

Essence: Sweet children, the Father loves knowledgeable souls. Therefore, become *master* oceans of knowledge, the same as the Father.

Question: What does the Father remind you children about in this benevolent age?

Answer: Children, it is now 5000 years since you left your home. In 5000 years you have taken 84 births and this is now the last birth; it is your stage of retirement. Therefore, now make preparations to return home. You will then go to the land of happiness. You may live at home with your family, but become pure for this last birth and remember the Father.

Song: The Flame has ignited in the gathering for the moths.

Om shanti. You children have understood that God is One. *God is One*. The Father of all souls is One. He is called the Supreme Father, the Supreme Soul. The Creator of the world is One; there cannot be many. According to this principle, human beings cannot call themselves God. You have now become instruments for Godly *service*. God is establishing the new world which is called the golden age. You are becoming worthy of that. No one is impure in the golden age. You are now becoming pure. He says: I am the Purifier and I give you children elevated directions: Remember Me, the incorporeal Father, and you will become pure and satopradhan from impure and tamopradhan. Your sins will be absolved with the fire of yoga, of remembrance. Sages and holy men say that God is omnipresent. On the one hand, they say that God is one, and then here, (in this world) there are many who themselves call them God. They call themselves "Shri Shri Jagadguru 108". The Guru of the world is only the one Father. The Supreme Soul, the One who purifies the whole world, *liberates* the whole world from sorrow. Only He is the Remover of Sorrow and the Bestower of Happiness. Human beings cannot be called that. Only you children understand this. This is the impure world and all are impure. In the pure world, as are the emperor and empress, so the subjects. In the golden age, they are worthy-of-worship emperors and empresses. Then, on the path of devotion, they become worshippers. When two degrees of the emperor and empress of the golden age are reduced, they are called a king and queen. All of these are *detailed* matters. Otherwise, there is liberation-in-life in a *second*. The Father explains: You may live at home with your families, but remain pure for this last birth. It is now your stage of retirement. The land of retirement and the land of peace are the same thing. Souls reside there in the brahm element which is also called Brahmand. In fact, souls are not egg shaped. A soul is a *star*. Baba has explained that all the souls in this *drama* are *actors*. Just as *actors* in a play change into different costumes as they play their different *parts*, so, this too is an unlimited play. From the beginning, souls come on to the earth and enter bodies made of the five elements and play their *parts*. The Supreme Soul and Brahma, Vishnu and Shankar are all *actors*. You are given various costumes to play your *parts* in a play. At home, all souls are without bodies. Then, when a body of the five elements is ready, a soul enters it. A soul receives 84 bodies and so he also has that many names. The soul has just one name. Shiv Baba is the Purifier. He doesn't have a body of His own. He has to take the support of a body. He says: My name is Shiva. Although I enter an old body, the name of this one's body belongs to him. He has a worldly name and he is then given a spiritual name. When someone converts from one religion to another, his name is changed. You too have changed from the shudra religion and come into the Brahmin religion and so your names are changed. You write: Shiv Baba *through* Brahma. The Supreme Father, the Supreme Soul, is Shiv Baba. His name doesn't change. Shiv Baba is now carrying out establishment, through Prajapita Brahma, of the original eternal deity religion which has disappeared. Those who were pure and worthy of worship become impure and worshippers. You have completed 84 births. The deity religion is now being established once again. It is remembered that the Supreme Father, the Supreme Soul, comes and carries out establishment again through Brahma. Therefore, Brahmins are definitely needed. Where do Brahma and Brahmins come from? Shiv Baba comes and *adopts* you through Brahma. He says: You belong to Me. You are Shiv Baba's children anyway, and then, through Brahma, you become grandchildren. The Father of all the people is one. All of these children are kumars and kumaris. Shiv Baba *adopts* them through Brahma. People don't know that the Father comes and establishes the original eternal deity religion. It isn't that new souls come. They show that annihilation took place and that Krishna then came floating in the ocean on a pipal leaf. They have made up all of those stories. The *history* and *geography* of the *world* continue to *repeat*. A soul is immortal and the *part* in each soul is eternal; the *part* is never erased. In the golden age, there is the sun-dynasty kingdom of Lakshmi and Narayan; it never changes. The world continues to change from new to old and old to new. Each one has received his imperishable *part*. The Father says: On the path of devotion, with whatever feelings devotees perform their worship, I grant them visions accordingly. I grant some a vision of Hanuman and others a vision of Ganesh. I fulfil their

devotional feelings. This too is fixed in the *drama*. People then think that God is in everyone. This is why they say that He is omnipresent. There is a rosary of devotees. It is remembered that Narad is the main one among the *males* and Meera among the *females*. The rosary of devotees, the rosary of Rudra and the rosary of knowledge are all separate. The rosary of devotees is never worshipped. The rosary of Rudra is worshipped. At the top is the Flower (tassel) and then the dual-bead, and then the children who sit on the royal throne. The rosary of Runda is the rosary of Vishnu. The rosary of devotees is just praised. All of them turn the beads of the rosary of Rudra. You are not devotees, but knowledgeable souls. The Father says: I love the knowledgeable souls. The Father is the Ocean of Knowledge and is giving you children knowledge. Your rosary is worshipped. There is worship of the eight jewels; it is because they are knowledgeable souls that they are worshipped. People make a ring to represent this and wear it because of the ones who make Bharat into heaven. They *pass with honours* and so they are praised. The ninth jewel is Shiv Baba, placed in the middle; they call that the nine jewels. This is a *detailed* explanation. The Father simply says: Remember the Father and the inheritance and your sins will be absolved and you will return home. Impure souls cannot go to the pure world. Here, all are impure. The bodies of the deities are pure and viceless; they are worthy of worship. As are the king and queen, so the subjects. Here, all are worshippers. There is no question of sorrow there. That is called heaven, the land of happiness. There, there was happiness, wealth and peace, everything. Now there is nothing. This is why this is called hell and that is called heaven. We souls are residents of the land of peace. We come from there to play our *parts*. We have to take the full 84 births. It is now the land of sorrow, and we will then go to the land of peace and then to the land of happiness. The Father is inspiring you to make effort to become the masters of the land of happiness and to change from humans into deities. This is your confluence age. The Father says: I come at the confluence age of the cycle, not in every age. I only come once in the cycle at the confluence age in order to change the world. It was the golden age and it is now the iron age and then the golden age has to come. This is the benevolent confluence age. Everyone has to benefit. Everyone is liberated from the *jail* of Ravan. He is called the Remover of Sorrow and the Bestower of Happiness. Here, all are unhappy. You are making effort to go to the land of happiness. In order to go to the land of happiness, you first have to go to the land of peace. It is now 5000 years since you began playing your *parts*. The Father explains: It is 5000 years since you left your home and, in that time, you people of Bharat have taken 84 births. It is now your last birth; it is everyone's stage of retirement. Everyone has to return home. It is remembered that He is the Ocean of Knowledge, Rudra. This is the sacrificial fire of the knowledge of Shiva. Shiva is the Purifier; He is also the Supreme Soul. Devotees have given Him the name Rudra. His real name is just Shiva. Shiv Baba carries out establishment through Brahma. There is only one Brahma. This one is impure and this same Brahma then becomes pure and so he becomes an angel. The Brahma shown in the subtle region is not a different Brahma. There is only one Brahma. This one is the corporeal one and that one is the subtle one. When this one becomes completely pure, he will be seen in the subtle region. There are no flesh and bones there. Shiv Baba has explained: Souls who don't have bodies continue to wander around; they are called ghosts. They continue to wander around until they receive a body. Some of them are good and others are bad. The Father explains everything to you. He is the Ocean of Knowledge and He therefore definitely explains knowledge. There is liberation-in-life in a *second*. Remember Alpha and beta and you will receive the inheritance of liberation-in-life in a *second*. It is so easy! The very name is easy Raja Yoga. They think that their yoga is the yoga of Bharat. However, that is the hatha yoga of sannyasis. Yoga is absolutely easy. Yoga means remembrance. Theirs is hatha yoga. This is easy. The Father says: Remember Me in this way. There is no need to wear a *loket* etc. You are children of the Father. Simply remember the Father! You came here to play your *parts*. You now all have to return home and you will then come to play those same *parts* again. It is the people of Bharat who become those of the sun dynasty, then the moon dynasty, then the merchant dynasty and then the shudra dynasty. During this time, those of other religions also come. You take 84 births. Then you have to claim *number one*. When you go to the golden age, everyone else will then be in the land of peace. There isn't a dynasty in other religions. Only in Bharat are there dynasties. You became part of the sun and moon dynasties. You are now in the Brahmin clan. You have become the Brahmins who belong to the clan of Brahma. The Father sits here and explains all of these things. Those whose intellects are not able to imbibe anything are told to remember the Father. By knowing his father, the son becomes aware of what his property will be. A daughter doesn't receive an inheritance. Here, all of you are the children of Shiv Baba, and all of you therefore have a right. All of you *males* and *females* have a right. Teach everyone how to remember Shiv Baba. The more you remember

Him, the more your sins will be absolved and the more you will become pure from impure. How can the alloy in the soul be removed? The Father says: It is only through yoga that the alloy will be removed. This impure body has to be shed here. Then the soul will become pure. All of you will return like a swarm of mosquitoes. The intellect says that there will be very few people in the golden age. So many people will die in this destruction. Only a few will then remain; there will only be a few kings and 900,000 subjects in the golden age. They sing a song about this – there are 900,000 stars, that is, subjects. The tree is small at first and then it grows. Now, there are so many souls! The Father comes and becomes everyone's *Guide* and takes you all back. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and *good morning* from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. Burn the alloy of sinful actions in the fire of yoga and become pure. It is now your stage of retirement. Therefore, in order to return home, become completely satopradhan.
2. In this benevolent age, become a remover of sorrow and a bestower of happiness, the same as the Father.

Blessing: May you constantly be an embodiment of power and face Maya with the awareness of the Godly clan.

In order to achieve success in any task, first of all become an embodiment of power through your awareness. When you develop power, it will be easy to face Maya. As is your awareness, so that becomes your form. Therefore, always have this *powerful* awareness: While I am leading this Godly life, I am engaged in Godly service at every *second*, in every thought and in every task. This is my Godly clan. The *seat* of this awareness will finish all weaknesses.
