

## Synopsis: Sakar Murli January 16, 2015

1. The Father, the **Bestower of Salvation** for all, only comes in this one confluence age and gives the mantra of “Manmanabhav”. The shrimat that the Father gives to grant you salvation is unique. You have found the Father, the One who wins your heart, the One who grants salvation to all, the One who removes your sorrow and bestows happiness on you. He is remembered as the most elevated One. God Shiva is praised as the most elevated One of all.
2. The Father says: I am the One who purifies the impure. I am the One who comes and gives the essence of all the Vedas and scriptures. You can spend your whole life bathing in the Ganges etc., and you still won't be able to become pure.
3. God is the One who creates heaven. This study is Raja Yoga where you have to change from a beggar to a prince. By studying this knowledge, you receive happiness for 21 generations. You should earn such an income through yoga that you reach your karmateet stage and don't have to experience punishment
4. All of you are warriors. Your war is with Ravan, not with human beings. Other soldiers fight for their rulers whereas you *soldiers are now conquering Maya for your own benefit*. Each one of you has to use your mind, body and wealth to change Bharat into heaven. The more you do, the higher the status you will claim.
5. Souls are such tiny points and each one has an eternal part fixed within him. Mothers put a tilak (dot) on their foreheads. By making effort now, each of you children gives yourself a tilak of sovereignty. There is no question of mercy or special blessings in this. You must not look at others. *This is what it means to become “Manmanabhav”*.
6. Well-known donors are also called great philanthropists. They make a name for themselves. *They give indirectly in the name of God but their kingdom is not being created*. It is your kingdom that is now being created. **You must now become complete philanthropists.**
7. The Father says: I only come in Bharat. This drama is eternally predestined. *The questions of when it was created and when it will end cannot arise*. **This drama continues eternally.**

**Blessing: May you be an embodiment of success (siddhi swaroop) who attains total success with the magic mantra of remembrance.**

Remembrance of the Father is itself the magic mantra and you can attain whatever success you want with this magic mantra. Just as in the lokik world, in order to achieve success in any task, they chant a mantra, so, here, too, if you want success in any task, the method for success is the great mantra of remembrance. This magic mantra brings transformation in a second. Constantly keep it in your awareness and you will become an embodiment of constant success because it is not a big thing to stay in remembrance, but it is a big thing to stay in constant remembrance and it is with this that you will achieve total success.
