Unlimited Server in Conversation with the World Benefactor

First Awareness

The moment I open my eyes, I realize: I am a soul. I descended from the Sweet Home of Light in order to give radiant light to the world.

Who am I?

I am an unlimited server. I give to the world the light of knowledge and the strength of all powers.

To Whom do I Belong?

Soul converses with Baba:

Good morning sweet Baba. When I carefully use my legs of courage, Maya does not overshadow me. By this effort, I easily experience all the jewels of knowledge. I hold all the spiritual powers at my command.

Baba converses with the Soul:

Sweet child, wake up! Sit down with Me. Simply steady yourself in a high spiritual altitude. Become an unlimited server and spread waves of cooperation and pure feelings to all the souls of the world. Remember you are a child of the World Benefactor and hence you should embody divine virtues. Gift these to the world.

Receiving Inspirations

I take a moment to quiet my chattering mind by focusing on Baba, the Ocean of Silence. In this silence, I receive from Baba pure, inspiring thoughts for service.

Receiving a Blessing from Baba

I manifest my angelic form before sweet Baba in the subtle regions. With much love and powerful drishti, He gives me this blessing:

You are a perfect yogi who experiences entertainment even in the scenes of calamities. You continue to smile and sing songs of wonder knowing that the greatness of sorrow is how it allows our days of happiness to come.

Unlimited Subtle Service (last 15 minutes)

I bestow on the world the blessing described above. I take this blessing from Baba and gift it to the whole world through my pure thoughts. With my angelic costume, I circle the earth globe and give this blessing to all souls.

Before Going to Bed

I steady myself in the stage beyond sound. I mentally check: was I disobedient in anyway during the day? If so, I admit it to Baba. Did I succumb, mentally or physically, to any attractions, attachments, or selfish preferences? I chart my actions, and remove the impact of faulty actions with 30 minutes of yoga. I go to sleep with a clean and clear heart.
