ब्राह्मण जीवन का श्वास खुशी है- हम विशेष आत्माएँ, सत्यता की शक्ति से खुशी और शक्ति प्राप्त कर सर्व की आशाएँ पूर्ण करनेवाले, दाता के बच्चे हैं...

The breath of Brahmin life is happiness – we, the special souls, are children of the Bestower who receive happiness and power with the power of truth and continue to give and fulfil everyone's hopes..

Brahman jeewan ka shwaas khushi hai- hum vishesh atmaayen, satyata ki shakti se khushi aur shakti praapt kar sarv ki ashaayen poorn karnewale, data ke bachche hain...

Om Shanti Divine Angels!!!

## *Points of Self-Respect and Soul Study:*

1. The breath of Brahmin life is happiness - if you shed your body, your happiness should not disappear...we, the soul conscious knowledge-full souls with the most elevated fortune, finish all traces and the progeny of old sanskars...we are beyond all attractions and beyond all external influences of any sanskar, any relationship or any possession... we give the Father's introduction to everyone with great zeal and enthusiasm and move forward in service....we are the constantly co-operative companions, a handful out of multimillions close to the Father, seated on the His heart-throne... we constantly experience the company of the one Father and the hand of shrimat, have imperishable happiness and pass with honour...
2. We, the special souls, emerge the attitude of unlimited disinterest, and maintain a balance between spiritual endeavour and facilities...we are the master creators of time who transform within the time given by BapDada... we are flawless diamonds who constantly create an atmosphere of an attitude of unlimited disinterest, and constantly use our elevated specialties in order to establish the new world and increase service...we are as detached as a lotus flower and loving to the Father... while making use of facilities we do not forget spiritual endeavour and have the practice of becoming bodiless in one second... we are yogis with will power who finish waste, apply a full-stop, and set ourself in any stage whenever we want, wherever we want and however we want (jab chaahen, jahaan chaahen, jaisa chaahen) in a second...
3. We, the souls, the hero actors, the show-pieces placed in the showcase of the world, constantly play elevated parts by considering, ourselves to be on the unlimited stage...we are children of the Bestower who receive happiness and power with the power of truth and continue to give and fulfil everyone's hopes...

ॐ शान्ति दिव्य फरिश्ते !!!
