

## Synopsis: Sakar Murli February 18, 2015

1. The Father is the **Intellect of the Wise**. All of you are lovers of the one **Beloved**. All of you lovers *only remember* that one Beloved. He comes and gives happiness to everyone. He is called God, the **Innocent Lord**. The Father, the **Purifier**, now comes personally in front of you and says: Remember Me and your sins will be absolved. **This is a guarantee.**
2. It isn't good to argue too much about the scriptures. Too much discussion takes place. You are not to go too much into the things of the scriptures. The main aspect is definitely that of becoming soul conscious, to consider yourself to be a soul and remember the Father. This shrimat is the main one. The rest is detail.
3. Just as the whole knowledge of a tree is merged in its seed, in the same way, all of this knowledge is also merged in the **Seed**. The Seed and the tree are in your intellects. The Father explains the secret of the Seed and the tree and the drama cycle. You are spinners of the discus of self-realisation. This Father is incognito, the knowledge is also incognito and the inheritance too is incognito.
4. The immortal throne is the centre of the forehead where the soul is seated. The Father doesn't have His own throne. He comes and takes this one's throne. *He sits on this throne and makes you children worthy of sitting on the peacock throne.* In order to refresh yourselves, you should listen to the good songs of knowledge that have been composed. Keep such songs in your homes. You could even explain them to others.
5. You are the unknown warriors and are called the doubly non-violent Shiv Shakti Army. Neither do you have the sword of lust, nor do you engage in war. Lust is separate; anger is separate.
6. Continue to remember the Father whilst sitting at home. Whilst living in your household, just remember this mantra: Remember the Father and become pure. You have been remembering Him for half a cycle. Now that you have found Him, you should have so much happiness.

**Blessing: May you be successful with your contacts and service with the speciality of moulding yourself and become an embodiment of success.**  
(safaltamoort)

The children who have the speciality of moulding themselves can easily reach the golden-aged stage. Whatever the time and the circumstances may be, in order to be able to reveal your dharna you have to mould yourself accordingly. Those who are able to mould themselves are real gold. You saw the speciality of sakar Father: whatever the time, whoever the person was in front of him, he would adopt a form accordingly. Follow the father in the same way and you will easily become an embodiment of success with your contacts and service.

**Points to churn from the blessing:**

By being very strong and firm in our practical dharna, we, the souls, become pure, holy and supremely worthy of worship... by moulding ourselves according to time, by accommodating, dying or stepping away, we become real gold...by tolerating with love, by speaking only gyanyukt and योग्य words, by transforming our sanskars with great happiness, and by dying alive, we claim a right to heaven...by having no knowledge of the word desire (ichchha), by being beyond name, fame and honour, we become good (achchha)...we are equal to God (Shubhan Allah), the karma yogis who perform every deed according to the Father's shrimat, and who follow the Father with determination by placing our feet in the footsteps of the Father at every step...

With a planning intellect we become the embodiments of success...by enabling others to attain something through love, cooperation, courage, enthusiasm, and by giving them all powers, we claim the certificate of contentment from everyone, and attain everyone's blessings of love and their contentment...we are maharathis full of all divine virtues, qualities and specialities, with the power to mould ourselves and become real gold...
