

SYNOPSIS: JANUARY 08, 1979

Souls who are close in being equal to the Father at the confluence age will also have a close relationship in the future. (sangam yug men samaanta men sameep bhavishya sambandh men sameep)

To be with him in the first birth is the first number reward.

BapDada sees two futures in each one's eyes.

1. One is the future of the confluence age, that is, the future of becoming equal to the Father.
2. The other is the future of the first birth, that is, the future of heaven.
3. Here, you will be close in becoming equal to Him and there, you will be close in your relationship.

The lift of the present confluence age is the lift of a divine intellect. All of you have received the **gift of a lift** of the intellect from BapDada.

1. The special way to use this lift is to be careful at amrit vela and accurately set the switch of your awareness, so that it continues to work automatically throughout the day.
2. It is a very powerful and easy gift of a lift. You can reach wherever you want in a second. This wonderful lift can go to all three worlds. As soon as you switch on your awareness, you can reach there within a second. With this lift, you can stay in whatever world you want and experience it for as long as you want.
3. By your using this lift with authority, it will never deceive you.
4. BapDada is also now giving you the gift of your future kingdom, the key to the gates of heaven. The key means to have all rights, that is, to be one who has all rights: to have the key of all rights means the gate is open.

Through which aspect can you recognize who will come in the first birth?

1. Those who have been unadulterated and free from obstacles from the beginning until now;
2. Those who would have encountered obstacles but would have overcome those obstacles and not been influenced by them.
3. To be free from obstacles doesn't mean that no obstacles will come to you. It means to be a destroyer of obstacles or victorious over those obstacles.
4. If everything is OK in both of these aspects from the beginning until now, you can become a companion in the first birth.

Follow Father: Brahma Baba was constantly a master of the self; he was never dependent on anyone or anything, but always had all rights over the self.

1. Such souls who follow Father Brahma, those who constantly have the thought in the corporeal form that self- sovereignty is their birthright: those who are such self-sovereigns will rule with him there too.
2. The number one regular and punctual Godly students here will also study with him there because Father Brahma is the number one Godly student.
3. Those who constantly swing in supersensuous joy with the father here will also swing with him there.
4. Those who dance in happiness of all attainments here will also dance with him there.
5. Those who experience the Father's companionship here by having similar virtues and sanskars and being close in all relationships will have a close relationship with the royal family.
