

Essence: Sweet children, you have to close the gates to body consciousness so that the storms of Maya stop coming.

Question: What are the signs of the children who have a broad and unlimited intellect?

Answer: 1) Throughout the day they continue to have thoughts of service. 2) They cannot remain without doing service. 3) It remains in their intellects how they can surround the world and make all the impure ones pure. They continue to do the service of changing the land of sorrow into the land of happiness. 4) They continue to make many others the same as themselves.

Om shanti. The spiritual Father sits and explains to the sweetest children: Children, consider yourselves to be souls and remember Me, your Father so that all your sorrow finishes for all time. Consider yourselves to be souls and look at everyone with the vision of brotherhood so that the vision and attitude of the body are transformed. The Father is bodiless and you souls are also bodiless. The Father only looks at souls. All are souls who are seated on their immortal thrones. You souls also have to look at others with the vision of brotherhood. This requires great effort. It is when you come into the awareness of the body that storms of Maya come. Close the gates to body consciousness and the storms of Maya will stop coming. Only at the most auspicious confluence age does the Father give you children these teachings to become soul consciousness. Sweetest spiritual children, you know that you have stepped aside from the shores of hell and are now moving forward. This most auspicious confluence age is completely separate in the middle. Your boat is in the middle of the ocean; you are neither golden aged nor iron aged. You are the most elevated, most auspicious confluence-aged Brahmins. The confluence age is for Brahmins and Brahmins are the topknot. This is the very small age of Brahmins. This age is of just one birth; it is your age of happiness. What is the happiness of? That God is teaching us! Such *students* should have so much happiness. You now have the knowledge of the whole cycle in your intellects. We are now Brahmins and we will then become deities. First, we will go to our home, the *sweet home*, and then go down into the new world. Only we Brahmins are spinners of the discus of self-realisation. We are doing this somersault. Only you Brahmin children know this variety image. Your intellects churn these things in throughout the day. Sweet children, this is a very *lovely* family of yours, and so each one of you has to become very, very *lovely*. The Father is sweet and so He also makes you children sweet. You must never become angry with anyone. Never cause sorrow for anyone through your thoughts, words or deeds. The Father never causes any sorrow for anyone. To the extent that you remember the Father, accordingly you will continue to become sweet. By having this remembrance, your boat will go across. This is the pilgrimage of remembrance. By remembering, you will go to the land of happiness *via* the land of peace. The Father has come to make you children constantly happy. The Father is showing you the way to chase away evil spirits: Remember Me and those evil spirits will continue to be chased away. Do not take away any evil spirits with you. If anyone has any evil spirits, then leave them here with Me. You say: Baba, come and remove our evil spirits and make us pure from impure. So, the Father is making you so beautiful. Both Bap and Dada are decorating you children. It is the mother and father who decorate their children, is it not? That is a limited father whereas this One is the unlimited Father. Children have to act and interact with others with a lot of love. The donation of all the vices has to be given. When you make a donation, the omens are removed. There is no question of any excuses etc. in this. You can handle anyone with love. Explain with love, that love is very sweet. People are able to train lions, elephants, animals with love. Those people are with vices, whereas you are now becoming deities. So, you have to imbibe divine virtues and become very, very sweet. Look at one another with the vision of brotherhood or of brother and sister. A soul can never cause sorrow for another soul. The Father says: Sweet children, I have come to give you children your fortune of the kingdom of heaven. Now, take whatever you want from Me. I have come to make you into *double crowned* masters of the world, but you do have to make some effort for this. I will not place a crown on anyone. You have to give yourself the tilak of the kingdom through your own efforts. The Father shows you the way to make effort. In this way you can make yourself into a *double-crowned* master. Pay full attention to the study. Never stop studying. If, for any reason, you stop studying you will incur a lot of loss. Continue to look at your profit and loss. You are *students* of the Godly *University* and are studying with God, the Father, to become worthy-of-worship deities. So, you have to become such *regular students*. *Student life is the best!* To the extent that you study, teach others and improve your *manners*, so you will become *the best!* Sweet children, it is now your *return journey*. Just as you have continued to come down from the golden age through the silver, copper and iron ages, similarly, you now have to go up from the iron age to the *golden age*. When you reach the *silver age*, the mischief of the physical organs will finish. Therefore,

however much you remember the Father, so the rust of the rajo and tamo stages will accordingly continue to be removed, and however much rust continues to be removed, so the attraction to the Father, the Magnet, will accordingly continue to increase. If the soul is not being attracted, it is definitely covered with rust. When the rust has been completely removed and the soul has become *pure* gold, that is the karmateet stage. While living at home with your families you have to live like a lotus. The Father says: Sweet children, look after your households and also do everything for the livelihood of your bodies. Together with that, continue to study this education. It remembered: Let your hands do the work and let your heart be with your Beloved. While doing all of your work, remember the Father, the Beloved. You are lovers for half the cycle. When they do intense devotion, they remember Krishna etc. with so much love. That is intense devotion, unshakeable devotion. They have unshakeable remembrance of Krishna but no one receives liberation by doing that. This knowledge is to have constant remembrance. The Father says: Remember Me, the Purifier Father, and your sins will be absolved, but Maya is also very strong; she doesn't leave anyone alone. Instead of repeatedly being defeated by Maya, it is better to look down and repent. The Father is giving you sweet children elevated directions in order for you to become elevated. When Baba sees that some children are not making that much effort, He feels mercy. If you do not practise this now, there will have to be a lot of punishment and you will continue to receive a status worth a few pennies every cycle. The main thing that the Father explains to you sweet children is: Become soul conscious! Forget all your relations of the body, including your own body and constantly remember Me alone! You definitely have to become pure. For as long as a kumari is pure, everyone bows down to her. As soon as she gets married, she becomes a worshipper and she has to bow her head in front of everyone. When a kumari is at her parent's home, she doesn't remember so many relationships. After marriage, the relationships of the body increase, and then attachment to her husband and children continues to increase. She also then remembers her mother-in-law and father-in-law. First, there is attachment to just the mother and father. Here, all of those relationships have to be forgotten because this One is the only true Mother and Father. This is the Godly relationship. It is remembered: You are the Mother, You are the Father... This Mother and Father make you into the masters of the world and the Father therefore says: Remember Me, your unlimited Father, constantly and do not have any attachment to bodily beings. A woman remembers her iron-aged husband so much, and yet he makes her fall in the *gutter*. This unlimited Father takes you to heaven. While remembering such a sweet Father, continue to spin the discus of self-realisation with a lot of love. It is with the power of this remembrance that you souls will become pure and become the masters of heaven. As soon as you hear the name of heaven, your heart becomes happy. Those who have constant remembrance and continue to inspire others to have remembrance will claim a high status. By making this effort, you will make that stage firm by the end. This world is old and the bodies are also old; all the relations of the bodies including the bodies themselves are all old. Now, remove the yoga of the intellect away from all of them and connect it to the one Father alone, so that you only remember that one Father in the final moments. If you remember any other relations, you will remember them at the end and your status will be destroyed. Those who have remembrance of the unlimited Father at the end will become Narayan from an ordinary man. When you have remembrance of the Father, Shivalaya is not far away. Sweetest, beloved, long-lost and now-found, children come to the unlimited Father to *refresh* themselves because children know that that they receive the sovereignty of the unlimited kingdom from the unlimited Father. This must never be forgotten. If this is always remembered, children can then have limitless happiness. While walking and moving around, repeatedly continue to look at your *badge*; let it cling to your heart. Oho! I am becoming this through God's shrimat! While looking at the *badge*, continue to love Him. Continue to say, "Baba, Baba!" and you will always be aware that you are becoming this through the Father. The Father's shrimat must be followed, must it not? You sweet children need to have broad and unlimited intellects. Throughout the day, let yourself continue to have thoughts of *service*. Baba wants those children who cannot remain without doing *service*. You children have to surround the whole world, that is, you have to make the impure world pure. The whole world has to be changed from the land of sorrow to the land of happiness. A *teacher* loves to teach. You have now also become very high *teachers*. The better the *teacher*, the more he makes others the same as himself and he would not get tired. A lot of happiness is experienced in Godly *service*. You receive the Father's help. This is a huge, unlimited business; businessmen become wealthy. They are the ones who have a lot of enthusiasm on the path of knowledge. The Father is the unlimited Businessman. The deal is *first class*, but you have to imbibe courage for this. New children can go ahead of the older ones in effort. Each one's fortune is *individual*, and so each one has to make *individual* effort. You have to do your

full *checking*. Those who carry out such *checking* engage themselves in making effort day and night. They would say: “Why should we *waste* our *time*? As much as possible, we will use our *time* in a worthwhile way.” They make a firm promise to themselves: We will never forget the Father. We will definitely claim the *scholarship*. Such children then also receive help. You will see such new effort-making children. You will continue to have visions. Whatever happened in the beginning, you will see that at the end. As you come closer, you will continue to dance in happiness. On the other side, unnecessary bloodshed will also continue. The Godly *race* of you children is taking place. As you continue to run ahead, the closer the scenes of the new world will come to you and your happiness will continue to increase. Those who are not able to watch the scenes close up will not have that happiness. There now has to be disinterest in the iron-aged world and a lot of love for the golden-aged world. If you remember Shiv Baba, you will also remember the inheritance of heaven. If you remember the inheritance of heaven, then Shiv Baba will also be remembered. You children know that you are now to go to heaven: your feet are towards hell and your heads are towards heaven. It is now the age of retirement for all, young and old. Baba always has this intoxication: Oho! I will go and become this little Krishna, for whom gifts are sent *in advance*. The gopikas who have full faith are the ones who send gifts. They have the feeling of supersensuous joy. We will become the deities in the land of immortality. We are the ones who became that in the previous cycle and we then took 84 rebirths. If you remember this somersault, that too is great fortune: Always maintain limitless happiness. You are receiving a huge *lottery*. We claimed our fortune of the kingdom 5000 years ago and will claim it again tomorrow too; it is fixed in the *drama*. We will take birth again, just as we did in the previous cycle, and we will have the same mothers and fathers. The one who was the father of Krishna will become that again. Those who continue to have such thoughts throughout the day will remain very entertained. If you do not churn the ocean of knowledge, it means you are *unhealthy*. A cow eats food once and then chews it throughout the day; her mouth continues to chew throughout the day. If she doesn't use her mouth, it is understood she is not well. It is the same here. Both the unlimited Father and Dada have a lot of *love* for you sweetest children. He teaches with so much love and makes you beautiful from ugly. So, the mercury of happiness of you children should rise. The mercury will rise with the pilgrimage of remembrance. The Father does *lovely service* every cycle. He purifies everyone, even the five elements. This is such huge unlimited service. The Father continues to teach you children with a lot of love because it is the duty of the Father and the Teacher to reform the children. The shrimat is from the Father through which you become elevated. The more you remember the Father with love, the more elevated you will become. You also have to write down in your *chart* whether you follow shrimat or follow your own dictates. It is only by following shrimat that you will become *accurate*. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and *good morning* from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

- 1) Promise yourselves: We will not *waste* our *time* and we will use every moment of the confluence age in a worthwhile way. We will never forget Baba. We will definitely claim the *scholarship*.
- 2) Always remain aware that it is now your stage of retirement. Your feet are towards hell and your head is towards heaven. Remember the somersault and remain very happy. Make effort to become soul conscious.

Blessing:

May you be an easy yogi who takes every step according to instructions and thereby makes Maya surrender.

The whole world surrenders to the children who take every step according to instructions. Together with this, Maya together with her progeny also surrenders herself. First, you surrender yourselves to the Father and then Maya surrenders herself to you. Whilst maintaining your elevated self-respect, continue to follow every instruction and you will be liberated from all your difficulties for birth after birth. You are now easy yogis and you will have an easy life in the future. So, now create such an easy life.

Slogan:

To transform many other souls with your own transformation is to give the donation of life.
