

**Essence:** Sweet children, remember the Father with love and you will be able to go beyond. To go beyond with a glance means to become a master of the world.

**Question:** What is the real meaning of “The Swami, the Satguru, takes the soul beyond with a glance.”?

**Answer:** When a soul receives the third eye from the Father and that soul recognises the Father with that eye, he is able to go beyond, that is, the soul receives salvation. Baba says: Children, become soul conscious and focus your eyes on Me, that is, remember Me. Break away from everyone else and connect yourself to Me alone and you will be able to go beyond, that is, from being distressed and poverty-stricken you will become wealthy.

Om shanti. To whom do the sweetest, spiritual children go? To the spiritual Father. You understand that you are going to Shiv Baba. You know that Shiv Baba is the Father of all souls. You children should have the faith that that One is the *Supreme Teacher* and also the *Supreme Guru*. ‘Param’ means the Supreme. You have to remember just the One. You have a meeting with the eyes. It is remembered that the Swami, the Satguru took you beyond with a glance. You need to understand the meaning of this. Who is taken beyond with a glance? It would surely be said to be the whole world because He is the Bestower of Salvation for All. He is the One who takes everyone away from this impure world. What glance do you receive? Is it from these eyes? No. You souls receive the third eye of knowledge through which you souls know that that One is the Father of us all. The Father advises souls: Remember Me. The Father explains to souls. It is souls that have become impure and tamopradhan. This is your 84<sup>th</sup> birth and this play is now ending; it definitely does have to end. Every cycle, the old world then becomes new. The new then becomes old. It has different names. The new world is called the golden age. The Father has explained: At first you were in the golden age. Then, taking rebirth, you went through 84 births. You souls have now become tamopradhan. If you remember the Father you will be able to go beyond. The Father personally tells you: Remember Me. Who is “Me”? The Supreme Father, the Supreme Soul. The Father says: Children, become soul conscious. Do not become body conscious. Become soul conscious and focus your eyes on Me, and you will be able to go beyond. Continue to remember the Father. There is no difficulty in this. It is the soul that studies and plays his *part*. It is so tiny. When you souls come down here, you play *parts* for 84 births. You then have to *repeat* them. You souls have now become impure while playing your *parts* of 84 births. Souls now have no strength left. Now, instead of being able to go beyond, souls are distressed, that is, poverty-stricken. So, how can they go beyond? These words belong to the path of devotion and the Father explains them to you. He also explains to you the Vedas, scriptures and images etc. You have had these pictures made according to shrimat. They have made so many images by following devilish directions. Those images are made of stone. They have no *occupation*. The Father comes here and teaches you children. It is said: God speaks, and so it would be His *knowledge*. *Students* know that someone is such-and-such a *teacher*. Here, you children know that the unlimited Father only comes once and teaches you such a *wonderful* study. There is the difference of day and night between that study and this study. While studying that study, it becomes the night and through this study you go into the day. You have been studying those studies for birth after birth. Here, the Father tells you clearly: When souls become pure, they will be able to imbibe knowledge. It is said that the milk of a lioness can only be contained in a golden vessel. You children understand that you are now becoming golden vessels. You will still be human beings, but you souls have to become completely pure. You used to be 24 *carat* and you have now become nine *carat*. The light of the soul that was ignited is now extinguished. There is a difference between those whose light is ignited and those whose light is extinguished. Only the Father explains how the light can be ignited and how you can claim a status. The Father says: Remember Me. I will remember very well those who remember Me very well. You children also know that it is only the one Father who is the Swami who takes you beyond with a glance. This one’s soul is also able to go beyond. All of you are moths and He is called the Flame. Some moths come simply to circle around whereas others recognise Me very well and die alive. Some circle around and go away and then only come back sometimes and then go away again. All of this is remembered about the confluence age. Scriptures are made of whatever happens at this time. The Father only comes once and then departs, having given you your inheritance. The unlimited Father would surely give you an unlimited inheritance. The phrase “for 21 generations” is remembered. Who gives you an inheritance in the golden age? God, the Creator, gives His creation an inheritance for half the cycle. Everyone remembers Him. He is the Father, *Teacher*, Swami and also the Satguru. You might call someone else a swami or satguru, but only the one Father is the Truth. The Father is always called the

*Truth.* What *truth* does He come and give? He makes the old world into the land of truth. We are making effort for the land of truth. When it was the land of truth, none of the other lands existed. All of them came into existence later. No one knows about the land of truth. Everyone knows everything about the lands that exist now. They know the founders of their own religions, but no one knows the sun dynasty, the moon dynasty and the confluence-aged Brahmin clan. People believe in Prajapita Brahma. They say that they, brahmins, are the children of Brahma. However, they are a physical creation whereas you are the mouth-born creation. They are impure whereas you mouth-born creation are pure. You become the mouth-born creation and then depart from the dirty world of the kingdom of Ravan. The kingdom of Ravan doesn't exist there. You are now going to the new world. That is called the *viceless world*. The *world* becomes new and old. You now know how it becomes this. It is not in the intellect of anyone else. No one can know anything that is hundreds of thousands of years. This is a matter of a short time. The Father sits here and explains to you children. The Father says: I come when there is extreme defamation of religion, especially in Bharat. In other places, no one even knows who the incorporeal Supreme Soul is. They have made a huge lingam and placed that there. It has been explained to you children that the *size* of a soul never becomes bigger or smaller. Just as a soul is imperishable, so the Father, too, is imperishable. He is the Supreme Soul. Supreme means He is always pure and viceless. You souls were also viceless. The world was also viceless. That is called the completely *viceless*, new world and then it definitely becomes old. The degrees continue to decrease; the sun dynasty kingdom becomes two degrees less and then it continues to grow old. Then all the other lands come into existence. They are called *by-plots*. However, they become *mixed up*. Whatever happens, according to the *drama plan, repeats*. When the head of the Buddhists came, he converted so many into the Buddhist religion. He changed their religion. The Hindus changed their religion themselves. Because their actions became corrupt, they also became corrupt in their religion; they went on to the path of sin. People would go to the Jagannath Temple, but none of them think about it. They themselves are vicious and so they have portrayed the images as vicious. They don't understand that the deities became like that when they went on to the path of sin. Those images are of that time. The name "deity" is very good. Hindu is a name that is derived from Hindustan. This is why they call themselves Hindus. It is such a big mistake. This is why the Father says: Whenever there is extreme irreligiousness, I come... Baba comes in Bharat. He doesn't say that He comes in Hindustan. This is Bharat. There is no Hindustan or Hindu religion. The people of Islam gave it the name Hindustan. This too is fixed in the *drama*. You should understand this very well. This is also *knowledge*. While taking rebirth and going on to the path of sin, they became corrupt. Then, people go in front of idols and say: You are completely viceless whereas we are vicious sinners. None of those of the other lands would say that they are degraded and they don't have any virtues. You would never have heard any of them say that. The Sikhs, too, sit in front of the Granth, but they never say: Nanak, you are viceless whereas we are vicious. Those who are followers of Nanak wear a bracelet. That is a symbol of being viceless. However, they cannot stay without vice. They have simply kept the symbol falsely, just as Hindus wear a sacred thread which is a symbol of purity. Nowadays, they don't believe in religion. At this time, the path of devotion is continuing. This is called the *bhakti cult*. The *gyan cult* exists in the golden age. The deities of the golden age are completely viceless. In the iron age there cannot be anyone who is completely viceless. Only the Father establishes the pure family path. All other gurus are those who belong to the path of isolation. The force of the family path has become stronger. The Father says: You cannot attain Me through any of the things you have studied. When I come, I take everyone beyond with a glance. It is remembered: The Swami, the Satguru, takes everyone across with a glance. Why have you come here? To become able to go beyond, to become a master of the world. Remember the Father and you will become able to go beyond. No one would say that by doing that you will become like this. Only the Father says: You have to become this. How did Lakshmi and Narayan become like they are? No one knows. The Father tells you children everything. This one has taken 84 births and become impure. I have now come to make you like this. The Father gives you His own introduction and also takes you beyond with a glance. Of whom do you say this? Of the one Satguru. There are many of those gurus and the poor mothers are innocent. All of you are children of the Innocent Lord. They say of Shankar that he opened his eye and destruction took place. That would be a sin. The Father would never give *directions* for such work. Destruction would take place through something else. The Father doesn't give such *directions*. All of this *science* continues to be invented. They understand that they are destroying their own clan. They too are bound by it; they cannot leave it. Their names are glorified so much. They go to the *moon*, but there is no benefit in that. Sweetest children, focus your vision on the Father, that is, o souls, remember your Father and you will be able to go beyond. Baba says: I remember

those who remember Me. I remember those who do *service* for Me and so they receive power...Of all of you sitting here, those who go beyond will become kings. It is remembered: Break away from everyone else and connect yourself to the One. That One is the Incorporeal. You souls are also incorporeal. The Father says: Remember Me. You yourselves say: Oh Purifier! To whom do you say this? To Brahma, Vishnu or Shankar? No. The Purifier is only the One and He is always pure. He is called the Almighty Authority. The Father Himself tells you the knowledge of the beginning, middle and end of the world. He knows all the scriptures etc. Sannyasis claim a *title* by studying the scriptures, whereas the Father has already received a *title*. He is not going to claim it by studying. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and *good morning* from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

**Essence for dharna:**

1. Become moths who die alive in the Flame, not those who simply circle around. In order to imbibe the Godly study, make your intellect completely pure.
2. Break away from everyone else and stay in the company of the one Father. Go beyond with the remembrance of the One.

**Blessing:** May you be seated on the lotus seat and experience God's love by staying beyond body consciousness.

The lotus seat is a symbol of the elevated stage of Brahmin souls. Such souls who are seated on the lotus seat automatically stay beyond the consciousness of the body. They are not attracted by the consciousness of the body. Just as Father Brahma always had in his awareness the angelic form and the deity form while walking and moving along, similarly, always have the *natural* soul-conscious stage. This is said to be staying beyond the consciousness of the body. Those who remain beyond the consciousness of the body in this way are loved by God.

**Slogan:** Your specialities and virtues are a holy offering (prasad) from God and to consider them to be yours is body consciousness.
