

Happy Satguruvaar: Synopsis: Sakar Murli December 11, 2014

1. The Father is the **Living Seed** of the human world tree, who has all the knowledge of the whole world. This is the living creation. How the new tree then emerges is *incognito*. The Father comes in an *incognito* way and also gives you this knowledge in an *incognito* way.
2. There are so many books of devotion but only one book of the one **Ocean of Knowledge**. The first religious book is the Gita, the jewel of all scriptures. (sarv shaastr shiromani)
3. This is called the study of Alpha and beta. Baba explains everything so easily! Remember Me and your intellects will become golden vessels and you will be able to imbibe this knowledge very well. Only by staying on this pilgrimage of remembrance will your sins be cut away. When you don't listen to the murli, the knowledge disappears (becomes rafoochakkar) from your intellect.
4. Krishna cannot be called God because he is a bodily being. Krishna has a crown, whereas Shiva is incorporeal and has no crown etc. He alone is the Ocean of Knowledge.
5. The first religion is the original, eternal, deity religion, not the Hindu religion. This is called the ancient Raja Yoga of Bharat.
6. In Bharat especially, devotees bow down to kumaris! They do not bow down to kumars. They bow down to females more than males because the mothers are given the nectar of knowledge first at this time. You mothers, who give knowledge, are not worshipped; you are studying and are now becoming deities.
7. Brahma Baba is the great river of knowledge and also a male. Because they call brahm 'God' they believe the Brahmaputra River to be pure. In fact, the Ganges cannot be the Purifier. This meeting here is of the Ocean and the river Brahma. The Father says: This one, through whom adoption takes place, is not female.
8. *Christians believe that Paradise did exist, but they themselves didn't exist at that time, nor did those of Islam or the Buddhists.* The Father only comes in Bharat and makes those who are the most senseless into the most sensible ones. However, that is only when you remember Him!

Slogan: Only those who imbibe virtues (gun) themselves and then donate virtues to others (gun daan), are embodiments of virtues (gun moort).

Points to churn from the slogan:

In this leap age, in the confluence age, in the auspicious (purushottam) age, we, the souls, make elevated (purushottam) effort (purusharth), become free from the bondages of karma and become the most elevated human beings (purushottam)...we become full of all divine virtues, sixteen celestial degrees full (sarv gu n sampann, solah kala samporn), extremely prosperous and happy deities...by conquering Ravan and our vices, we become the conquerors of maya and thereby conquerors of the world (maya jeet, jagat jeet) ...

Having received the blessings of : “May you be pure, may you be a yogi”, as soon as we take alokik birth through Brahma, we receive sustenance in the form of love and purity from the senior mother ...we constantly swing in the swing of happiness, and hear the lullaby of becoming the embodiment of all virtues, the embodiment of knowledge, and the embodiments of happiness and peace...by keeping the importance of this life in our awareness, we the elevated children, the Brahmakumars and the Brahmakumaris, play our special parts, our hero parts, on the unlimited stage of the world...

With a planning intellect, we are the embodiments of success...by enabling others to attain something through love, cooperation, courage, enthusiasm, and by giving them all powers, we claim the certificate of contentment from everyone...we are maharathis full of all divine virtues, qualities and specialities, with the power to mould ourselves and become real gold...

With the gift of a special lift of incognito help from the Father, with His special co-operative vision, we have the special experience of attainment and the treasure of happiness...we are world benefactors who have a right to BapDada’s heart-throne...we reveal BapDada, reveal all the Father’s virtues in a practical form, use all our powers for service and are equal to the Father....
