

## Synopsis: Sakar Murli January 02, 2015

1. You are all now lovers of the one **Beloved**; all of you are devotees of the one God. He alone is the **Husband of all husbands** and the **Father of all fathers**. He makes you children into the kings of kings; He does not become that Himself. He is the **Ocean of Knowledge, the Ocean of Bliss**. This does not mean that He knows everything that is going on within everyone. Those who study occult powers (**riddhi-siddhi**) are able to tell you what is going on inside you. That is not the meaning of knowledge-full. The Father is called the **knowledge-full One**.
2. You have received two engines. One is incorporeal and the other is corporeal. The **Supreme Spirit**, the **Supreme Father**, the **Supreme Soul**, is teaching you. Both make effort to make you children worthy of heaven. All other studies are for the land of death, whereas this study is for the land of immortality
3. This is a play of victory and defeat. Always keep the three worlds in your intellects: **shantidham (the land of peace)** where soul reside, **sukhdham (the land of happiness)** for which you are now making effort and **dukhdham (the land of sorrow)** which begins after half a cycle.
4. The Father says: Do not forget the days of your childhood. The Father has adopted you through Brahma. A wife is adopted, whereas children are created. A wife is not called a creation. You receive the most elevated inheritance from the **highest-on-high Father**. First is God and then Lakshmi and Narayan, the masters of the golden age, are the second number. You are now becoming the masters of the golden age.
5. You have to become sticks for the blind and show them the path home because everyone has forgotten that home. The Father explains: Ravan has made you so blind!
6. The Father says: I fulfil whatever devotional feelings the devotees remember Me with. If they are worshippers of Ganesh, I grant them a vision of Ganesh. Meera has been remembered amongst the females and Narad amongst the males as the main devotees. Here, in knowledge, Saraswati is the main one. All are numberwise.

Slogan: Colour yourself with the colour of the Father's company (sang ka rang) and defects will automatically finish.

Points to churn from the slogan:

We, the loving and co-operative souls, are the most elevated servers respectful to all, who do service through our words, through our connections, through different facilities and instruments, and who donate every virtue and make others virtuous, and colour others with our company... we are world servers who do service through our body-mind-wealth, thoughts-words-actions, breath-time-thoughts, dreams-relationships-connections, our stage-attitude-vision and activities-behaviour-face...

With the power of determination, we make the impossible possible... we are the children of the Bestower who share and donate the infinite treasures received from the Father to our relations and connections every day, and use them in a worthwhile way...we are the samples and examples, the most elevated servers respectful to all, who do service through our words, through our connections, through different facilities and instruments, and who donate every virtue and make others virtuous, and colour others with our company...

We are beautiful fragrant spiritual roses with vivid and vibrant beauty, colour and intoxication...we have beauty in having happiness and intoxication visible on our faces that is, in our eyes and features as a Brahmin and having the awareness of being a soul playing an elevated part of an angel in the corporeal form...we have colour by constantly being coloured by the constant company of the Father, that is, being constant companions...we have the fragrance of spiritual vision and spiritual attitude... we are the special flowers in the unlimited flower garden on whom BapDada has special vision...we have sparks of zeal and enthusiasm, have elevated aim and in whom there is hope, receive love from the entire Brahmin family, and move along fast...
