हम सौभाग्यशाली आत्माएँ, पवित्रता की प्रतिज्ञा कर, प्राइज़ में पैरेदाइज़ का पासपोर्ट पानेवाले, मुरब्बी, सपूत विश्व के श्रिंगार बच्चे हैं...

By making a promise to remain pure, we, the fortunate souls, the beloved and worthy children who are the decorations of the world, receive a passport to Paradise as a prize.....

Hum saubhaagy shaali atmaayen, pavitrta ki pratigya kar, praaiz men paradise ka paasport paanewale, murabbi, sapoot vishv ke shringaar bachche hain.....

Om Shanti Divine Angels!!!

Points to Churn: August 20, 2013

**Praise of the Father:** Unlimited Father, Supreme Father, the Supreme Soul, The Purifier Father...

**Knowledge Points:** You are now at the confluence age. You have truly come and met the Ocean of Knowledge at this time. This is the beautiful meeting of the confluence age in which the meeting of souls with the Supreme Father, the Supreme Soul, takes place. You children know that all the religious festivals (parv) that are celebrated belong to this time. Today is the festival of Raksha Bandhan.

The Father came at the confluence age and tied this rakhi and we remained pure from the beginning of the golden age till the end of the silver age. Rakhi is only tied once, through which you remain pure for 21 births. The incorporeal Supreme Father, the Supreme Soul, changes you from humans into deities. The Father comes and makes the children true.

The Father says: I am now giving you the knowledge of becoming deities from human beings. . By bathing in this knowledge, human beings become angels of heaven.

The Father teaches you children to become trikaldarshi (seer of the three aspects of time). You understand the beginning, the middle and the end of the *drama*. Your forgetting is also fixed in the *drama* and this is why I have to come again and teach you children Raja Yoga. When the *number one* becomes Narayan, he doesn't have this knowledge. Knowledge disappears.

I, the soul, am *immortal*. The body you receive to play your *part* is mortal. The original religion of you, the soul, is *silence*. You know that you souls in fact reside in the supreme abode. The Supreme Father, the Supreme Soul, also resides there. The Supreme Father, the Supreme Soul, is the Father of souls.

Souls are such tiny points and yet they have entire imperishable parts contained within them. This is called the wonder of nature. (kudrat) These are very deep matters.

**Yoga Points:** It is with the power of yoga that you can make the atmosphere peaceful. Yoga is the only method to give everyone in the whole world the inheritance of peace. You remember the Father in order to spread peace in the world. You will remain uninfluenced by Maya to the extent that you remember the Father.

The Father's order is: Children, be bodiless. (ashareeree bhav) Remain bodiless, that is, have the faith that you are a soul and consider yourself to be separate from your sense organs.

Your account of sin of half the cycle is burnt away and you begin to accumulate an account of charity. It is only when you accumulate here that you will receive the fruit of it for 21 births. Only by remembering the Father will your sins be absolved.

**Dharna Points:** Renounce the consciousness of your body. You have to take the oath: Baba, I will now remain pure. Everything depends on imbibing knowledge. You will continue to receive treasures. Continue to accumulate these treasures for as long as you live.

Become 16 celestial degrees full, completely viceless. End your old account of sin and accumulate a new account of charity. You must not commit any new sin. You have to end the old account. Even if you have committed sins in your childhood of this birth, by telling Baba, half the punishment will be *cut* away. However, you still have to make effort for the other half.

**Service Points:** Make a promise to remain pure and tie a true rakhi on everyone to become pure.

**Points of Self Respect:** Children of God, master oceans of knowledge, masters of heaven, true Brahmins...

**Slogan:** A fortunate soul is one who constantly sings praise of fortune and not of weaknesses.

We, the souls, full of zeal and enthusiasm, remember both the Father, the Bestower of Fortune, and our fortune, and make others fortunate...we are the generous hearted great donors, the children of the Bestower, who distribute our fortune and enable others to receive attainments...

We, the adopted children of the Father, the Bestower of Fortune, sitting in the Father's heart and merged in the Father's eyes are happy ...we are the fortunate ones who receive fortune from the Father for the whole cycle only at this time, and we increase it by sharing it...

We, the embodiments of remembrance, who finish all mischievous games, and find solutions to reasons, are special, careful and cheerful... by remaining combined with the Father, by having full renunciation and full transformation, by being beyond praise(prashansa) and by having constant satisfaction, (prasann), we attain the fortune of a kingdom...

By making a promise to remain pure, by becoming worthy, we become fortunate to receive a passport to Paradise as a prize.....while living with our families, we remain beyond the attitude of householders, and while interacting with everyone, we pay attention to our alokik interaction... we are the beloved children, the worthy children, children who are the decorations of the world, who receive from the Father the blessings of being master bestowers of blessings and master bestowers of fortune...

By becoming free of false pride, ego of our accomplishments, arrogance of our possessions, body consciousness, ego of the body, the arrogance of the body, we become soul conscious (while performing actions), soul conscious (in remembrance), spiritually conscious, God conscious, have knowledge of God, obtain blessings from God, and are made fortunate by God...

ॐ शान्ति दिव्य फरिश्ते !!!

अज का वरदान (TODAY'S BLESSING)

स्व-स्थिति की शक्ति से किसी भी परिस्थिति का सामना करने वाले मा. नौलेजफुल भव।  
May you be master knowledge-full and face any adverse situations with the power of your own stage.

**Song:** Bhaiya mere rakhi ke bandhan ko nibhana... भैया मेरे राखी के बंधन को निभाना ....Brother of mine, fulfill the responsibility of the bond of rakhi !

20-08-2013:

**Essence:** Sweet children, to take an oath for purity is true Raksha Bandhan. Only once in a cycle does the Father tie this rakhi on you children.

**Question:** Why do those who make a promise to remain pure receive a signal to stay in yoga?

**Answer:** Because it is with the power of yoga that you can make the atmosphere peaceful. Yoga is the only method to give everyone in the whole world the inheritance of peace. You remember the Father in order to spread peace in the world. You will remain uninfluenced by Maya to the extent that you remember the Father. The Father's order is: Children, be bodiless.

Song: O brother, fulfil the responsibility of the bond of this rakhi. tempered

**Essence for dharna:**

1. End your old account of sin and accumulate a new account of charity. Stay in remembrance and make the atmosphere peaceful.
2. Make a promise to remain pure and tie a true rakhi on everyone to become pure.

**Blessing:** May you be master knowledge-full and face any adverse situations with the power of your own stage.

Your own stage means the stage of soul consciousness. External situations come through people or matter, but if your own stage is powerful, then external situations are nothing in front of that. Those who have their own stage are not afraid of any kind of adverse situation because they have become knowledge-full souls: they have knowledge of all three aspects of time and of all souls. They know that those souls are under an external influence and that they will therefore serve those souls with their good wishes and pure feelings and not be afraid, but will constantly smile.

**Slogan:** A fortunate soul is one who constantly sings praise of fortune and not of weaknesses.

20-08-2013:

**मुरली सार:-** "मीठे बच्चे-पवित्र रहने की कसम लेना ही सच्चा रक्षाबंधन है, बाप कल्प में एक ही बार यह राखी तुम बच्चों को बांधते हैं"

**प्रश्न:-** पवित्रता की प्रतिज्ञा करने वालों को भी योग में रहने का इशारा क्यों मिलता है?

**उत्तर:-** क्योंकि योग की शक्ति से ही वायुमण्डल को शान्त बना सकते हो। सारी दुनिया को शान्ति का वर्सा देने का उपाय ही योग है। तुम बाप को याद करते हो- विश्व में शान्ति फैलाने के लिए। जितना बाप को याद करेंगे उतना माया का असर नहीं होगा। बाप का यही फरमान है-बच्चे, अशरीरी भव।

**गीत:-** भैया मेरे राखी के बंधन को निभाना.....

**धारणा के लिए मुख्य सार:-**

- 1) पुराने विकर्मों का खाता खलास कर पुण्य का खाता जमा करना है। याद में रह शान्ति का वायुमण्डल बनाना है।
- 2) पवित्रता की प्रतिज्ञा कर पवित्र रहने की सच्ची राखी हरेक को बांधनी है।

**वरदान:-** स्व-स्थिति की शक्ति से किसी भी परिस्थिति का सामना करने वाले मास्टर नॉलेजफुल भव

स्व-स्थिति अर्थात् आत्मिक स्थिति। पर-स्थिति व्यक्ति वा प्रकृति द्वारा आती है लेकिन अगर स्व-स्थिति शक्तिशाली है तो उसके आगे पर-स्थिति कुछ भी नहीं है। स्व-स्थिति वाला किसी भी प्रकार की परिस्थिति से घबरा नहीं सकता क्योंकि नॉलेजफुल आत्मा हो गई। उसे तीनों कालों की, सर्व आत्माओं की नॉलेज है। वह जानते हैं कि यह परवश है इसलिए शुभ भावना, शुभ कामना द्वारा उसकी सेवा करेंगे, घबरायेंगे नहीं, सदा मुस्कराते रहेंगे।

**स्लोगन:-** भाग्यवान वह है जो सदा भाग्य के गुण गाये, कमजोरियों के नहीं।
