जो सिद्धि को स्वीकार करते तो वह करामत खैर खुदाई....

Those who accept success disregard God's miracles...

Jo siddhi ko swikaar karte to vah karaamat khair khudaaai....

Om Shanti Divine Angels!!!

Points to Churn: August 19, 2013

Praise of the Father: Supreme Father, the Supreme Soul... highest-on-high Father... the Creator of the human world... the unlimited Father... the Businessman.(Saudaagar)...

Knowledge Points: Shiv Baba, the unlimited Father, comes and gives you true self-sovereignty...

The Father Himself says: Children, make a promise to Me and you will then claim self- sovereignty. Baba Himself puts the tilak of self-sovereignty on you. Baba also grants children visions.

This Father Himself comes and cleans you souls with the nectar of knowledge. (gyan amrit) The nectar of knowledge is not water...

After Dashera, that is, after destruction, Deepavali will come. There will be heaven in every home. (ghar ghar men swarg hoga)...

While you are accumulating, your kingdom will be created.

I have now come directly and I give you the donation of these imperishable jewels of knowledge. You then donate these to others.

Yoga Points: You definitely have to remember the Father. It is through remembrance of the Father that you accumulate.

Dharna Points: Apply knowledge like sandalwood (create the fragrance) according to shrimat and become pure. Make a promise to remain pure and you will receive the tilak of the sun-dynasty kingdom...

Conquer lust, your greatest enemy, that is, conquer Maya, Ravan. You have to make effort for this... While living at home with your family, you have to remain as pure as a lotus flower.

You are now receiving the self-sovereignty of happiness and peace. Therefore, you have to become a child of the Father and follow His shrimat. At the time of studying you have to pay full *attention* to the study. At the time of studying, you don't speak of wasteful matters. ..

You make a promise in your heart: Baba, now that You have come, I will be Your worthy child. I will remain pure and claim my inheritance from You. It is now the time of settlement for all. You have to settle all the accounts of sin and accumulate an account of charity...

Service Points: You children now have to study and teach others. You can tell the life story of Shiv Baba, Brahma, Vishnu and Shankar and Lakshmi and Narayan. The more you donate the eternal jewels of knowledge, the more you will be able to accumulate. The more service you do, the more you will accumulate.

Points of Self Respect: masters of heaven, master trikaldarshi

Blessing: May you be a master trikaldarshi who becomes a conqueror of Maya by knowing the past, present and future.

Those who accept success disregard God's miracles...We, the souls, do not accept any position or any object from any person...we do not accept any success that we have achieved through knowledge and yoga in the form of regard and honour...we become the embodiments of renunciation by renouncing praise, renouncing respect, renouncing nature, the servant and by using the right methods...by not having the thought of accepting success, by staying in the love of the one Father, we become the constant embodiments of tapasya ... by performing every action in a trikaldarshi stage, by putting less effort and achieving greater success, by being perfect in all subjects, by making dust gold, we become the servers who are embodiments of success...

We, the souls, the subtle stars, filled with the part of 84 births, reside in the middle of the forehead...we are the unlimited children of the Unlimited Father, the unlimited actors of the unlimited drama, claiming a right to the unlimited inheritance...by knowing that the night and the day of Brahma are equal, by knowing the unlimited matters and the beginning, the middle and the end of the unlimited drama, we become trikaldarshi... we are the raj yogis and the raj rishis who study in the unlimited school of raj yoga, explain the knowledge to others for seven days, and make them Brahmins, the mouth-born creations of Brahma, the Brahmakumars and kumaris of the clan of Shiva...

We, the fortunate souls, study from God Himself...with determined faith, and under any circumstance, we listen to the murli with full attention every day either in class or at home regularly and punctually, and write down the murli points..... we study Raj Yoga from the Bestower of divine vision, and go from the depths of darkness to intense light... we know the Creator and the creation...by being trinetri and knowing the three aspects of time, the beginning (golden age), the middle (the copper age), and the end (the iron age), by knowing the three worlds, the corporeal world, the subtle world and the incorporeal world, we become trikaldarshi and trilokinath...

ॐ शान्ति दिव्य फरिश्ते !!!

Essence: Sweet children, to apply knowledge like sandalwood (create the fragrance) according to shrimat and become pure is to claim the kingdom of self-sovereignty. Make a promise to remain pure and you will receive the tilak of the sun-dynasty kingdom.

Question: Who ties a rakhi on you children? Who puts this tilak on you? Why is there the custom of offering sweets to sweeten your mouth?

Answer: Your senior mummy (Mother Brahma), ties the rakhi on you to purify you. Then, when you make a vow to remain pure, the Father puts the tilak of self-sovereignty on you. "To sweeten your mouth" means to bestow all blessings. Along with the tilak of self-sovereignty, the Father has also given you all blessings. The memorial of this custom has continued.

Song: There is love on this side and the world on the other side. Which way should I go?

Essence for dharna:

1. Let the love of your heart be for the one Father and for no bodily being because all your relations are now with the one Father.
2. At the time of studying this study, pay full attention. Don't speak or even think of wasteful things. Do not allow your intellect to wander around.

Blessing: May you be a master trikaldarshi who becomes a conqueror of Maya by knowing the past, present and future.

Children who know all three aspects of time are never defeated by Maya because what the present is and what is going to happen in the future are both very clear in the intellects of trikaldarshi souls. What I am and what I am going to become: they have the intoxication of both the present and the future. They continue to fly in the happiness of that intoxication and this is why their feet are above the ground. They are not attracted by the body, bodily relations or the old possessions of the body.

Slogan: It is easy for those who have the virtue of easiness to move along within a gathering.

19-08-2013:

मुरली सार:- "मीठे बच्चे - श्रीमत पर ज्ञान का चन्दन घिसना वा पवित्र बनना ही स्वराज्य लेना है, तुम पवित्रता की प्रतिज्ञा करो तो सूर्यवंशी घराने का तिलक मिलेगा"

प्रश्न:- तुम बच्चों को राखी कौन बांधता है, तिलक कौन देता है और मुख मीठा कराने की रस्म क्यों है?

उत्तर:- तुम्हें बड़ी मम्मी (ब्रह्मा माँ) राखी बांधती है, पवित्र बनाती है, जब तुम पवित्र बनने की प्रतिज्ञा कर लेते हो तो बाप स्वराज्य का टीका देते हैं। मुख मीठा कराना अर्थात् सर्व वरदान दे देना। बाप ने स्वराज्य के तिलक के साथ-साथ सर्व वरदान भी दिये हैं, इसी की रस्म यादगार में चली आई है।

गीत:- इधर मुहब्बत उधर जमाना.....

धारणा के लिए मुख्य सार :-

- 1) दिल की मुहब्बत एक बाप से रखनी है, देहधारियों से नहीं क्योंकि सर्व सम्बन्धी एक बाप है।
- 2) पढ़ाई के समय अपना फुल अटेंशन पढ़ाई में देना है, व्यर्थ बातों का वर्णन-चिन्तन नहीं करना है। बुद्धि को भटकाना नहीं है।

वरदान:- पास्ट, प्रेजेंट और फ्युचर को जान मायाजीत बनने वाले मास्टर त्रिकालदर्शी भव

जो बच्चे तीनों कालों को जानते हैं वे कभी भी माया से हार नहीं खा सकते क्योंकि वर्तमान क्या है और भविष्य में क्या होने वाला है, दोनों ही त्रिकालदर्शी आत्मा की बुद्धि में स्पष्ट रहता है। क्या हूँ और क्या बनने वाला हूँ, वर्तमान और भविष्य दोनों का उन्हें नशा रहता है। उसी नशे की खुशी में उड़ते रहते हैं इसलिए उनके पाँव धरनी से ऊंचे होते हैं। वह देह, देह के संबंध, देह के पुराने पदार्थों की आकर्षण में नहीं आते।

स्लोगन:- जिनके पास सरलता का गुण है उनके लिए संगठन में चलना बहुत सहज है।
