

## Synopsis: Sakar Murli February 03, 2015

1. God, Himself, comes here and introduces Himself and tells you who He is. He says: No one in the world knows Me as I am or what I am. God is the **Creator, Director and principal Actor**. No one knows how God comes. Each of you souls has now received your third eye. It is the souls that understand
2. All of you are lovers of the one **Beloved**. All of you lovers have to remember your one Beloved. The Beloved says: Now remember Me! I have come to purify you. I am the **Purifier**.
3. There are four main religions. The Brahmin religion is the fifth one. This small religion is the highest one of all. Brahmin priests have to take care of sacrificial fires. This is the sacrificial fire of knowledge.
4. You come here to play your parts. This world is your stage and the sun, the moon and the stars are all the lights for this stage. It is because the sun, moon and stars perform a very good task that they are called deities. The cycle of 84 births is in front of you. This is like a mirror for the blind. This drama repeats identically.
5. For you children, there is this unlimited clock. In order to become karmateet you have to stay in remembrance. When you reach your karmateet stage you won't remain here. This cycle of the drama continues to move like a louse; it continues to tick away.
6. This is a spiritual nature cure. He simply says "Manmanabhav" through this mouth. It is souls that have to be cured. This is why the Father is called the eternal Surgeon. He performs a very good operation. He says: Remember Me and all your sorrow will be removed and you will become the rulers of the globe. Whilst you are living in this jungle of thorns, you must remember that you are to return home and then go to the garden of flowers. Continue to remind one another: Remember **Allah** and you will receive your kingdom.
7. Whenever you ask Baba anything, He says: I will tell you whatever you have to be told according to the drama. You are given whatever answer you are to receive according to the drama. You simply have to follow that. ***The Father cannot do anything that is not according to the drama.***

Slogan: Those who are co-operative at a time of need receive multimillion-fold for one-fold.

Points to churn from the slogan:

We, the souls, use everything we have remaining in terms of our body, mind and wealth after 2500 years of devotion for Godly tasks with an honest heart, and accumulate multi-million fold...we are the co-operative children of the Father, giving a finger of co-operation in lifting the Govardhan mountain...

I belong to the One Father and none other...whenever we have any thoughts, we offer them to the One up above and become free from any thoughts... with our pure feelings we have pure thoughts that get fulfilled with a constant and stable stage that has pure thoughts... whenever there is an upheaval in the atmosphere, we do not come into upheaval ourselves, but make it powerful with our pure and positive thoughts... we are constantly co-operative and contented, remaining busy in self-progress and progress in service...

Rather than waiting (*intezaar*), we, the souls, make preparations (*intejaam*)... while constantly moving along on the basis of the finger of shrimat, we become co-operative (*sahyogi*) instead of being separated in yoga (*viyogi*), and thus become easy yogis (*sahaj yogi*)...

We are obedient souls, who remain constantly co-operative for every task, become the Father's right hand, and are always ever-ready...while living with our families, we remain beyond the attitude of householders, and while interacting with everyone, we pay attention to our alokik interaction... we are the beloved children, the worthy children, children who are the decorations of the world, who receive from the Father the blessings of being master bestowers of blessings and master bestowers of fortune...
