A Self Realized Soul in Conversation with the Fortune Makers

### First Awareness

The moment I open my eyes, I realize: I am a soul. I descended from the Sweet Home of Light in order to give radiant light to the world.

### Who am I?

I am a self-realized soul. I possess the power of self-transformation. I have a right to everything that belongs to Baba. I clearly see that both Brahma Baba and Shiv Baba are my fortune makers.

### To Whom do I Belong?

Soul converses with Baba:

Good morning sweet Baba. I realize the mistakes I'm making. Instead of thinking of the self, I think of others. Instead of transforming myself, I want others to change. Instead of thinking, "I work for Baba, so let Baba be glorified," I think, "I did this for Baba, so I should be glorified." When I make these mistakes, I receive only a handful instead of multimillions.

Baba converses with the Soul:

Sweet child, wake up! Sit down with Me. At amrit vela, when you come to meet the fortune makers, you receive blessings and fortune. However, there are some who simply receive fortune (bhagyashali), some who receive a hundredfold fortune (soubhagyashali), and some who receive fortune of hundred thousand fold. There are two keys. When you turn them in the right direction, the lock on your fortune opens. The first key is: Mine is One Baba and none other. The second key is: Brahma Baba creates my fortune. Use these two keys to unlock and receive overflowing treasure chests of fortune -- an ever-healthy body, a free mind, limitless wealth, the kingdom of the world, and the full cooperation of nature.

### Receiving Inspirations

I take a moment to quiet my chattering mind by focusing on Baba, the Ocean of Silence. In this silence, I receive from Baba pure, inspiring thoughts for service.

### Receiving a Blessing from Baba

I manifest my angelic form before sweet Baba in the subtle regions. With much love and powerful drishti, He gives me this blessing:

*When something is being cooked and is almost ready, it begins to leave the sides of the pan. You are now releasing all attachments and binding to the heart of the Beautiful One. Because of this, you are leaving all sides and becoming a perfect angel.*

### Unlimited Subtle Service (last 15 minutes)

I bestow on the world the blessing described above. I take this blessing from Baba and gift it to the whole world through my pure thoughts. With my angelic costume, I circle the earth globe and give this blessing to all souls.

### Before Going to Bed

I steady myself in the stage beyond sound. I mentally check: was I disobedient in anyway during the day? If so, I admit it to Baba. Did I succumb, mentally or physically, to any attractions, attachments, or selfish preferences? I chart my actions, and remove the impact of faulty actions with 30 minutes of yoga. I go to sleep with a clean and clear heart.
