

## Synopsis: Sakar Murli January 26, 2015

1. BapDada is the highest and yet He remains simple. He is incorporeal and egoless. He is the unlimited Bapuji of everyone in the world. Only the one Father is the Truth. It is said, "God is **Truth**". He is giving you true teachings to change you from an ordinary human into Narayan. The Father says: Remember Me and imbibe divine virtues. You have to remove all devilish traits.
2. Your war is against Ravan, the five vices, who rules the kingdom of the entire earth. This is your army. That Lanka is a small island whereas this world is an unlimited island (Lanka). By following the unlimited Father's shrimat, you liberate everyone from Ravan's jail.
3. It is not that you have to stand still because of the drama and think that you will receive it if it is in the drama. You have to continue to make effort for everything. Whatever effort you make, second by second, is for your reward. You have to make unlimited effort in order to have unlimited happiness.
4. The Father has come as your **Obedient Servant**. Only the one Father is the true **altruistic Server**. You are Government servants, and Bharat's most valuable servants. You are creating the divine Government, a pure land, the land of happiness, through the Father, in an incognito way. You are the most obedient servants; by following shrimat, you are doing the most elevated service of Bharat with your bodies, minds, and wealth.
5. The Father says: You have all become ugly by sitting on the pyre of lust. Krishna is also called "The ugly and the beautiful one." The Father shows many wonders and He also explains the knowledge to you. He is making you into flowers from thorns.
6. Krishna is called a yogi. He is the true mahatma. It is his praise of being full of all virtues etc. that is sung. Both the soul and the body are pure, religious and righteous, and 100 % solvent and ever happy.
7. Bapu Gandhiji also wanted the kingdom of Rama to come. No human being is able to create the kingdom of Rama. ***You are once again making Bharat into the kingdom of Rama, which Gandhiji wanted.***
