

## Synopsis: Happy Satguuvaar! Sakar Murli December 18, 2014

1. The **Innocent Lord**, God Shiva, speaks (**Bholanath Shiv Bhagwaanuvaach**) through the lotus lips of Brahma (**Brahma mukh kamal**). I have been called the One who inspires yoga, the One who fills your aprons, the One who removes all sickness. I have come in Bharat. Because Krishna's name was put in the Gita, people don't know when Shiv Baba came.
2. The Father says: I am your **Servant (Gulaam)**. My duty is to make you children constantly happy. The Father comes as your **Guide**. The Father is remembered as the **incorporeal One** and the **egoless One**.
3. All of you are Parvatis. I am relating the story of immortality to you. You are now listening to the knowledge of the beginning, the middle and the end and you then relate it to others. This is called blowing the conch shell (**shankh dhvani**). You don't have to hold any books; you simply have to imbibe these things. You are the true spiritual Brahmins, children of the spiritual Father. **Bharat is changed into heaven through the true Gita**. It's up to you whether you reserve a sun-dynasty seat or a moon-dynasty seat.
4. The Father is called the **Truth**. I tell you the truth through which the age of truth, the golden age, is created. From the copper age onwards, you have been listening to falsehood. This is that same Mahabharat War. You **do** have to make effort to change into deities, which means the masters of heaven again. There is no question of a physical war in this. *There was never any battle between the devils and the deities.*
5. Sannyasis believe that brahm is God. The Father says: That is their imagination (**bhram**). Souls reside in their oval form in Brahmand, in the brahm element. Maya, Ravan, has no form. **No one is able to see Ravan. He is understood with the intellect. The Father is also understood with the intellect.** Saccharine (sweet essence) of everything is "Manmanabhav!" Baba says: Remember Me! Then through this fire of yoga, your sins will be absolved. This is Shiv Baba's treasure-store (**bhandaara**), and so you should offer bhog to Him in remembrance of Him.

**Blessing: May you be an altruistic server (niswaarth sevaadhaari) who experiences supersensuous joy (atindriya sukh) through instant, visible fruit**

In the golden age you will receive the fruits of the actions you performed at the confluence age, but you receive instant fruit as an inheritance from the Father here by belonging to Him. As soon as you do service, together with the fruit of that service, you also receive instant happiness. Those who stay in remembrance and do service altruistically definitely receive instant, visible fruit. This instant fruit is fresh fruit that makes you ever healthy. The fruit of accurate and yogyukt service is happiness, supersensuous joy and the experience of being double light.

**Points to churn from the blessing:**

The Lord is pleased with an honest heart...We, the elevated souls, are truthful, honest, clean, clear and transparent in our relationships and connections, thoughts and words, and are successful by being beyond wasteful and the ordinary...in our every step, every moment, and in every vision, we only see altruistic service for all souls...we do service while awake or asleep, while walking or moving around, and even in our dreams, and fulfill all the desires of all souls... we become victorious by making the elements subservient and our servants...by being tireless and unshakable servers, we become seated on BapDada's heart-throne, with a guarantee of claiming the throne of the kingdom of the world...

By renouncing the consciousness of the body, the relations, connections and facilities, the material possessions, the comforts and individuals, and remaining in the remembrance of the One Father, we become self sovereigns and so the world sovereigns..we are the karmayogis seated on the immortal throne, that is, we are the masters of the self who have a right to the Father's inheritance of the fortune of the kingdom...by being constantly seated on the immortal throne, we keep our physical senses under law and order and perform elevated and accurate actions, and eat instant fruits of joy and power, and by loving the Brahmin culture, we are loved by the Father Brahma...
