हम आत्माएँ, आइरन एजड आत्माओं को गोल्डन एजड और भिखारी को अधिकारी बनानेवाले, अपनी तकदीर की तस्वीर में अपने फीचर्स से अपना फ्यूचर देखनेवाले, पारसमणि हैं...

We, the souls, are jewels of divinity, making the iron-aged souls golden aged and beggars to ones with rights... we see our future through our features in the picture of our fortune...

Hum atmaayen, aairan ejad atmaaon ko goldan ejed aur bhikhaari ko adhikaari banaanewale, apni takdeer ki tasveer men apne feechars se apna fyuchar dekhnewale, paaras mani hain...

Om Shanti Divine Angels!!! [Points to Churn from the Murli of March 3, 2013](#)

Praise of Baba:The Ocean of Knowledge, the Incorporeal Purifier, the Supreme Father

Points of Self-Respect and Soul Study:

1. We, the souls, are the most fortunate lucky stars, the crowns on the Father's head, the Brahmin top knot, with multimillions merged in every step... with our happiness, we remove the clouds of sorrow of others, make them swing on the swing of happiness and make them forget their sorrow...
2. We, the souls, are jewels of divinity, making the iron-aged souls golden aged and beggars to ones with rights... we see our future through our features in the picture of our fortune...
3. Like moths, we, the souls, surrender ourselves to the Flame without thinking as soon as we come...we hear the knowledge, experience it and begin to move along its path... our effort is automatically nothing but remembrance and service... we are victorious over the attacks of maya, and, with the gift of a lift from the Father, we are last so fast and fast so first...
4. We, the souls, remain stabilized in the stage of master trikaldarshi... we are merged in the remembrance of the Father, absorbed in love and being free of obstacles, forget ourselves... by being lost in the love of the Father, by being merged in the remembrance of the Father, we become merged and equal to the Father...
5. We, the souls, are the special hero actors, the embodiments of success, constantly successful at every step... we are the ignited lamps awakening the fortune of the well-known and the Kumbhkaranas...we are the invaluable jewels who know the value of the self, and the value of time...we are the embodiments of total success especially revealed in the showcase of the world...we are those equal to the Father who put every thought into practice, every virtue into a practical form and use them for service...
6. We, the souls, are maharathis with success of powers, who look at the line of fortune and the jewel sparkling in the middle of everyone's forehead... from the vibration of their thoughts and with the power of silence, we can see their spirituality from a distance...we are soul conscious while walking and moving around, and experience all attainments with spiritual intoxication...we are the embodiments of all attainments who finish all name and trace of sorrow and peacelessness with spiritual intoxication ...

In the daily murlis, Bapdada gives vardaana to the entire Brahmin family spread all over the world. Baba also remarked in the murli, dated 7-1-2012 that serviceable children will make cartoons after listening to the murli. Visualization makes remembrance of the blessing throughout the day easier and thus makes it more fruitful.

Blessing: May you be an embodiment of all attainments and finish all name and trace of sorrow and peacelessness with spiritual intoxication. To maintain spiritual intoxication means to see the soul and be soul conscious while you are walking and moving around. By having this intoxication, you experience all attainments. All sorrow is removed from a soul who is an embodiment of all attainments and has spiritual intoxication. There is then no name or trace of sorrow or peacelessness because sorrow and peacelessness are born through impurity. How could there be sorrow or peacelessness where there is no impurity? Peace and happiness automatically come to those who are pure souls.

03-03-2013:

To be merged in remembrance means to be absorbed in love.

Blessing: May you be an embodiment of all attainments and finish all name and trace of sorrow and peacelessness with spiritual intoxication.
