

## Synopsis: Sakar Murli December 23, 2014

1. Remember The Father, Alpha ! Alpha is said to be the most elevated. There is only the one God. All the rest are His children. He gives you knowledge. He also makes you His children. He is called the **Purifier**. Therefore, it is His duty to change the old world into the pure world. It is by remembering Alpha that you receive a kingdom.
2. Only the Father is the **Ocean of Knowledge**. You are now God's students. Deities do not teach you this. **You cannot become deities unless you become Brahmins.** *If you children don't recognize the Father, how can the Father recognize you?* Students churn this ocean of knowledge and make progress and extract nectar from it.
3. Everyone calls Shiva 'Baba' and remembers Him. Even Brahma is called Baba. Since he is the Father of the People (Prajapita), he is the father of all the people. He is also their great- great-grandfather.
4. It is even said that souls are egg shaped and reside in the brahm element, and that is why that abode is called Brahmand (egg shaped). You become the masters of Brahmand and of the world.
5. There is no devotion in the golden age and that you don't even receive knowledge in the golden age. Krishna neither does devotion nor plays the flute of knowledge. That flute means to give knowledge. This flute has the magic of knowledge.
6. You children have to glorify the Father's name. Your faces should remain constantly cheerful. Only jewels should constantly emerge from your lips. The rosary of nine jewels is not one of jewels and diamonds; it is a rosary of living jewels. It is only at this most auspicious confluence age that the rosary of jewels of knowledge is created. You must finish your arrogance here. Each of us is a soul, and a soul has no money or diamonds or jewels.
7. You are now Brahma Kumars and Brahma Kumaris. Shiv Baba doesn't adopt anyone. All souls are eternal and imperishable. All souls receive their own bodies and their own parts which they have to perform. This part is an eternal and imperishable part which has continued from time immemorial. There can be no beginning or end to it.

**Blessing: May you move forward at a fast speed (tivr gati) on the basis of powerful remembrance and service and thereby become a conqueror of Maya.**

The basis of Brahmin life is remembrance and service. When the basis of both of these is powerful, you will continue to move forward at a fast speed. If there is a lot of service but remembrance is weak or if remembrance is very good but you are weak in service, there cannot then be a fast speed. There has to be a fast speed in both remembrance and service. When both remembrance and altruistic service take place simultaneously, it is then easy to become a conqueror of Maya. Victory should be visible in every action, before that action finishes.

**Points to churn from the blessing:**
