

## Synopsis: Sakar Murli January 24, 2015

1. The unlimited Father is the **Purifier**, the **Ocean of Knowledge**. The task of the **highest-on-high** Father is also highest. **It is not that God is so all powerful that He can do whatever He wants; no.** This drama is eternally predestined. Everything happens according to the drama. The **Truth** means the One who speaks the truth.
2. This is the tower of silence, the holiest of holy towers. The **Holiest of Holy** Fathers sits here and makes the whole world holy. No one impure can come here. However, the Father says: I have come to purify all those who are impure. I too have a part in this play.
3. The Father sees the ones who are benefiting many others. They are concerned day and night to bring benefit to many. To bring benefit to many means to benefit yourself. It is those who bring benefit to many who will win a scholarship. ***This is the business of you children.*** You have to become a teacher and show the path to many.
4. The Father has explained that you will attain your karmateet stage at the end. Baba can very quickly tell whether your chart is accurate or not. By seeing your personality, your behaviour, the service you do and your happiness, Baba can very quickly understand what your chart is like.
5. It is only now that you can receive God's directions. The Father says: You now have to return home. Now claim your unlimited inheritance of happiness. These directions are not common.
6. When you have become pure, you will definitely need a pure world. At the end, because it will be the time of settlement, everyone's accounts will be settled. I have to inaugurate the new world for you, and then you continue to open branches. ***No one, except the Father, can lay the foundation of the new world of heaven.***
7. Although many become Brahmins, not all of them will come in the golden age; they will come at the end of the silver age. Baba has explained that there is no need for advisers there. Lakshmi and Narayan received shrimat through which they became that and so they would not take advice from anyone. Then, when they become impure, there is one adviser for one king and queen.

Slogan: Be a server and do altruistic (niswaarth) service and you will definitely receive the fruit of service (seva ka meva).

Points to churn from the slogan:

The Lord is pleased with an honest heart...We, the elevated souls, are truthful, honest, clean, clear and transparent in our relationships and connections, thoughts and words, and are successful by being beyond wasteful and the ordinary...in our every step, every moment, and in every vision, we only see altruistic service for all souls...we do service while awake or asleep, while walking or moving around, and even in our dreams, and fulfill all the desires of all souls... we become victorious by making the elements subservient and our servants...by being tireless and unshakable servers, we become seated on BapDada's heart-throne, with a guarantee of claiming the throne of the kingdom of the world...

We are the embodiments of knowledge, the embodiments of yoga and the embodiments of dharna, and so are the embodiments of success...by understanding the knowledge of the soul, the Supreme Soul and the drama accurately, we are never deceived...whether in a mela (fair) or in a jhamela (chaos), with clean and clear intellects we always remain double light ...we are the clean, polite, selfless, tireless, and unshakeable servers and the humble instruments of world renewal...we are the Godly students who show and use all the signs of the four subjects in a practical form...

By combining yoga with service, and with the consciousness being clean, humble and constructive instruments, we make plans for service with plain intellects, with good wishes and pure feelings for all... we do true service with love, service with everyone's blessings, with benevolent feelings, and do the number one service of revealing the Father through our faces and behaviour...we receive service from matter with the depths of the heart and with a lot of love.... by doing service with a big heart, we become the selfless world servers who sacrifice the consciousness of "I", attain huge instant fruits in service, and become world benefactors...
