

SYNOPSIS: JANUARY 12, 1979

A treasure-store of the treasures of happiness you have received from the Father, the Bestower of Blessings. (Vardata Baap)

The greatest treasure of all is the treasure of happiness.

1. You celebrate a meeting with the Creator of the World, the Bestower of All Treasures, the Bestower of All Blessings and the Seed in whom the whole tree is latent. The foremost happiness is at amrit vela when you celebrate meeting the Father in all relationships.
2. You are the long-lost and now-found, elevated souls whom God, Himself, comes from the Supreme abode to teach. He comes from beyond this physical world; He doesn't even charge you any fees! The reward of this study is the self-sovereignty of heaven.
3. At the time when you are doing some karma yoga, whether it is lokik or alokik, the Almighty Authority is fulfilling His responsibility to you at every moment as your Friend. He fulfils His responsibility in the form of your Friend and sometimes in the form of your combined Partner. He does this in His unique form of your Partner and constantly tells you: Give Me all your burdens and you will remain constantly light. Whenever you have anything difficult to do, surrender it to Me and the difficulty will become easy.
4. If you want to see something, then look at heaven or the greatness of the confluence age. Watch the drama of the alokik story of your task and the Father's task.
5. If you want to take a tour, tour the three worlds.
6. If you want to adorn yourself, then adorn yourself with the details of every virtue.
7. If you want to watch a drama, watch the drama of 5000 years.
8. If you want to study history, study the history of your 84 births.
9. If you want to have a heart-to-heart conversation, then talk as a spirit to your Creator, the Father of the spirits.
10. After preparing food and before eating it, you first have to offer it to Baba and make the most Beloved accept it. Prepare food in the

awareness of who it is you are going to feed! The Father constantly dines with you. Baba eats with you and sits with you; at meal times remember the slogan: I eat with You alone.

11. Before you go to sleep, share your news of the whole day with Him, either in the combined form or in His form of your Father. Give Him today's news and take inspirations for the next day's elevated thoughts and deeds. To exchange all the news means to become light.
12. Use the key! Refresh your memory again and again as to what treasures you have received and what key you have to unlock them. Put into practice what you know.

An angel means: one who has all relationships with the one Father. *Those who have all relationships with the one Father would experience all other relationships to be just in name.* They would be constantly dancing in happiness. Those who have the stage of being equal to the Father would be tireless; they would be constantly deeply absorbed in love of the Father and service.

Complete and Perfect: *All the complaints of complete souls finish.* To become full (**sampann**) means to become content (**santusht**). It is the lack of some attainment (**apraapti**) that gives birth to discontentment (**asantushta**). A master almighty authority (**sarv shakti maan**) means one who has become completely full (**sampann swaroop**). As is your aim (**lakshya**), so should be your qualifications (**lakshaan**).

Whatever act you perform, first check whether it is the same as that of the the Father. If it isn't what He would do, then cut it there and then; do not carry on! If anything you do is not elevated, but just ordinary, then change it and make it elevated. **In this way, you will become completely full and equal to the Father.**

The praise that is sung for the deities, “Nothing is lacking in their treasure-store”, does not apply to the deities, it is the praise of you Brahmins.
