Smriti or to Remember

Sweet child: I give you your fortune of the kingdom. Have you ever seen such a Baba before? Such a Father has to be remembered very well. You cannot see Him with your physical eyes. You must have yoga with Him. Remembrance and knowledge are very easy. You have to know the Seed and the tree. Having been part of that incorporeal tree, you have become part of the corporeal tree.

Sweet Baba, during the course of the day I will reaffirm the awareness that I was the master of the Golden Age and the master of Brahmand. I will remember you, the incorporeal Seed, and stabilize myself near You in the incorporeal tree.

Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

Mano-vritti or Attitude

Baba to Soul: I make you once again into the religious and most powerful ones. It is the task of the powerful ONE to create heaven. However, He is incognito. You are incognito warriors. The Father has a lot of love for you children.

I am determined to adopt an attitude of being incognito and a master almighty authority. I take care to draw attention to the ONE who is making me move and I remain an incognito warrior.

Drishti or Pure Vision

Baba to Soul: Granting visions is also magic. When people do intense devotion, I grant them a vision. For example, I show them the form of Kali; they pour oil over her image. The Father explains: I hold the key in My hand for granting visions. I grant them a vision in order to fulfill their desires for a temporary period but none of them can meet Me through that. Faith isn't developed by visions. Faith is developed by knowledge and yoga.

In my drishti today, I'm determined to keep in my vision Baba the Magician who grants visions. While seeing souls perform their devotion, I see the ONE who holds the key to divine visions.

Creating a Wave

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, manovritti, and drishti from above and give sakaash to the whole world as a humble instrument.
