

## Synopsis: Sakar Murli February 28, 2015

1. The **Traveller** comes here from the faraway land, the incorporeal land. He has the form of a very bright dot. He also has knowledge. He is not beyond name and form. The **Knowledge-full One** explains to you: I too am called a soul, but it's just that I am the **Supreme Soul**, God. Only the Father is praised as the **Purifier**, the **Bestower of Salvation for All**, the **Liberator of All**.
2. You now belong to Rama's, or God's, family. God, the Father, the **Truth**, Himself teaches Raja Yoga at this Gita Pathshala. Only the Father tells the truth. *Hatha yogis cannot explain the knowledge of Raja Yogis*. The law is that once you know that that One is the **Father**, the **Teacher** and the **Satguru**, you should not forget it. You are studying Raja Yoga. The **Rup and Basant** Father says: You now have to become satopradhan. By remembering Me your sins will be absolved and you will become masters of the land of Vishnu.
3. Hear no evil! See no evil Speak no evil! The Father says: Do not listen to, speak of or look at devilish things. You mustn't listen to anything that defames the Father. Whilst seeing this world, you mustn't see it. You souls have received third eyes of knowledge. You should remember your lands of peace and happiness.
4. God says: Manmanabhav! Elevated directions come from God. You challenge everyone and say that the original eternal deity religion is now being established through Brahma. *The human world is created through Brahma. Brahma isn't called the Creator*. You also have to imbibe divine virtues. The first defect is the vice of lust. You have to box Maya. The storms of Maya make you fall against your wish.
5. You need an unlimited broad, intellect. You must become soul conscious and remember the Father; only then will your sins be absolved. Knowledge is very easy, but you make progress by considering yourself to be a soul and by remembering the Father. By becoming soul conscious and remembering the Father, you will never cause sorrow to anyone. You should give happiness to everyone. When you have remembrance of the Father all the evil spirits run away. This effort is very incognito.

**Blessing:** May you give the Father the return of His love through your angelic stage and become an embodiment of solutions (samaadhaan swaroop).

To remain stable in the angelic stage is the return of the Father's love. Those who give such a return become embodiments of solutions. By becoming an embodiment of solutions, your own problems and the problems of other souls automatically finish. So, it is now the time to do such service. As well as receiving, it is also the time to give. Therefore, now become one who uplifts others, the same as the Father, listen to their call and reach those souls through your angelic form and remove the tiredness of souls who are tired of problems.

**Points to churn from the blessing:**

By subtly checking our thoughts, words and deeds in all four subjects, we, the souls, the victorious jewels, become the embodiments of success, same as the Father...by being beyond prestige and the influence of distress, and by stabilizing ourselves in an elevated stage, and by observing the play of everyone down below as detached observers in a soul conscious state, we become the embodiments of solutions...

By considering God to be our Father, by considering ourselves to be souls, and by being in the stage of Manmanabhav, we do a lot of subtle checking... we keep our qualifications according to our aim of our present confluence-aged angelic form and our future deity form...we renounce the consciousness of "mine", remove all internal vices, old sanskars, defects, weaknesses, rubbish, become full of all divine virtues, and become the masters of heaven through the world father and world mother...we spread the unadulterated vibrations of pure feelings and good wishes in the atmosphere and environment, finish waste and the burden of sins through the power of yoga, find solutions for reasons and excuses, and in the flying stage, stay close with the Father, sit personally in front of the Father, and become complete, perfect, powerful, and equal to the Father...
