

Essence: Sweet children, explain and prove to everyone how Brahma becomes Vishnu and how Vishnu becomes Brahma and when each emerges from the navel of the other.

Question: Which incognito aspect are only the children with refined intellects able to understand?

Answer: The senior mother of all of you is this Brahma and you are his mouth-born creation. This is something very incognito. Saraswati is Brahma's daughter. She is the cleverest of all, the *goddess of knowledge*. The Father has placed the urn of knowledge on the mothers. The lullaby sung by the mothers is remembered. They have to explain to everyone how there can be peace in the world.

Song: No one is unique like the Innocent Lord.

Om shanti. It would definitely be God, not Shankar, who is said to be the One who puts right that which has gone wrong. The 'Innocent Lord' refers to Shiva, not Shankar. The Boatman too is Shiva, not Shankar or Vishnu. When you speak of the Boatman or *God, the Father*, your intellects go to the Incorporeal. The image of the Trimurti is very well known. They have symbolized the Government *Coat of Arms* with animals as the symbol and have written on it: Truth brings Victory. The picture with animals has no meaning. The *Government* has a seal of the *Coat of Arms*. All the big kingdoms have a *Coat of Arms*. In Bharat, the Trimurti is very well known. The image of Shiva has been lost from the image of Brahma, Vishnu and Shankar, because they don't have any *knowledge* of Him. By saying "*God, the Father*" your intellects go to the Incorporeal. Brahma, Vishnu and Shankar cannot be called *God, the Father*. *God, the Father*, is the Father of souls. He is the Highest on High. They show that God is the Highest on High. It isn't that the Highest on High would be Brahma, Vishnu or Shankar. No, the Highest on High is God. Everyone knows this. Even Sikhs sing His praise. Guru Nanak also knew that there cannot be anyone except the Supreme Father, the Supreme Soul, who can change human beings into deities. The deities definitely reside in the golden age, but it is the Supreme Father, the Supreme Soul, who creates the deities. They don't know how He creates the deities. They sing the praise: God washes the dirty impure clothes. So, He made human beings who were the dirty impure clothes into deities. However, it is not written when He made them become that. You know that God is truly changing human beings into deities at this time. He must definitely have granted salvation to those who were in degradation. He would have made the corrupt beings elevated. You can explain that only in Bharat were there elevated deities. When Guru Nanak came, the world was corrupt and this is why they sing that. There are the images of Lakshmi and Narayan. They celebrate the birthday of Guru Gobind Singh with a lot of splendour. He is the creator of the Sikh religion. He himself said: God is incorporeal and egoless. He comes and changes impure beings into pure deities. Shri Krishna cannot change human beings into deities. It is mentioned in the Gita: I teach you easy Raja Yoga and make you into elevated emperors and empresses. Only *God, the Father*, would be called the Purifier. He would definitely come into the corrupt world. People say to Him: Come and purify us. Only the one incorporeal Father makes you elevated. The Highest on High is God and then there are Brahma, Vishnu and Shankar who are the creation of the Supreme Father, the Supreme Soul. There is no image of Him. The Father explains: Brahma emerged from the navel of Vishnu. So, how does Vishnu emerge from the navel of Brahma? Brahma becomes Vishnu and Vishnu becomes Brahma. Establishment takes place through Brahma and then that same Brahma and Saraswati become the dual-form of Vishnu in the form of Lakshmi and Narayan and give sustenance. Therefore, Brahma and Saraswati become Narayan and Lakshmi. Brahma would say: I become the dual-form of Vishnu – Lakshmi and Narayan. Lakshmi and Narayan would say: We were Brahma and Saraswati and we have emerged from the navels of them. We became deities, then warriors, then merchants and then shudras. These matters have to be understood. Baba explains: The Brahma whose body I have entered has now completed his 84 births. However, it is not a question of a chariot etc. All of those are lies. No one knows about the period of the confluence age. Human beings have been put into complete darkness. They have told stories saying that the duration of the iron age is so many hundreds of thousands of years and that the duration of the golden age is so many years and have thereby put people in total darkness. The Father says: I become present in front of the children who recognise Me. None of the others recognise Me. They wouldn't understand who this is. If Baba went to a big gathering, they wouldn't understand. Amongst you also, hardly anyone understands; you repeatedly forget. That One is the greatest of all, the *Highest Authority*. Look how much *regard* they have for the Pope! Who is the Pope? He comes from the Christian dynasty. This is the final birth. He has been taking rebirth from the time of Christ and is now in the tamopradhan stage. All are impure. They continue to cause one another sorrow. The Father says: This play is predestined. So the Highest on High is incorporeal God,

and then there are Brahma, Vishnu and Shankar. Establishment takes place through Brahma. Sustenance will also take place through whoever carries out establishment. So this Brahma and Saraswati then have to become Narayan and Lakshmi. Lakshmi and Narayan have now become Saraswati and Brahma. That is the mouth-born creation of Prajapita Brahma. Krishna cannot be called the Father of People. This one's name is Prajapita Brahma. Brahmins, created through Brahma, are definitely needed. The Father says: I *adopt* Brahma. I have to make this one into Brahma because he has taken the full 84 births and is now in his final birth. There would only be one Brahma. This one doesn't know his own births. Therefore, He (Shiva) sits here and explains to Brahma and so there would definitely be Brahmins too. Brahmins are the mouth-born creation of Brahma. All of you Brahma Kumars and Kumaris are *adopted children*. The creation of Brahma, the Father of People, would definitely be mouth-born. These matters have to be understood very well. That One Himself explains: I have to come at the end of his many births. In the beginning of the golden age they were Lakshmi and Narayan. They would definitely have taken 84 births. Others would definitely have taken fewer births. This Brahma will then become the dual-form of Vishnu. So, these matters have to be understood very well. First of all, there has to be the faith that Krishna cannot give this *knowledge*. It is also remembered: You are worthy of worship and you yourself then become a worshipper. On the path of devotion, you are a worshipper and on the path of knowledge you are worthy of worship. The dual-form of Vishnu was definitely worthy of worship. Then Brahma became a worshipper and used to worship Vishnu. He would say: I was a worshipper of Vishnu. I am now becoming that same worthy-of-worship Vishnu and the same applies to you. This is said to be the deepest of all deep matters. Where did Brahma come from? Where did Vishnu go? Only you know this. The dual-form of Vishnu – Lakshmi and Narayan – have to take the full 84 births and become impure by the end. Only when the *dynasty* becomes impure do I come and carry out establishment and finish all the other religions. I once again teach you easy Raja Yoga and establish the elevated deity religion and inspire the destruction of all the corrupt religions. There is no other religion in the kingdom of Rama. All the religions exist now, but the religion of Bharat doesn't exist. Establishment is taking place once again. There are also its images. There is the image of Shiva above the Trimurti. Brahma and Saraswati become Lakshmi and Narayan and they were Radhe and Krishna. Radhe belonged to her own kingdom and Krishna belonged to his own kingdom. Radhe doesn't have the sitar of knowledge. It is Saraswati who becomes Radhe in the future through *knowledge*. Saraswati is called the *goddess of knowledge*. She would definitely have received *knowledge* from the Father. Saraswati is the daughter of Brahma. There is Brahma, the Father of People, and so the World Mother is also definitely needed. In fact, this is something incognito. The senior mother is this Brahma. The mothers are given knowledge through this one (Brahma). The senior daughter, the World Mother, is remembered. Because you are *adopted* through the mouth of Brahma, he is the mother. The cleverest of all of Brahma's daughters is Saraswati. Where did she come from? Brahma doesn't have a wife. He is the Father of People, so that creation is mouth-born. This *drama* is eternally predestined. Saraswati is the *goddess of knowledge*. Incorporeal Shiv Baba cannot go to attend the *religious conferences* that take place. Even Brahma cannot be made to sit there. There is praise of the mothers. The *heads* of all religions should be women. The World Mother, the mother of all, sits and sings a lullaby. Children are born through a mother. The World Mother is the mother of all, and so everyone has to bow down to her. A mother can explain how this degraded world can become elevated and how peace can be established in this Bharat. There cannot be peace in the kingdom of Ravan. Only a mother can explain how you can get peace. The land of peace is the land beyond sound. This is the land of sorrow and the golden age is the land of happiness. Truly, in the golden age, there was just one kingdom. There was everything – happiness, peace and purity. It isn't there any more. Therefore, the *drama* will definitely come to an end. The lifespan of the tree has come to an end. The 84 births of the deities have also come to an end. There cannot be 8.4 million births. It has been a certain number of years since those of Islam and the Buddhists came, and so how could it be 8.4 million births? It takes time to go through the stages of childhood, adolescence and old age. If there were 8.4 million births, the duration of the cycle would then be very long. So this mother explains what your relationship is with the Supreme Father, the Supreme Soul. That one is the *Father*, the Creator. He would have created Brahma, Vishnu and Shankar first and then have created the human world through Brahma. It isn't that He creates a new world. If it were like that, human beings would not say: O Purifier, come! At this time, the whole world is impure. Everyone has reached degradation. They continue to remember: *Oh God, the Father*, have mercy! Liberate us from the sorrow of Maya! So, how could He cause sorrow? There must definitely be someone else who causes sorrow. When there was just one religion

in the golden age, the souls of all the other religions were in the land of nirvana. All souls are now here and so the Father definitely has to come to establish the one religion. There is establishment through Brahma and then that same Brahma becomes Vishnu; Brahma then emerges from the navel of Vishnu. I sit and give him knowledge so that he becomes a deity. He studies Raja Yoga. People of the world have created many pictures. All of those are tall stories. The main thing is: Who is the God of the Mother Gita? It has to be explained that the Supreme Father, the Supreme Soul, gives birth to Vishnu. He would also give birth to Brahma, would He not? Those are the deities of the golden age. Where does Brahma belong? He would definitely be in the iron age. 'The last of many births' would definitely be said about the deities who were elevated and who are now degraded. There are the sun and moon-dynasty kingdoms in the two ages. There are four parts. There is no question of hundreds of thousands of years. It is said that 3000 years before Christ, Bharat was heaven. All of this has to be explained very well. The Father explains: All of these are *adopted children*. Destruction is now just ahead. No human being can make degraded Bharat elevated. Baba has explained that when the deities go onto the path of sin, the sannyasis support Bharat with the power of their purity. At this time, all have become impure. Rivers emerge from the ocean; they say that rivers are purifiers and they bathe in them. There are rivers everywhere. How could rivers be purifiers? Only the one Supreme Father, the Supreme Soul, is the Purifier. The Ganges of knowledge who can make degraded ones elevated through easy Raja Yoga are needed here. The Father says: I am the Almighty Authority. Only by having yoga with Me will all your sins be absolved. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and *good morning* from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. The Father is the greatest of all, the *Highest Authority*. Recognise Him accurately and have *regard* for Him. Follow His shrimat fully.
2. The Father has given the urn of knowledge to the mothers. Therefore, keep the mothers in the front.

Blessing: May you be an embodiment of power and a *master* creator who makes all your powers work according to your *orders*.

The children who make their powers work according to their *authority* of being *master* almighty authorities have all their powers coming in front of them, the *master* creators, as their creation. As soon as they are given an order, they become present. Every power becomes present in every step in front those who are ever-present to the Lord, that is, they say to the Father's shrimat or instruction, "Yes, *master* lord. Those who use their powers according to their *orders* are said to be *master* creators.

Slogan: To be *simple* and to be a *sample* for many souls is also a great service.

Be an image of tapasya:

With volcanic remembrance, be a remover of sins and the ones who destroys sins. Let your remembrance be of such a powerful tapaswi form that the weakness of many souls is removed. For this, you and the Father have to remain *combined* at every second and every breath. Let the form of love and power both be *combined*.

* * * O M S H A N T I * * *
