

Beloved Avyakt BapDada's deeply loved instrument teachers, ones who always transform the upheaval of Maya with the power of contentment, and all brothers and sisters from this land and abroad, the decoration of the Brahmin clan who are the light of Baba's eyes, and who always fly with the wings of zeal and enthusiasm, together with God's love filled with sweet remembrance, please accept lots and lots of hearty greetings for the New Year and the New Age.

This New Year has come with new zeal and enthusiasm, and the year that has just gone, all Brahmin children have celebrated it as a memorial. Though this has been the year of corona, and very little service of running around and giving lectures took place, everyone has done very good service through the mind. Each and every one received a golden chance to create their highest on high stage. Everyone used their thoughts, breath and time in a worthwhile way. Each one received the time to learn a lot, to experience and to be in solitude and to increase the practise of concentration. With the facilities of science, very good programmes of on-line classes and service successfully took place. Many, many new souls recognized Baba through this medium and also took the seven days' course. It was a new way of seeing and experiencing service. Baba says: Children, some or other benefit is merged in every scene of the drama. Seeing every scene of the drama, Baba's children remain unshakeable and immovable with the awareness of "nothing new".

Now, in the 21st century, all of us will celebrate 2021 as the Year of Tapasya, and it is this tapasya that will make souls complete and perfect, equal to the Father. The month of January is the month of remembrance of our beloved Brahma Baba, and during this month, in order to become equal to Father Brahma, all of us will place our steps on his footsteps and create our elevated stage. For this, in the Patra Pushpa for the January month, homework for the full month has been sent to you. All of you, please remain introverted, and maintaining silence of the mind and silence of the mouth, create your avyakt and alokik stage.

Baba's season of the meeting is very lovely and unique. Now, some brothers and sisters from the Delhi/Agra zone have arrived here. Hundreds of thousands of brothers and sisters from this land and abroad will be experiencing the avyakt meeting online and fill their aprons with many blessings. BapDada's elevated versions of blessings fill new zeal and enthusiasm in all the children. Now, each one has to race to become complete and perfect and definitely reveal our beloved BapDada in every corner of the world. Achcha.

Lots and lots of greetings from the heart for the New Year.

Om shanti.

In this New Year, each one has to become a jewel of contentment and become problem-proof and an embodiment of solutions with the power of contentment.

Today, BapDada is seeing His jewels of contentment everywhere. The *light* of each one is sparkling very well because the power of contentment is most elevated. Other powers also come to where there is contentment. The power of contentment easily finishes any type of problem. Where there is contentment, no other power is lacking. The power of contentment easily transforms any type of atmosphere or *circumstance*. Contentment transforms the upheaval of Maya and matter. Each one should check the self to see: Have I become a jewel of contentment? Am I able to transform the atmosphere by changing the situation of any human soul?

Especially today, BapDada is very pleased to see the souls who are His jewels of contentment. BapDada saw that the power of contentment transforms the atmosphere in service and among companions. So, do you experience yourselves to be such jewels of contentment? Those who believe that they have the power of contentment and also experience success by using it at the right time, raise your hands! Achcha. Raise your

hands high! You raise your hands very well. Seeing everyone's hands, BapDada is pleased. However, when there is any upheaval among companions, check whether this power brings about transformation at that time. Is the result of this successful in making your own places powerful?

BapDada saw that even now, there is a need in many places to make them free from obstacles with the power of tolerance. BapDada gave a task to each place, that is, every centre and *zone* should give the *result* of being free from obstacles. Do you remember? Do you remember? According to that and according to the need of the time, it is necessary for every place to be free from obstacles. Whether it is a service centre or your household, each place should be free from obstacles and filled with the power of contentment. You see the speed of time. Whether it is for the self or for a gathering, BapDada saw that there is a need to pay *attention* to the power of contentment.

Father Brahma tours around everywhere. Do you know what the easiest way is to become complete? *Follow father!* From the beginning to the end, Father Brahma gained victory over every situation with the power of contentment. So, today, BapDada is giving a special signal: each one should become a jewel of contentment and specially continue to use the power of contentment.

The New Year is now coming and so each of you has to check the power of contentment in this way: Am I content with myself? Are my companions content in the way that BapDada wants? Were the problems finished with contentment? Discontentment in the world is going to increase day by day. Therefore, for that, look at the self: Did I remain a jewel of contentment throughout the day? The easy method for this is to *follow Father Brahma* because discontentment in the world is definitely going to increase.

BapDada has made a *plan* to give all the children a blessing for the New Year specially at amrit vela. Everyone is asking: What is going to happen in the New Year? Those who have determination will receive special help from BapDada in their efforts. So, everything will become easy with this New Year *gift*. Do you like this blessing of amrit vela? Do you like it? You do do it, but you will specially attain co-operation, love and power from BapDada. Is that all right? Is it OK? BapDada has seen that everyone has very deep love. You have very good love for having to do something, but specially use the power of contentment this year for the *circumstances* that come in between. Check this and you will automatically continue to move forward. Achcha.

You have all come from everywhere. Everyone continues to remember Madhuban with a lot of love. So, what will you become? Jewels of contentment. Do you like it? If you like becoming a jewel of contentment, wave your hands. If everyone remains content, what will there be everywhere? The songs of "Wah!, Wah!" will be played everywhere. So, who are all of you? Who are you? All of you are jewels of contentment. Are you jewels of contentment? Or only a little? Say: If we don't become that, who else would? If BapDada were to go on a tour, what would He see? The lights of the jewels of contentment are sparkling everywhere because it doesn't take BapDada long to tour around. So this year, BapDada will see the *result* of how much the *lights* of the jewels of contentment are sparkling everywhere.

This year Baba specially wants to see the *result* of your becoming problem-*proof* and an embodiment of solutions. The *majority* of all the children everywhere have reached Madhuban with their minds. BapDada is seeing how all the children everywhere have reached Madhuban with their minds with so much love. All of you have reached here physically and BapDada is giving special love and remembrance to all the children everywhere. BapDada is giving all the children everywhere the special blessing of the power of contentment. Remain content, make others content and spread the *vibration* of contentment into the world with the power of contentment. Achcha. Are all of you happy? If you are happy, then raise both your hands! BapDada is also pleased to see the children in Madhuban. If anything happens, if any small or big problem arises, just come to Madhuban through your mind, not with your body, but with your mind. BapDada will fill the minds of the children with *extra* nourishment of happiness. It is good. To come to Madhuban means to take a step forward in your efforts. Even now, check how much help you have taken in moving forward now that you have come to Madhuban? What do you easily remember throughout the day in Madhuban? Baba, Baba, Baba... Whatever you listen to, it is things of Baba. When you are walking, it is on the pure land of Madhuban. You are eating Brahma bhojan and it is *powerful* because those who have

this special *duty* are reminded of it. Therefore, to come to Madhuban means to take a step forward in the self in knowledge, yoga, dharna and service. So, did all of you take all these benefits of Madhuban? You have taken benefit. Did you take benefit? Because you don't have any responsibilities here. You simply have the responsibility of making yourself move forward. Achcha.

It is the turn of Delhi and Agra to serve: Those from Delhi, stand up! (Everyone had a battery operated candle in their hand.) Those from Delhi have come as the form of *light* and *might*. It has created a beautiful splendor in the hall. Achcha. Those from Delhi have to prepare the kingdom because all of you are going to rule, are you not? You may not sit on the throne, but all will have a right to the kingdom. It is good. Those from Delhi have very good enthusiasm for *service*. Now, Delhi has to give the *result* of being the *number one zone* that is free from obstacles. You have good enthusiasm, but you now have to give the *proof*. Those of you from Delhi will do this, will you not? Raise your hands because, as yet, BapDada has not received this *result* from any *zone*. So, Delhi will claim *number one* in this too, will you not? Yes, teachers, raise your hands! Will you claim it? You raised your hands with a little slackness. Did the brothers raise their hands? Achcha. All are sitting in various places. It is good. BapDada has seen that all the *zones* have very good enthusiasm for service and that everyone has had very good programmes everywhere this year, according to their capacity. There is zeal and enthusiasm for service everywhere. Therefore, what will happen when you continue to increase this enthusiasm for service? Bharat will become great. Achcha. Congratulations to those from Delhi.

Double foreigners: Raise your hands! Very good. BapDada has seen that those from abroad have taken very good benefit from Madhuban. Whether you had retreats or you had any other programmes, the result of the co-operation and courage that you all received from one another is good and this is why BapDada is congratulating the *double foreigners* a hundred times for taking benefit. What *title* has BapDada given the *double foreigners*? Not *double foreigners*, but *double effort-makers*. Whenever anyone says *double*, say that you are not just *double foreigners* that you are *double effort-makers* too. Also check yourselves. BapDada knows that you do pay attention and that your attention is also specially drawn and this is why BapDada likes to see that though you have come late, you are not behind in your efforts. You are moving forward and will continue to move forward. BapDada sees this. BapDada is pleased and so you may applaud.

BapDada now wishes each one to have the progress in their efforts, that everyone everywhere should be *number one* in their efforts. Now be co-operative with one another in this way and bring about this *result*. Whichever *zone* you see, it should be number one. Is this possible? Is it possible? Dadis speak! Is it possible? Yes, speak! Is it possible? (Dadi Janki – if we don't do it who will? We are the ones who will do it.) Raise your hands! You will become *double effort-makers*. Wherever you are and whoever is listening and seeing, all of you have the thought that you definitely do have to do this. Those who are brave and courageous will say: Baba, it is not a big deal, it is already accomplished, because your vibrations have to reach the world. If you all move forward in your efforts, those *vibrations* will reach the unhappy people. Nowadays, sorrow is increasing so much. The reason why everything is happening is that such sorrow and only sorrow spreads everywhere. Achcha. Do all of you remember what you have to do next year? So, make such effort and move forward and enable others to move forward. Achcha.

BapDada gave all the children greetings for the New Year.

Congratulations, congratulations, congratulations for the New Year to all the children everywhere! In this New Year, you have to bring about one newness or another in yourself. The transformation that you have not yet brought about in yourself and what you have been finding difficult, do that in the New Year and write your news to Baba. Make yourself free from obstacles and also be co-operative in making others free from obstacles. Let all of you jewels of contentment sparkle - this is what BapDada wants to see. Achcha.

Lots, lots and lots of love and remembrance to all the children everywhere and congratulations, congratulations, congratulations for celebrating your transformation.
