

Daily Positive Thoughts: June 03, 2017: Miss Everything

Artist: Marcus Stone: 1840-1921

### **Miss Everything**

You can only be in one place at any moment in time. If you feel you are missing out on something then you are. But it's not the party, or being with another person that you're missing, it's your own life.

## **A New Journey With A New Personality (Part 2)**

Famous personalities are constantly sought after, in demand and remembered by many due to their specialties, may they be actors, gurus, sportsmen, politicians, founders of religions etc. Even in our daily lives, we tend to remember people with more specialties much more than the rest. **God is the most complete and perfect personality that exists, but not a physical personality, a spiritual one. There is no one who is more specialty and virtue-filled than him. That is the reason he is an entity or living energy or personality who is remembered the most by each and everyone all over the world.**

The above types of personalities mentioned are physical personalities and are remembered by some or many but not remembered by the rest and along with their specialties, they definitely have shortcomings. Also, you might find it difficult getting to meet them even for a few minutes. God is one personality without any weaknesses and he is my constant friend, once I start my journey. He is one who, although being the highest personality, can be available to thousands making a similar journey at the same time, not because he is omnipresent (present everywhere) but because he is omnipotent (the most powerful) and the only being possessing this capability. So, **a specialty of this journey is that the more I progress on it and the more time I spend with this new personality accompanying me in my new journey, I constantly see new facets of this new personality being revealed in my life, which keeps the journey constantly refreshing.** This also keeps me wondering what is going to be revealed next. So, once this journey of exploration and discovery has started, there's no reason to stop even for a second and there is immense amount of motivation to continue and keep smiling!

## Love full Words

When speaking to others we usually speak from our head, or intellect. Words spoken from the head rarely touch the hearts of others. This means they don't create any impact and are soon forgotten. The solution lies in touching the hearts of others when I speak. To do that, I need to speak with my heart as well as my head and fill my words with love.

### Message for the day

**To play a special role in the drama of life is to give happiness to all.**

**Thought to Ponder:** In the drama of life, if I want to play the role of a hero, I need to be so full that I can give happiness to all I meet. My specialty lies in giving - giving happiness. Everyone is in search of happiness and are unable to find a source to it. But I need to connect within and find the strength and quality within. When I do this, I will be able to give some positive experience to each and every one I meet. I will also be able to help them connect to their own inner qualities.

**Point to Practice:** Today I will make sure that no one goes away from me empty handed. I need to give some positive experience or feeling to them. It could be a point of appreciation towards them or a feeling of courage or support or any other thing that would give them a positive experience. In thought, word or action I need to express something positive.
