

**Essence:** Sweet children, constantly maintain the spiritual intoxication that the Father has come to take you back home. Everyone now has to return home.

**Question:** What is the greatest act of charity that you children perform at this time?

**Answer:** To surrender everything you have to Shiv Baba is a great act of charity. By *surrendering* everything and following *shrimat* fully, you receive a very high status.

**Question:** What one new thing sits with great difficulty in the intellects of human beings?

**Answer:** That Shiv Baba who is incorporeal has entered the body of Brahma and that He is the greatest personality of all. The fact that His *part* is the highest-on-high is something new and it sits in the intellects of people with great difficulty.

**Song:** Who has come here in the early hours of the morning?

Om shanti. Shiv Baba sits here and explains to His children. You children have understood that Shiv Baba is incorporeal and that we souls are also incorporeal. He sits here and explains to you. Only the one Father has this method. The Father sits here and explains who God speaks to. He speaks to His children, to souls. You souls know this and the Father also knows this. A soul cannot hear anything without a body. Only through a body can a soul hear. This is the only spiritual gathering in which the Supreme Father, the Supreme Soul, sits and explains. He now has to take all souls back with Him because the cycle of the *drama* is now coming to an end. This all refers to the people of Bharat. Baba comes in Bharat and tells the people of Bharat: Children, you have played the maximum *part*. You were deities in the golden age and have now become shudras. I now teach you once again and make you into deities. How could He teach others? The Gita also belongs to Bharat. Each religion has its own scripture. All the founders of religions who came are human beings; they have their own bodies. That One is the incorporeal *Father* of all souls and He is *knowledge-full*. He knows the beginning, the middle and the end of the *drama*. The Father only has to teach you children because you are the ones who are going to become rulers of the globe once again. Not everyone will change from a human into a deity. The *sapling* of those who belonged to the first deity religion will once again be planted. When establishment of the deity religion has been completed all the other sects and cults will be destroyed. The Father will take all souls back home with Him. The Father comes into the impure world to take everyone back. You children know that you are now studying the easy Raja Yoga that you studied in the previous cycle. When destruction comes close, everyone's eyes will open. Now, only you have the faith that the Supreme Father, the Supreme Soul, enters this body. It is remembered that the *Guide* and the *Liberator* will come, *liberate* everyone from sorrow and take them back. The Supreme Father, the Supreme Soul, has entered this Brahma. So, He is such a great personality. You children have to maintain a great deal of spiritual intoxication that the Father has come to take you back. He says: Remember Me! Hardly anyone looks at Him with that *regard*. God is praised so much. He alone is the Almighty Authority. There isn't as much praise of anyone else. You children have to give so much *regard*. When you sit here in a gathering you have very good remembrance but then, when you go here and there, it is difficult for you to have that remembrance. Repeatedly consider yourself to be a soul for only then will you be able to remember the Father. You have to conduct yourself with great *regard* for such a Father. However, because Baba is ordinary, there isn't that *regard*. You understand that Baba is the Death of all Deaths. That Shiv Baba, whom you call BapDada will take everyone back with Him. Baba has received the greatest *part* of all which the whole world remembers. No one else can tell you what a soul is. It is said that a soul is a lingam. The Shivalingam is worshipped. We also write: Jyotilingam (oval shape of light), but He is not in fact so big. He is like a *star*. He has the whole *part* recorded in Him. This doesn't enter anyone's intellect. When they hear that a soul is a *star* and that the Supreme Soul is also a *star*, they will be amazed at how powerful that One is, how He enters this one who takes the full 84 births. He sits in him and gives you all the *knowledge* of how you are souls. Your 84 births are now complete. Now, remember Me and your sins will be absolved. You children are now aware of how you souls are tiny points. You have *parts* recorded in you of 84 births which have to be *repeated accurately* at their own time. However, just as a king and queen in a *drama* receive elevated *parts*, so Shiv Baba has the most elevated *part* of all. This too is predestined in the *drama* and it continues to *repeat*. You children also know that the highest-on-high Father has received the highest-on-high *part*. You have the whole unlimited *drama* in your intellects and how Baba, the *Supreme Soul*, enters an ordinary body. In the scriptures they have shown the chariot of Arjuna to be a horse-drawn chariot. The meaning of "chariot" is so vast! This is His chariot. The Supreme Father, the Supreme Soul, Himself, says: I enter this one and explain everything to you. These things of knowledge are not in any of the scriptures. Shiv Baba has entered the body of Brahma. Because

this is something completely new, it doesn't sit in anyone's intellect. The Father says: Children, now become soul conscious! The Supreme Father, the Supreme Soul, is now teaching you. You have to remember Him. He is sitting in this body. You used to call this one Dada. Here, Bap and Dada are *combined*. You call them BapDada. First is Bap and then Dada. Then, this one is also your mother. He explains these deep things to you. This one is the Brahmaputra River; he is not the Ocean. This one is said to be the biggest river of all. Then there is the River Saraswati. You are the Ganges of knowledge who have emerged from the Ocean of Knowledge. They have then created that picture. How do they know where the Brahmaputra emerged from? Then there is also the name, Sindh Saraswati. There is a little bit mentioned in the scriptures. It is souls that become pure and souls that become impure. This is not said of bodies, it is said of souls. At this time everyone is once again impure; no one's body is pure. All are sinful souls. You become the most charitable souls. You *surrender* everything to Shiv Baba. There are many who have *surrendered* each and every thing of theirs. *Surrender* greed! Renounce such-and-such a thing! When you belong to Baba here, you *surrender* everything to Baba. Baba then gives you the return. To the extent that someone follows *shrimat* and *surrenders*, so the status he receives is according to that. The main thing is to remember Shiv Baba. Shiv Baba comes here to teach you. He would not sit in this one the whole day. It is a matter of a *second*. As soon as you remember Him, He comes. You probably think that Shiv Baba always remains here. However, this one himself forgets Baba. At this time, the Father Himself says: I have come to take everyone back. Reason also says that destruction definitely has to take place. There are now many human beings. A lot of preparation for destruction is taking place. Only you know this. Although everyone else also speaks of destruction, they don't know what will happen after that. Among you, you also know, numberwise, that Baba has come and that the kingdom is being established. We are also Baba's helpers in *service*. He is changing thorns into flowers. People on the path of devotion don't know the Father at all. If they could find the path to God by studying the scriptures like they say, they should have reached there. However, the Father says: No one has gone back to the supreme abode. Some think that the new world will be created anew once again. There are many opinions in the world. The Father says: All of those are false. Only the one Father speaks the truth. It is said: Sat (the Truth) Shri (the Elevated One) Akalmurat (the Immortal Image). All souls are immortal images. Sat Shri Akal is only the One. All the rest are untrue, which means false. 'The truth' is said about things of knowledge. All the knowledge that they give about God is false. Only *God* comes and gives *Godly knowledge*. You children have to remember that this *drama* is coming to an end and that we have to return home. When it is the end of a drama, all the *actors* understand that the play has ended and that they will all go back home. We too are all *actors* and so we should have the *knowledge* that only a short time now remains. Baba has come and He will definitely take all of us souls back with Him. However, He doesn't tell us when He will take us back because this is a *drama*. Everything will continue to happen suddenly. As much as possible, give this explanation to others. They don't understand that this is *right*. However, those who say it definitely do understand it, for this is why they say it. You children have to explain: You have been claiming your inheritance from limited fathers for birth after birth. Now take your inheritance from the unlimited Father. The arrow will strike those who took this knowledge in the previous cycle. You children repeatedly have to remember that you now have to return home to the land of peace. *Government servants* do *service* for eight hours. You also have to increase your pilgrimage of remembrance for up to eight hours. At the end, only when you remain on this *service* for eight hours will you claim your full inheritance. Not everyone will be able to do this. Although some make intense effort, they then become tired. The destination is very high. You children know that the Father has to take all souls back home. Sometimes, even this Brahma is concerned that he now has to take everyone back with him. He continues to be filled with Baba's *sanskars*; he too is an effort-maker. The play is now coming to an end. Everyone has to return home. If someone remembers even this, that too is "Manmanabhav". You children are now personally sitting here. By your listening to Baba personally, it becomes imprinted on you. Repeatedly continue to remember that you now have to return home. Your fear of death has now been removed. Don't be afraid of death! Become soul conscious! Those who are soul conscious are able to do very good *service*. Knowledgeable souls are needed. At exhibitions, you don't need the *service* of those who go into trance, but those who are knowledgeable. Knowledgeable souls are loved very much. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and *good morning* from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

**Essence for dharna:**

1. Become a helper in the Father's *service* of creating the new kingdom. Do the service of changing thorns into flowers.
2. Practise staying in remembrance for a minimum of eight hours. Don't be afraid of death because your intellect is aware that you now have to return home.

**Blessing:** May you be a child and a master who remains constantly full by sharing all treasures and thereby increasing them.

The Father has given all the children the same treasures and made those children into masters. Everyone has received the same treasures, but the reason why some are not full is that they do not know how to look after them or increase them. The way to increase them is to share them and the way to look after them is to check them repeatedly. When both the guards of *attention* and *checking* are fine, the treasures are then constantly *safe*.

**Slogan:** Perform every action with the faith and intoxication of having all rights and you will not have to labour.
