### Smriti or to Remember

Sweet child: Now remember the Father, just as little children remember their parents. Those are physical parents. You children are without an image. You receive those images (bodies) here. You are residents of the world where there are no images. There are no images there. First of all, make it firm that you are a soul. Child, become soul conscious!

Sweet Baba, during the course of the day I will reaffirm the awareness that I am a soul. I come from the land of nirvana. That is my Home. It is the Home of all souls. I come here to play my part. My buddhi is aware I am one of the first ones to come here to play my part.

### Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

### Mano-vritti or Attitude

Baba to Soul: You children should now experience limitless happiness. You never thought or dreamt that you would become the masters of the world. You children know that the Highest on

High, incorporeal God, is teaching you. Therefore, you should have limitless happiness.

I am determined to have an attitude of pure transcendent joy that Baba is teaching me and making me the master of the whole world. I keep in my attitude that it used to be the kingdom of Lakshmi and Narayan over the whole world.

### **Drishti or Pure Vision**

Baba to Soul: Look what you became by not knowing the Creator or creation and look what you are becoming by knowing the Creator and creation. By knowing them, you are becoming solvent and, by not knowing them, you became insolvent. I am determined to see the Creator and creation. My drishti holds my solvency.

### **Creating a Wave**

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, mano-vritti, and drishti from above and give sakaash to the whole world as a humble instrument.
