world...we are the victorious jewels who fly and make others fly on the wings of zeal, enthusiasm, co-operation and courage...

With our mind free from disease, we, the souls, are constantly healthy...we remain cheerful while lying on a bed of snakes like Vishnu and churning knowledge, and with the churning power delve deeper into the ocean...by being a karma yogi, we do not experience any suffering of karma, and, with our stage of being a karma yogi, we gain victory over the suffering of karma and become victorious jewels...

Together with the closeness of time, we, the souls, make ourselves equal to the Father...we come close to Him by being equal with the Father in our thoughts, words, deeds, sanskars and service... we constantly experience the Father's company, co-operation and love in every thought.. we constantly experience the Father's company with our hand in His hand and come in the first division...by having constant remembrance and full love for the Father, we become victorious jewels in the rosary of victory...
