An Angel in Conversation with Avyakt Brahma

First Awareness

The moment I open my eyes, I realize: I am a soul. I descended from the Sweet Home of Light in order to give radiant light to the world.

Who am I?

I am an angel. As soon as I sit for amrit vela, I gaze lovingly at Avyakt Brahma. I deeply appreciate all the service that Shiv Baba carries out through him. I see Brahma Baba doing unlimited service from the subtle regions.

To Whom do I Belong?

Soul converses with Baba:

Good morning sweet Brahma Baba. As an angel, I sit here with you in the subtle regions. I experience your beacon of powers through your drishti. I am complete just by being here with you. Your tireless service inspires me to become an angel like you. You work so hard for me. I must reciprocate Your selfless love. Just as you are a constant yogi and a constant server, I too should become a constant yogi and constant server.

Baba converses with the Soul:

Sweet child, wake up! Sit down with Me. Brahma Baba understands your weaknesses and fills you with strength and courage. BapDada places you on the seat of unlimited service. I fill you with power so that you can maintain hope and enthusiasm for world service. Just as a sculptor creates a face by shaping the eyes and nose etc., I busily fill you with all spiritual qualifications.

Receiving Inspirations

I take a moment to quiet my chattering mind by focusing on Baba, the Ocean of Silence. In this silence, I receive from Baba pure, inspiring thoughts for service.

Receiving a Blessing from Baba

I manifest my angelic form before sweet Baba in the subtle regions. With much love and powerful drishti, pure vision, He gives me this blessing:

You are the one who observes your thoughts with care. You have the power to let go of wasteful and negative thoughts in a second and the ability to align your self with thoughts that reflect your divinity and spiritual destination. Because of this practice, you are now infused with the magic to transform the self and restore a world of Beauty.

Unlimited Subtle Service (last 15 minutes)

I bestow on the world the blessing described above. I take this blessing from Baba and gift it to the whole world through my pure thoughts. With my angelic costume, I circle the earth globe and give this blessing to all souls.

Before Going to Bed

I steady myself in the stage beyond sound. I mentally check: was I disobedient in anyway during the day? If so, I admit it to Baba. Did I succumb, mentally or physically, to any attractions, attachments, or selfish preferences? I chart my actions, and remove the impact of faulty actions with 30 minutes of yoga. I go to sleep with a clean and clear heart.
