

Synopsis: Happy Makar Sankranti! Sakar Murli January 14, 2015

1. The Father, the Sun of Knowledge, comes when people are sleeping in the darkness of ignorance in order to take them into the day. There is the power of knowledge and the power of silence. Silence is also called yoga. Destruction will take place through science. You gain victory through silence.
2. Rudra, Shiv Baba, has created this sacrificial fire of knowledge. He is teaching you knowledge and yoga to enable you to claim a kingdom. This is called the fire of remembrance. ***The Father guarantees that your sins will be burnt in this remembrance.***
3. There are two types of Brahmin: One type is those who are the mouth-born progeny of Prajapita Brahma and the other type is the progeny born through a womb. **The Brahmins who are the mouth-born progeny of Brahma are the topknot.** You Brahmins are given knowledge and you then become deities. Before you shoot an arrow, you have to consider the time and the circumstances. You need great tact in order to give knowledge.
4. The Father is the Remover of Sorrow and the Bestower of Happiness (**Dukh harta sukh karta**). You have to give happiness to everyone in the same way. You have to interact with everyone with discipline. Interact with your elders with a lot of love. Such sweet, first-class words should emerge from your mouth that anyone who hears them becomes happy. Tell everyone that the Father says: Remember Me! Once they have received this message, you are free from the responsibility.
5. There are in fact four equal parts of the swastika. Each age is 1250 years. A calculation can be made. You stay in happiness for three quarters of the cycle. This is why the Father says that your deity religion gives you so much happiness.
6. There is the unlimited clock of the drama. You have a case against Ravan, who has brought you a great deal of sorrow. Only the Father is the Purifier. Only when He comes can He hear you. The Father does listen to you and He comes at precisely the accurate time according to the drama. ***Your hearing is now to take place.***

Blessing: May you constantly be an embodiment of success in the service (seva men sada safalta moort) of world benevolence (vishv kalyaan) with your practical example (pratyaksh pramaan) of benefitting the self (sw-kalyaan).

Just as nowadays, there is a lot of the physical illness of heart failure, similarly, there is the illness of being disheartened (dilshikast) in spiritual progress. Such disheartened souls can only have courage or power when they see some practical transformation. People have heard a lot and they now wish to see something. They want to see transformation through a practical example. So, for world benevolence, first of all, be a sample by benefitting yourself. The method to become an embodiment of success in the service of world benevolence is a practical example. The Father's revelation will then take place through this. People will accept what you say is visible in your form in a practical way.

Points to churn from the blessing:
