

Synopsis: Sakar Murli October 08, 2014

1. The Father, the **Satguru**, alone is the **Bestower of Salvation**. The Father is explaining and so this one must be explaining too. This is why Guru Brahma becomes number one. For Shankar, they say that when he opened his third eye he burnt everyone. In that case, he cannot be called a guru.
2. Only the one Father is the **Purifier**. When there is purity, there is also peace and prosperity. If you become completely pure, you cannot stay here because you would definitely need to go to the land of peace. When the soul has become pure, he can no longer remain in this old body, because this is impure. Even the five elements are impure, and the body is made of those. It is called a clay puppet. One body of the five elements finishes and another one is created, but the soul exists for ever. A soul is not something that is made.
3. You come here just to listen to the Father's murli. It is only in this that there is magic. The Father is called the **Magician (Jaadoogar)**. You sing: There is magic in your murli (**murli teri men hai jadoo**). The murli that You speak through Your mouth has magic.
4. Remember the Father and your desires will all end and you will become happy. It is not good to receive punishment and then receive a small piece of chapatti.
5. If you prepare bhog whilst remembering Shiv Baba, many can be benefitted. There is power in that food and their hearts will become pure. Sometimes, they might even have visions. If they eat pure food, they can have visions of Brahma, Krishna or Shiva. Even deities love the food prepared by Brahmins. Those who value Brahma bhojan very much even rinse their plates and drink that water.
6. You are in the Father's home now and you will then go to your in-laws' home. They meet one another (Brahmins and deities) in the subtle region when bhog is carried there. Bhog is offered to the deities. Deities go there, and you Brahmins go there and a meeting takes place there.

Blessing: May you be happy in your heart (prasanchit) and constantly experience being full on the basis of your imperishable attainment.

At the confluence age, you have direct attainment from God. In front of the present, the future is nothing and you therefore sing the song: I have attained that which I wanted (paana tha vo paa liya)... The praise of the present time is: Nothing is lacking in the treasure-store of Brahmins. These are imperishable attainments. Remain full of these attainments and the specialty of being full and complete will be constantly visible on your face and in your behaviour. No matter what happens, those who have all attainments cannot let go of their happiness.

Today, from the blessing we can also infer:

The confluence age is the diamond age; it is the most auspicious age and the most benevolent age. This is the only time in the whole cycle that you can meet God.

It is also the leap age; you can go ahead in leaps and bounds, you can progress and race to your destination.

It is also the age of ascent; you get the gift of the lift; you get uplifted and are able to jump high and be in the flying stage.

This is the only age when you can get all your attainments from God Himself. By receiving all powers from the One Father, become full and complete with powers, experience the sweetness of all relationships and all attainments with the One and become seated on the Father's heart-throne.

By continuing to use the knowledge and the powers received from God for you and for other souls, experience yourselves to be the embodiments of all attainments. According to Godly principle, the more the attainment of the present time is used, the more it will increase. You will be constantly happy and prosperous with the fortune of happiness. By using all the attainments, and by knowing the method, together with having love, you become the master oceans of knowledge, master oceans of powers and master oceans of all attainments.

Slogan: Be experienced in God's love and no obstruction (rukaavat) can obstruct you.

Points to churn from the slogan:

We, the thirsty souls, remember the Father with a lot of love at amritvela... by drinking one drop of Manmanabhav from the Ocean of Love, we receive liberation-in-life in one second, go from the ocean of poison to the ocean of milk and become Madhyajibhav...

I belong to the One Father and none other...say Mera Baba with all your love and all your heart... by constantly remaining combined with the Father, and saying "My Baba" with love, we attain all Godly rights...we are free from the consciousness of the body, free from the attractions of its connections and relationships, material possessions, material comfort, facilities and wealth...

We are the loving and co-operative children who fill our hearts fully and imbibe the number one love of Baba's heart, God's powers, God's love and Godly knowledge... by belonging to the Supreme Soul, by being lost in the love of the Supreme Soul, by being intoxicated in the love of the Supreme Soul, by being absorbed in the love of the Supreme Soul, we forget the world of sorrow, and get all desires fulfilled...

We remember Alpha with a lot of love, and surrender to the Flame... we are the spiritual soldiers who are victorious in our battle with Maya... by being filled with all attainments by the unlimited Bestower, we claim a right to all the three worlds... by being the children of the Almighty Authority Father, we are the master almighty authorities, who are maya proof and free from attachments, inclinations and influences...

By finishing all attachment to the old world, to the old body, and to the old costume, by becoming bodiless, by remembering the Father, the Saccharine of all relationships with a lot of love, we absolve our sins and become the destroyers of attachment...
