

## Synopsis Sakar Murli February 16, 2015

1. Baba is called the **Businessman** and the **Jewel Merchant**. You are all jewellers; this is the jewellery of the imperishable jewels of knowledge. Only the Father is the **Remover of Sorrow and the Bestower of Happiness**. He is also the **Magician** *because only He has the key to divine vision*.
2. No one knows the **Founder** of this deity religion. Krishna is a child. The One who gives knowledge is the Father. They have removed the Father's name and replaced it with the name of the son. They have only shown the divine activities etc. of Krishna. The Father says: The divine activities are not Krishna's. They also sing: O Lord, Your wonderful games are unique and unlimited. The divine activities are those of only the One. The praise of Shiv Baba is unique. He is the One who remains constantly pure.
3. It is at this time that you children know the **true Lord**. You are sannyasis, not fakirs (religious beggars). You are Raj Rishis. **Always understand that it is Shiv Baba who speaks because He never takes a holiday; He never becomes sick**. There should only be remembrance of Shiv Baba. He is called **egoless**. "I do this, I do that," You should not have ego. To do service is your duty. When ego comes, you fall. Continue to do this is spiritual service.
4. The Father, the **Seed** says: The main aspect is: Remember **Alpha!** All the rest is detail. Not everyone can imbibe that. I only explain to those who can imbibe it. To the rest, I say: Manmanabhav!
5. Punishment will be carried out through Dharamraj. Dharamraj is also with the Father. Dharamraj's duty is also coming to an end. It won't exist in the golden age; it will begin again in the copper age.
6. **Karankaravanhar** Father says: Keep the company of those who have been made knowledgeable and yogis by the true Father. Some become like diamonds in someone's company, whereas others become like pebbles in the company of others. You should hold on to those who are good. *Someone who is knowledgeable will make others become like flowers equal to himself*. **Do not think that you will hold on to someone's tail and go across.**

**Blessing: May you be constantly full and remain set on the seat of an elevated stage by having the awareness of the combined form.**

By your staying in the awareness of the combined form of Shiv and Shakti at the confluence age, all impossible tasks become possible. This is the most elevated form of all. By remaining stable in this form you receive the blessing of becoming full. BapDada gives all the children the seat of the stage of constantly being a bestower of happiness. Remain constantly set on this seat and you will continue to swing in the swings of supersensuous joy. Simply finish the sanskars of forgetting.

**Points to churn from the blessing:**

We, the souls, hand over the burden of all of our responsibilities to the Father, and remain carefree...we do not have burden of any type of consciousness of "I"...we maintain the intoxication of remembrance and constantly remain light...by remaining combined with the Karavanhar Father we make progress and become servers full of success...

We are the special, careful and cheerful souls, the embodiments of remembrance, who finish all mischievous games, and find solutions to reasons... by remaining combined with the Father, by having full renunciation and full transformation, by being beyond praise(**prashansa**) and by having constant satisfaction, (**prasann**), we attain the fortune of a kingdom...

We pay attention to the two treasures, those of time and of thought...by keeping our thoughts elevated and pure, we accumulate and receive multimillion-fold return...the more we save and accumulate now, the more we will accordingly rule and be worshipped throughout the cycle...we are the diamonds who have renunciation, who have tapasya and who have humility...The Father is the Karavanhar (the One who inspires) and we, the souls, are karanhars (the ones who do)...by renouncing the word "I", by becoming soul conscious and by being in the awareness-"I am a soul", and using the word "I", we automatically remember the Father...we are the children who constantly remain in the combined form with the Father...
