

Happy Satguruvar! Synopsis: Sakar Murli February 26, 2015

1. Today is Thursday “The day of the true Guru” (Satguru), because He is the One who establishes the land of truth (satyug) and He tells the story of the true Narayan (Satya Narayan) in a practical way. He makes ordinary humans (nar) into Narayan. He is remembered as the **Bestower of Salvation for All** (sarv ka Sadgati Data). He is also called the **Lord of the Tree** (Vrikshpati).
2. Donate the five vices so that the omens are removed. The whole world has now become eclipsed. The five elements too have been eclipsed, because they are tamopradhan. Small children are called satopradhan. *They are considered to be more elevated than great souls because they don't have the five vices.*
3. The Father explains to souls what a soul is. A soul is a tiny point. This is called "soul realisation". It is souls that listen and nod their heads. “I am a soul. Baba is teaching me”. **Make this firm.** The Father makes us pure from impure. It is the soul that has good or bad sanskars. Remember Me as much as possible and your sins will be absolved and you will receive wings with which to fly. A soul doesn't have wings like those wings.
4. The Father says: First of all, make your stage karmateet. Continue to make as much effort as possible. Children should be taught: Remember Shiv Baba; this is *unadulterated remembrance*. To perform devotion of one Shiva is *unadulterated worship, satopradhan devotion*. Then, to remember the deities is sato devotion. The Father says: Whilst standing and sitting, remember Me, the Father. *If there is true remembrance, the consciousness of the body would be broken;* then there wouldn't be tiredness.
5. You are stars of knowledge. The sun, the moon and the stars are the lamps that light the stage. They are not deities. Your status is more elevated than that of the deities. The highest of all is the Brahmin topknot. The shadow of the deities cannot fall on this impure world; deities cannot enter this world. You too are Jagadambas (**world mothers**). You are the ones who show everyone the path to become the masters of the world and receive the sovereignty of the world.

Blessing: May you be constantly fearless and a conqueror of Maya and observe the games of Maya as a detached observer.

As the stage of you children continues to progress, so, there should be no attack from Maya from time to time. Maya should come to salute you, not to attack you. Even if Maya does come, look at her as you would a game. Experience her as though you are watching a limited drama as a detached observer. No matter how fearsome the form of Maya may be, you will see her as a toy or a game and enjoy yourself a great deal. You won't then be afraid of her. The children who are constant players and who observe the games of Maya as detached observers will be constantly fearless and conquerors of Maya.

Points to churn from the blessing:

We, the souls, are the avyakt angels in the flying stage, stabilized in our avyakt stage, who have benevolent feelings, feelings of being loving and co-operative, feelings of increasing courage and enthusiasm, feelings of being soul conscious, and the feeling of belonging and good wishes constantly, for all...by constantly holding the hand of shrimat and having the Almighty Authority Father with us, we consider Maya to be a game and a paper tiger, the attacks of Maya to be gifts, the storms of Maya to be gifts and watch them as detached observers...we are the master almighty authorities who are constantly victorious over Maya...

By subtly checking our thoughts, words and deeds in all four subjects, we, the souls, the victorious jewels, become the embodiments of success, same as the Father...by being beyond prestige and the influence of distress, and by stabilizing ourselves in an elevated stage, and by observing the play of everyone down below as detached observers in a soul conscious state, we become the embodiments of solutions...we remain unshakable in spite of upheavals in the environment, from other people, through relationships, and through lack of essential facilities...
