

Synopsis : Sakar Murli January 07, 2015

1. Only Shiva is called the **Ocean of Knowledge**, the **Purifier**. Only through knowledge is there salvation. These are the imperishable jewels of knowledge. You have to imbibe the jewels of knowledge given by the Father, the **Jeweller**, and then donate them. Only the one Father is the **Bestower of Salvation**.
2. It is because you children have recognized the Father that you are sitting here. **The Father would say: All of you are My children. However, not all of you know Me. If it is in someone's fortune, he would know Him later.**
3. The unlimited Father says to His children: look at your chart daily and ask yourself: How many sins have I committed and how much charity have I performed? Did I upset anyone? Ask your own heart to what extent you have become a charitable soul. Are you committing any more sin? To what extent do you stay in yoga?
4. If your vision becomes impure towards someone, you must never stand in front of that one, but walk away instantly. If you have impure vision you will become crippled. You have to follow the shrimat that the Father gives you.
5. To cause someone sorrow means to be **deceitful**; it means you have committed a sin. Whilst living at home with your family, become as pure as a lotus flower. *Although you are at the confluence age, this is still Ravan's kingdom.*
6. If you have perishable wealth, use it for this alokik service. **By donating money to the impure, you too become impure.** When you donate your wealth, you receive the return of that for 21 births in the new world. Have mercy for everyone!
7. *You still have to check for yourself whether the directions you receive through a Brahma Kumari are right or wrong.* Only when the Righteous One comes can He tell you what is right and what is wrong. **You can only understand this when you become Brahmins.**

Blessing: May you be filled with the treasure of happiness and finish any stock of wasteful situations with your stage of spirituality.

Finish any stock of wasteful situations with your stage of spirituality. Otherwise, while speaking about the weaknesses of one another, you will continue to spread germs of illness into the atmosphere. By your doing this, the atmosphere will not become powerful. Many souls will come to you with many intentions, but they should only take good wishes from you. This will only be possible when you have accumulated within yourself a stock of happy stories. If you have any wasteful matters in your heart for anyone, then the Father will not be where there are those things, but there will be sin.
