# Invitation

Dear Colleagues,

It is a matter of great pleasure and honour indeed for us to welcome you all and invite you to the IX World Congress on Clinical, Preventive Cardiology & Imaging- 2014 (WCCPCI-2014) which is being organized by World Heart Academy (WHA) in association with International Society of Cardiovascular Ultrasound, USA (ISCU), American Association of Cardiologists of Indian Origin, USA (AACIO), CSI Delhi Branch, Indian Academy of Echocardiography (IAE), Brahma Kumaris HQ (BK), World Wellness Foundation, (WWF), ASSOCHAM and SCOPE from Sept. 5-7, 2014 at Shantivan, Brahma Kumaris WHQ, Abu Road, Rajasthan, India. Over the past decade there has been a virtual explosion of knowledge in the field of Clinical, Preventive, Cardiology, Echocardiography, Electrophysiology, Interventional Cardiology and Cardiac Surgery etc. The objective of this conference is to focus on "CVD Protection: Consensus Today".

A mingle of scientific and spiritual perspective with special emphases on Non Invasive Imaging which may play an important role in identifying these high risk individuals. The scientific programme will include sessions of tremendous clinical application with high academic standards for internists, physicians, cardiologists, interventional cardiologists, cardiac surgeons, vascular surgeons, pediatric cardiologists and pediatric cardiac surgeons, cardiac anesthetists, etc. We express our gratitude to B.K. WHQ for their enormous support in hosting this congress.

We are sure that the scientific programme and proceedings of the conference will evolve guidelines for several burning issues and newer innovative technologies and will definitely help in crystallizing the guidelines, the recent trends and newer directions for advanced patient care. There will be special emphasis on scientific sessions including recent advances in clinical cardiology, preventive cardiology, hypertension, congestive heart failure, dyslipidemia, coronary artery disease, cardiometabolic, echocardiography, electrophysiology and cardiac arrhythmia, interventional cardiology, cardiovascular surgery and cardiac anesthesia. We are grateful to the Patrons in Chief, National Patrons, international and national directors, international and national faculty, convenors and the scientific faculty as well as the industry and the Secretariat, for their untiring efforts and dedication in making this conference a success.

More than two thousand delegates over more than 138 countries will participate in the scientific deliberations. It shall be the endeavour of each and every one of us to make this conference a grand success.

We assure you that the memories of this scientific feast at Shantivan, Brahma Kumaris WHQ, Abu Road, Rajasthan will be a memorable event

Once again on behalf of the members of the organizing committee, we extend a warm welcome to all of you.

Dear Colleagues

It is indeed an honour and privilege for us to welcome all the delegates of the IX<sup>th</sup> World Congress on Clinical, Preventive, Cardiology & Imaging 2014 (WCCPCI-2014) to be held at Shantivan, Brahma Kumaris, Abu Road, Rajasthan, India from Sept. 5-7 2014. We are sure the focus of the congress on "CVD Protection: Consensus Today", will go long way To Create Guidelines for Preventive Strategies and help reducing morbidity and mortality from premature Heart Attacks in the globe and will help in crystallizing the recent trends and evolve guideline for creating Heart Attack Eradication Programme and better patient care.

Sharing of major breakthroughs will help mitigate the misery of millions as CAD has assumed epidemic proportions the World over and more so in India and is on the rise among the younger generation! Also, the venue Shantivan, Brahma Kumaris, Abu Road will provide the right spiritual ambience where synergy of technology and tradition, science and spirituality will lead to the spirit of sharing and caring, love and understanding culminating in peaceful minds and healthy hearts, fulfilling the essence of heart and Mind connection. Wisdom will dawn upon all participating souls. God is equated with food in our Seva. Just as food is an essential for life, for our very survival, so is God our provider of substances, our nourishment. Just as no man or woman can live without food and water, no matter how high or low born, so can no man or woman exist without the succor and love of the Lord. Therefore we firmly believe that this scientific-cum-spiritual feast will be a history and will be remembered and practiced by everyone.

At Shantivan, Brahma Kumaris, Abu Road, delegates will also have the most powerful experience of Indian Culture, Rajyoga Meditation where Art is Ageless, Culture is Borderless and Values are Timeless. It is a place where Silence Speaks, Beauty Breathes and Peace is no longer a Dream!

It will also give you an opportunity to get spiritual guidance from great noble souls, the saints & sages of the modern world who practice spirituality in its pristine purity that takes care of heart, mind and soul.

We highly appreciate the herculean efforts put in by the organizers Dr. H.K. Chopra, Dr. Navin C. Nanda, Dr. S.K. Parashar, Dr. Rakesh Gupta and Dr. Satish Gupta for this prestigious conference. We are confident, it will be a thumping success where knowledge shared will be stimulating and enriching.

In the name of our Shiv Baba, we pray to the Almighty, to bless all the delegates and the organizers of the conference with Peace, Progress in their respective fields, Prosperity and Parity in life.

Once again on behalf of Brahma Kumaris WHQ Management Committee we extend a warm welcome to each and every one of you in making WCCPCI-2014 a great success.

# Conference Venue

## Welcome to Conference Venue

Shantivan is the biggest campus of Brahma Kumaris WHQ. Shantivan meaning "Forest of Peace" is a unique centre, where people irrespective of age, caste or colour come together to study, practice meditation, and cultivate the human and ethical values required for building a Better world. The new Complex was in response to the ever-growing world-transforming activities of the Brahma Kumaris through spiritual/scientific education and training. It provides an excellent venue for holding large conferences, spiritual congregations and retreats, and features modern means of communication, transport, extensive kitchen and dining facilities, well-laid-out roads, electricity, and solar energy etc.

## Location

Located just 6 Km. from Abu Road Railway station in the foot hill of Aravali. At the base of Mount Abu, just before Abu Road begins its climb up Mount Abu, lays, to the left of the road, a magnificent complex, the third Brahma Kumaris campus, Shantivan. It is spread over 70 acres of land in the form of a well laid eco-friendly campus surrounded by a naturally lush green and meditative environment in the backdrop of Aravalli hills. It is a perfect location step away from the frantic pace of stress and anxiety and one feels the difference instantly, as if stepping into another world, a world of peaceful vibrations for reflection, contemplation and self-awareness that nurtures and sustains the soul. It is at 3 hours distance by road from Ahmadabad airport.

## About Diamond Hall

The main attraction of Shantivan is its awe-inspiringly massive Diamond Jubilee Hall, built in commemoration of the Diamond Jubilee Celebrations of the institution. The structure is simple yet elegant it has the distinction of having a very high seating capacity. It can accommodate about twenty thousand people.

## Accommodation

Residential buildings in the complex have a capacity of lodging about Twenty thousand people . Some of them have very significant names: Vardani Bhawan (The house of Blessings), Vishwa Kalyani Bhawan (the World Benefactor House) and Farishta Bhawan ( the House of Angels) - to mention only a few. Shantivan has very large kitchens and dining halls with modern gadgets and equipments.

In addition to this gigantic structure, Shantivan has one main conference hall and eight smaller halls including the board room. The seating capacity of the conference hall is 20000 with facility for simultaneous translation in six languages. Each of the smaller halls can accommodate six hundred people for conducting lectures, seminars, workshops, etc.

There are two halls meant for intense meditation and a spiritual museum which instantly inspire inner peace and are a source of super-sensuous joy, which is nowhere to be found in this mundane world.

### The Shantivan Campus

The Shantivan complex includes a main conference hall and six smaller halls. The seating capacity of the conference hall is twelve hundred and there is facility for simultaneous translation in six languages. The smaller halls each accommodate six hundred people and are suitable for lectures, seminars, workshops, etc. There are also two halls for meditation and a spiritual museum on this campus. Shantivan's residential buildings can lodge 15,000 guests.

In addition to this gigantic structure, Shantivan has the largest parabolic solar device in India, which provides steam heat for cooking; and, together with wind energy, provides electricity for computers, the telephone exchange and emergency lighting systems.
